To

The Board of Directors / Resolution Professional (RP) of Reliance Communications Limited

Report on the audit of the Standalone Financial Results

Corporate Insolvency Proceedings as per Insolvency and Bankruptcy Code, 2016 (IBC)

The Hon'ble National Company Law Tribunal, Mumbai Bench ("NCLT") admitted an insolvency and bankruptcy petition filed by an operational creditor against Reliance Communications Limited and appointed Resolution Professional (RP) who has been vested with management of affairs and powers of the Board of Directors with direction to initiate appropriate action contemplated with extant provisions of the Insolvency and Bankruptcy Code, 2016 and other related rules.

Qualified Opinion

We have audited the accompanying standalone financial results of Reliance Communications Limited ('the Company') for the quarter and year ended March 31, 2026 ('the standalone financial results') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of matters described in Basis for Qualified Opinion section of our report, these standalone financial results-

- a. are presented in accordance with the requirements of Regulation 33 and Regulation 52 read with Regulation 63(2) of the Listing Regulations in this regard; and
- b. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards and other accounting principles generally accepted in India of the net loss, and other comprehensive loss and other financial information for the quarter and year ended March 31, 2026.

Basis for Qualified Opinion

- a. We draw attention to Note no. 4 & 6 of the standalone financial results, "Assets Held for Sale (AHS)" regarding Wireless Spectrum, Towers, Fibre and Media Convergence Nodes (MCNs) alongwith liabilities continues to be classified as held for sale at the value ascertained at the end of March 31, 2018, for the reasons referred to in the aforesaid note and impact of the non payment of spectrum instalments due to Department of Telecommunication (DOT). Non determination of fair value of Assets Held for Sale as on the reporting date is not in compliance with Ind AS 105 "Non

Current Assets Held for Sale and Discontinued Operations". Accordingly, we are unable to comment on the consequential impact, if any, on the carrying amount of Assets Held for Sale and on the reported losses for the quarter and year ended March 31, 2026.

- b. We draw attention to Note no. 5 of the standalone financial results regarding admission of the Company and its two subsidiaries into Corporate Insolvency Resolution Process ("CIRP"), and pending determination of obligations and liabilities with regard to various claims submitted by the Operational/financial/other creditors and employees including interest payable on loans during CIRP. We are unable to comment the accounting impact there of pending reconciliation and determination of final obligation. The Company accordingly has not provided interest on borrowings amounting to Rs. 1,694 crore & Rs. 5,600 crore for the quarter and year ended March 31, 2026 respectively and Rs.33,478 crore up to the previous financial year calculated based on basic rate of interest as per terms of loan. The Company further has not provided for foreign exchange (gain) / loss amounting to Rs. 1,000 crore and Rs. 1,888 crore for the quarter and year ended March 31, 2026 respectively and Rs.4,095 crore of foreign exchange loss up to the previous financial year. Had such interest and foreign exchange variation as mentioned above been provided, the reported loss for the quarter & year ended March 31, 2026 would have been higher by Rs. 2,694 crore and Rs. 7,488 crore respectively and Net worth of the Company would have been lower by Rs. 45,061 crore as at March 31, 2026 and Rs.37,573 crore as at March 31, 2025. Non provision of interest and non recognition of foreign exchange variation is not in compliance with Ind AS 23 "Borrowing Costs" and Ind AS 21 "The Effects of Changes in Foreign Exchange Rates" respectively.
- c. We draw attention to Note no. 4 & 22 of the standalone financial results, regarding pending comprehensive review of carrying amount of all assets (including investments, receivables and balances lying under Goods and Service Tax) & liabilities and non-provision for impairment of carrying value of the assets and write back of liabilities if any, pending completion of the CIRP and various irregularities reported by the forensic auditor M/s BDO India LLP, appointed by one of the lenders, in their forensic audit report for the period from April 01, 2013 to March 31, 2017 as communicated by certain banks and communication received from certain banks with respect to willful defaulter and fraud. In the absence of comprehensive review as mentioned above for the carrying value of all the assets and liabilities and unable to determine of potential impact of communications from banks in respect of willful default / fraud, we are unable to comment that whether any adjustment is required in the carrying amount of such assets and liabilities and consequential impact, if any, on the reported losses for the quarter and year ended March 31, 2026. Non determination of fair value of financial assets & liabilities and impairment of carrying amount for other assets and liabilities are not in compliance with Ind AS 109 "Financial Instruments", Ind AS 36 "Impairment of Assets" and Ind AS 37 "Provisions, Contingent Liabilities & Contingent Assets".
- d. We draw attention to Note no. 24 of the standalone financial results, wherein during the year ended March 31, 2024, erstwhile director of Bonn Investment Inc. ("Bonn") had sold its property for an amount of USD 8.34 million (approx. Rs.78.94 Crore) and invested the same with AZCO Real Estate Brokers LLC ("AZCO") without the authorisation / permission of the Management and Resolution Professional (RP) of the Company. As explained in detail in the aforesaid note, the Management of Bonn has taken certain steps and will take all necessary steps as required to be undertaken including recovery of the advance given to AZCO. The Management of Bonn is hopeful that the steps taken and discussion with AZCO will result in recovering the said advance and accordingly, no provision

has been made in the financial statements for the year ended March 31, 2026 against the said advance. Also, the Company has filed a petition against the erstwhile Director of the Company based on the digital analysis report for his involvement in the aforesaid transactions. Further, the financial statements of Bonn for the year ended March 31, 2026, March 31, 2025 and March 31, 2024, considered for consolidation is unaudited and certified by the Management.

Further, we have sought an update on the action taken by the management as on date, however we have not received any update or details of any action taken by the management in the aforesaid matters till date.

Based on the matters fully described in the aforesaid note, we are unable to determine on the potential impact if any in the unaudited financial statements of Bonn in relation to unauthorised sale made by the erstwhile director of Bonn and involvement of erstwhile director of RCOM if any on the said transactions.

- e. We draw attention to Note no. 26 of the standalone financial results, regarding searches carried out by Directorate of Enforcement (ED) and the Central Bureau of Investigation (CBI) at the premises of Reliance Communications Limited based on FIRs registered with CBI. Further, certain properties of the Company and subsidiary Companies have also been provisionally attached in terms of Prevention of Money Laundering Act, 2002 by ED which has been further extended for a period of 365 days by the Adjudicating Authority. As stated by the Management, the actions taken by the agencies may adversely affect the value of investments of the Company, however no adjustment has been carried out in the books of account. Based on the matters stated in aforesaid note, we are unable to determine the potential impact if any, in respect of the pending investigation and provisional attachment by the regulatory agencies that may be required in the standalone financial results for the quarter and year ended March 31, 2026.
- f. We draw attention to Note no. 14 of the standalone financial results, regarding non adoption of Ind AS 116 "Leases" effective from April 1, 2019 and the consequent impact thereof. The aforesaid accounting treatment is not in accordance with the relevant Indian Accounting Standard Ind AS 116.
- g. We draw attention to Note no. 4 of the standalone financial results, regarding continuous losses incurred by the Company, current liabilities exceeding its current assets, default in repayment of borrowings and default in payment of regulatory and statutory dues and pending application of renewal of Telecom Licenses and potential impact of the matters stated in note no 22 and 26. These situation indicates that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. The accounts however have been prepared by the management on a going concern basis for the reason stated in the aforesaid note. We however are unable to obtain sufficient and appropriate audit evidence regarding management's use of the going concern basis of accounting in the preparation of the standalone financial results, in view of ongoing CIRP and matters pending before regulatory authorities, the outcome of which cannot be presently ascertained.

The Net worth of the Company excludes the effect of qualification under (a), (c), (e), (f) and (g) above, which are non-quantifiable as referred therein.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for qualified opinion.

Emphasis of Matter Paragraph

- a. We draw attention to Note no. 8 of the standalone financial results, regarding provision of license fee and spectrum usage charges based on management estimates pending special audit from Department of Telecommunications, pursuant to the judgment of Hon'ble Supreme Court of India, vide its order dated October 24, 2019 and status of payment thereof which may undergo revision based on any development in the said matter.
- b. We draw attention to Note no. 27 of the standalone financial results, wherein during the year ended March 31, 2026, the Company and Reliance Communications Infrastructure Limited (RCIL), a wholly owned subsidiary of the Company, has received notice from Serious Fraud Investigation Office (SFIO), New Delhi and the SFIO had sought details / documents for the time period FY 2008-09 to FY 2024-25 and FY 2008-09 to FY 2023-24 respectively. As stated by the Management, information asked for has been provided by the Company and RCIL.
- c. We draw attention to note no. 19 of the standalone financial results, wherein during the previous year ended March 31, 2025, the Committee of Creditors (CoC) of the Company had approved a loan of Rs.9.60 crore to the Reliance Telecom Limited (RTL), a wholly owned subsidiary company, at an interest rate of MCLR + 2%. During the year ended March 31, 2026, the RTL has sought an additional loan from RCOM of Rs. 3.89 crore for which approval was sought from CoC, which has been approved / ratified by the CoC of the Company and RTL in their respective meeting held on May 27, 2026.

Our opinion is not modified in respect of above matters.

Management's Responsibilities for the Standalone Financial Results

The standalone financial results, which is the responsibility of the Company's Management is relied upon by the Resolution Professional based on the assistance provided by the Directors and taken on record by the Resolution Professional as fully described in Note no. 1 of the standalone financial results, has been prepared on the basis of standalone financial statements. The Company's Management are responsible for the preparation and presentation of these standalone financial results that give a true and fair view of the net loss and other comprehensive income and other financial information in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and Regulation 52 of the Listing Regulations.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Directors/Resolution Professional are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors/Resolution Professional either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors / Resolution Professional is also responsible for overseeing the Company's financial reporting process read together with Note no. 1 of standalone financial results.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors / Resolution Professional.
- Conclude on the appropriateness of the Board of Directors / Resolution Professional use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material

uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial results may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

- Pursuant to applications filed by Ericsson India Pvt. Ltd. before the National Company Law Tribunal, Mumbai Bench ("NCLT") in terms of Section 9 of the Insolvency and Bankruptcy Code, 2016 read with the rules and regulations framed thereunder ("Code"), the NCLT had admitted the applications and ordered the commencement of corporate insolvency resolution process ("CIRP") of Reliance Communications Limited ("the Company") and two of its subsidiaries namely Reliance Infratel Limited (RITL, ceased w.e.f December 22, 2022) and Reliance Telecom Limited (RTL) (collectively, the "Corporate Debtors") vide its orders dated May 15, 2018. The committee of creditors ("CoC") of the Corporate Debtors, at the meetings of the CoC held on May 30, 2019, in terms of Section 22 (2) of the Code, resolved with the requisite voting share, to replace the Interim Resolution Professionals with the Resolution Professional ("RP") for the Corporate Debtors, which has been confirmed by the NCLT in its orders dated June 21, 2019 (published on the website of the NCLT on June 28, 2019).
- During the earlier year Reliance Communications Infrastructure Limited (RCIL) a wholly owned subsidiary of the Company, had been admitted by NCLT for resolution process under the Code and Mr. Anish Nanavaty was appointed as the Resolution Professional by the NCLT. On December 19, 2023, Hon'ble NCLT has approved the resolution plan submitted by a resolution applicant as approved by CoC, accordingly Mr. Anish Niranjana Nanavaty has ceased to be the RP of RCIL, and RCIL is currently under the supervision of a Monitoring Committee (of which the erstwhile RP is a

member) constituted under the provisions of the approved resolution plan. The implementation of the approved resolution plan is currently pending.

- c. As per Regulation 33 & 52 of the Listing Regulation, the standalone financial results of the Company submitted to the stock exchange shall be signed by the Chairperson or Managing Director or Whole Time Director or in absence of all of them, it shall be signed by any Director of the Company who is duly authorized by the Board of Directors to sign the standalone financial results. As mentioned in Note No 1 of the standalone financial results, in view of the ongoing CIRP, the powers of the board of directors stand suspended and are exercised by the Resolution Professional.
- d. Attention is drawn to the fact that the figures for quarter ended March 31, 2026 and corresponding quarter ended in previous year as reported in these standalone financial results are the balancing figures between audited figures in respect of the full financial year and published year- to- date figures up to the end of the third quarter of the current and previous financial year respectively. Also the figures up to the end of the third quarter for the current and previous financial year had only been reviewed as required by the Listing Regulations.

Notes:

- 1 Pursuant to an application filed by Ericsson India Pvt. Ltd before the National Company Law Tribunal, Mumbai Bench ("NCLT") in terms of Section 9 of the Insolvency and Bankruptcy Code, 2016 read with the rules and regulations framed thereunder ("Code"), the NCLT had admitted the application and ordered the commencement of corporate insolvency resolution process ("CIRP") of Reliance Communications Limited ("Corporate Debtor", "the Company" or "RCOM") vide its order dated May 15, 2018. The NCLT had appointed Mr. Pardeep Kumar Sethi as the interim resolution professional ("IRP") for the Corporate Debtor vide its order dated May 18, 2018. The Hon'ble National Company Law Appellate Tribunal ("NCLAT") by an order dated May 30, 2018 had stayed the order passed by the Hon'ble NCLT for initiating the CIRP of the Corporate Debtor and allowed the management of the Corporate Debtor to function. In accordance with the order of the Hon'ble NCLAT, Mr. Pardeep Kumar Sethi handed over the control and management of the Corporate Debtor back to the erstwhile management of the Corporate Debtor on May 30, 2018. Subsequently, by order dated April 30, 2019, the Hon'ble NCLAT allowed stay on CIRP to be vacated. On the basis of the orders of the Hon'ble NCLAT, Mr. Pardeep Kumar Sethi, wrote to the management of the Corporate Debtor on May 02, 2019 requesting the charge, operations and management of the Corporate Debtor to be handed over back to IRP. Therefore, Mr. Pardeep Kumar Sethi had in his capacity as IRP taken control and custody of the management and operations of the Corporate Debtor from May 02, 2019. Subsequently, the committee of creditors ("CoC") of the Corporate Debtor pursuant to its meeting held on May 30, 2019 resolved, with requisite voting share, to replace the existing interim resolution professional, i.e. Mr. Pardeep Kumar Sethi with Mr. Anish Niranjan Nanavaty as the resolution professional for the Corporate Debtor in accordance with Section 22(2) of the Code. Subsequently, upon application by the CoC in terms of Section 22(3) of the Code, the NCLT appointed Mr. Anish Niranjan Nanavaty as the resolution professional for the Corporate Debtor ("RP") vide its order dated June 21, 2019, which was published on June 28, 2019 on the website of the NCLT. Accordingly, the IRP handed over the matters pertaining to the affairs of the Corporate Debtor to the RP as on June 28, 2019 who assumed the powers of the board of directors of the Corporate Debtor and the responsibility of conducting the CIRP of the Corporate Debtor.

Further, pursuant to the meeting of the CoC of the Corporate Debtor dated March 2, 2020, a resolution plan, submitted by a resolution applicant in respect of the Corporate Debtor, has been approved by the CoC. The application under Section 31 of the Code filed by the RP for approval of resolution plan was last heard on October 5, 2023, where the NCLT indicated that since the issues inter alia pertaining to spectrum has remained pending before the Hon'ble Supreme Court of India for a while now, it would adjourn the plan approval *IA sine die* with liberty to the applicant/ RP to mention the same.

An application (IA No. 383 of 2023) has been filed by a resolution applicant before NCLT for substitution of resolution applicant in the resolution plan submitted in respect of RCOM. On September 7, 2023, the matter was heard at length by the NCLT, and application has been allowed vide order dated December 12, 2023.

A similar application (IA No. 749 of 2023) has been filed in Reliance Telecom Limited ("RTL") as well, wherein NCLT vide order August 22, 2023 had directed the resolution professional of RTL to place on record necessary declaration(s) in relation to compliance with the provisions of Section 29A, after getting

the confirmation of CoC of RTL in relation thereto. However, the status of the said IA was inadvertently reflecting as disposed creating difficulties in filing of the compliance affidavit. The RP had been attempting to liaison with the registry in this regard and also mentioned the matter multiple times to seek correction in its status. On December 19, 2024, the NCLT was pleased to direct the matter to be listed on January 21, 2025 for filing of the affidavit and passing of necessary orders by the NCLT. On January 21, 2025, in view of the submissions, the Bench was pleased to reserve the matter for orders. By order dated January 21, 2025, NCLT has dismissed the IA filed by UV Asset Reconstruction Company Limited ("UVARCL"). An appeal bearing Company Appeal (AT) (Insolvency) No. 422 of 2025 has been filed by UVARCL before NCLAT. The same was listed on April 16, 2025, where the Bench passed directions to the Respondents to file their reply and posted the matter on May 14, 2025. All parties have advanced detailed arguments. On October 28, 2025, the NCLAT was pleased to reserve the matter for orders. The appeal was thereafter listed on February 25, 2026 for further clarifications. The matter was last listed on March 24, 2026, however due to paucity of time it could not be taken up and was adjourned to May 08, 2026. While the matter was scheduled to be listed on May 08, 2026, the matter stood adjourned in light of court notice dated May 05, 2026 and the next date of hearing is on July 03, 2026.

Further, pursuant to the discussions with the CoC members, the RP has filed an application bearing number IA 2719 of 2025 before Hon'ble NCLT seeking necessary clarifications/ appropriate directions on the way ahead in the CIRP of RTL pursuant to the order dated January 21, 2025. This application was first listed on June 20, 2025, wherein the Ld. Bench issued notice and directed that a reply be filed within two weeks. The matter has been listed multiple times, last being on January 8, 2026. However, the NCLT has adjourned the matter in light of pendency of the appeal filed by UVARCL before the Hon'ble NCLAT. The Hon'ble NCLT posted the matter to April 21, 2026. On April 21, 2026, the NCLT was apprised about the pendency of the appeal before the Hon'ble NCLAT filed by UVARCL, in light of the same, an adjournment was sought and the next date of hearing is on July 16, 2026.

4. Pursuant to strategic transformation programme, as a part of asset monetization and resolution plan of the Corporate Debtor, the Corporate Debtor and its subsidiary companies – RTL and RITL (ceased to be a subsidiary w.e.f December 22, 2022), with the permission of and on the basis of suggestions of the lenders, had entered into a master agreement dated 28 December, 2017 with Reliance Jio Infocomm Limited (RJio) for monetization of certain specified assets, including Wireless Spectrum, Towers, Optical Fibre and Media Convergence Nodes (MCNs). The relevant Reliance entities and RJIO have entered into separate transfer agreements for the sale of the aforesaid assets. Vide a termination agreement dated 18 March, 2019, the asset transfer agreements were terminated by mutual consent on account of various factors and developments as recorded in the termination agreement, excluding the escrow agreement and certain provisions of the master agreement from the ambit of the termination.

On completion of the corporate insolvency resolution process, the Group will carry out a comprehensive review of all the assets including investments, balances lying in Goods and Service Tax, liabilities and accordingly provide for impairment of assets and write back of liabilities, if any. The Auditors have drawn qualification in this regard in their Audit report for the quarter and year ended March 31, 2026.

The Corporate Debtor had filed applications with the DoT for migration of various telecom licenses [Universal Access Service License (UASL), National Long Distance (NLD) and International Long Distance (ILD) licenses] to the Unified License regime (UL) on October 25, 2020 (17 of which were supposed to expire on July 19, 2021). On June 15, 2021, the DoT has issued a letter to the Corporate Debtor requiring payments of various categories of certain amounts such as 10% of the AGR dues, deferred spectrum installments falling due within the CIRP period, etc. against the telecom licenses, stating such dues to be in the nature of "current dues" and prescribing such payment as a pre-condition to the consideration/processing of the migration applications ("DoT Letter"). On June 25, 2021, the Corporate Debtor has issued a letter to DoT clarifying that the various categories of dues stipulated by the DoT are not in the nature of the "current dues" and are to be resolved within the framework of the Code (being dues that pertain to the period prior to May 7, 2019) and/ or are not payable at present, and requesting that making payments against the said dues should not be mandated as a pre-condition for further processing of the migration applications filed by the Corporate Debtor.

In light of the urgency of the matter, the RP had filed an application before the NCLT in both RCOM and RTL praying that the DoT inter alia be restrained from taking any action which may interfere with the continued holding of the telecom spectrum of the Corporate Debtor. The NCLT had adjourned the matter following which the RP had thereafter filed a writ petition in the Delhi High Court seeking issuance of an appropriate writ, order or direction in the nature of mandamus directing the DoT to migrate the telecom licenses to UL without the insistence on the payment of the dues set out in DoT Letter. The Delhi High Court, on July 19, 2021, passed an interim order that *"till the next date, the respondent is directed to not take any coercive action against the petitioner for withdrawal of the telecom spectrum granted to the petitioner in respect of 18 service areas, as also to permit the petitioner to continue providing telecom services in the 18 service areas which are subject matters of the present petition."* On July 20, 2021, the writ petition hearing concluded and order was passed by the Delhi High Court permitting the withdrawal of the writ petition with direction that the issue on "current dues" should be decided by the NCLT and extending the protection under the July 19, 2021 order by further 10 days.

In view of the aforesaid, the NCLT was apprised of the order of the Delhi High Court and the NCLT has, as an interim measure, extended the ad interim protection granted by the Delhi High Court until the next date of hearing. Further, on August 12, 2021, the NCLT has directed that the interim orders shall continue until the next date of hearing. The issue under consideration by the NCLT relates to whether the dues being claimed by DoT in its letter of June 15, 2021 for the purposes of processing the license renewal/migration applications of the Corporate Debtor are in the nature of "current dues" (within the meaning of the Explanation to Section 14(1) of the Code) and therefore, payable during the CIRP period. The application was listed on various occasions before the NCLT; however effective hearing did not take place due to paucity of time. Matter was last listed on April 21-22, 2026 and the next date of hearing is June 10, 2026.

Simultaneously, a petition has been filed before the Telecom Disputes Settlement and Appellate Tribunal ("TDSAT") bearing T.P. No. 31 of 2021 seeking directions for migration of the telecom licenses, in view of the Guidelines for Grant of Unified License dated March 28, 2016 issued by the DoT, not prescribing pre-condition for any payment to be made prior to the migration of the telecom licenses. The TDSAT, on September 23, 2021, has directed that *"The interim arrangement shall be considered further after receipt of the order of NCLT. However, till then let the status quo be maintained in terms of initial order of Delhi High Court passed on 19.7.2021 which has continued thereafter by further order of the High Court followed by orders of NCLT."* On March 15, 2022, the TDSAT granted time for filing rejoinder and continued the interim order dated September 23, 2021. On July 29, 2024 where the counsels apprised the TDSAT that matter is still pending in NCLT. The matter was last listed on March 30, 2026 and the next date of hearing is on July 27, 2026.

Further, an application was filed by RCOM with the DOT for migration of license from UASL to UL regime in Jammu and Kashmir Circle on April 19, 2023, which was to be expired on September 05, 2024. This license was not included in the above petition and accordingly, another petition bearing T.P. No. 44 of 2024 was filed before the Hon'ble TDSAT seeking similar directions for Jammu and Kashmir circle. An interim order dated September 10, 2024 has been issued in this matter in favour of RCOM directing DOT to not take any coercive action against RCOM, and continuing RCOM's United Access Service License till the next date of hearing. The interim order was continued from time to time. On February 7, 2024, the TDSAT extended the interim order during the pendency and final hearing of the Telecom Petition. The matter was last listed on March 30, 2026 and the next date of hearing is on July 27, 2026.

Similarly, in case of RTL, the RP had filed an application in the NCLT and a petition before the TDSAT bearing T.P. No. 39 of 2021 seeking direction to DOT to migrate its license from UASL to UL (which matters are heard together with the RCOM license migration matters). On September 23, 2021, the TDSAT had directed that *"Since the matters are similar in nature, in the interest of justice and uniformity the interim order of status quo as operating in TP No. 31 of 2021 shall operate in this matter also till the next date. It will be in the interest of petitioner to expedite the proceeding pending before the NCLT and try its best to produce the orders passed by that Tribunal by the next date."* The TDSAT by its order dated March 15, 2022 extended the interim order during the pendency of the petitions. On July 29, 2024, the counsels apprised the TDSAT that matter is still pending in NCLT. The matter was last listed on March 30, 2026 and the next date of hearing is on July 27, 2026. For NCLT, the next date of hearing is on June 10, 2026.

Further, Telecom Petition No. 9 and 10 of 2024 were filed on behalf of RCOM against the impugned demand notices for FY 2015-16 to FY 2023-24 seeking alleged shortfall of license fee paid by RCOM. On May 09, 2024, both the Telecom Petitions were listed before the TDSAT on which date, TDSAT was pleased to restrain the DoT from encashing the Bank Guarantees ("BGs") of the Corporate Debtor except to the extent of Rs. 49 crores, which was the amount under challenge in the Telecom Petitions. Aggrieved by the order dated May 09, 2024, the Corporate Debtor filed a Writ Petition under Article 227 of the Constitution of India before the Hon'ble Delhi High Court. Meanwhile BGs to the tune of Rs. 2 crores were encashed by DoT. On May 14, 2024 the Hon'ble Delhi High Court had directed the DoT to not encash the remaining BGs which had not been encashed till May 17, 2024. Further, on May 17, 2024, TDSAT has granted a stay on the encashment of BGs of RCOM by the DoT, until further orders in TDSAT Petitions and the stay continues till the pendency of the petitions and this matter was last listed on February 26, 2026 and the next date of hearing is on May 28, 2026. As per notification dated May 25, 2026, matters to be listed on May 28, 2026 have been renotified on May 29, 2026.

Additionally, the RP has also filed another telecom petition bearing T.P. No. 34 of 2024 before the TDSAT challenging the vires of (i) Office Memorandum dated 09.10.2019 and; (ii) Office Memorandum dated 18.10.2022 ("**Impugned Office Memorandums**") with respect to adjustment of surplus license fees, issued by the DoT to the extent that they:

- (a) Restrict companies undergoing insolvency from claiming surplus adjustment only after Financial Years 2021-22; and
- (b) Permit adjustment of surplus payments only after the assessment has been finalised by the DoT.

On August 21, 2024, DoT sought time to file their counter affidavit in the matter. The RP was permitted to file a rejoinder to the counter affidavit. This matter was last listed on February 26, 2026, and the next date of hearing is on May 28, 2026.

Considering these developments including, in particular, the RP having taken over the management and control of the Corporate Debtor and its subsidiaries, i.e. RTL and RCIL (with RCIL presently being under the management and control of the monitoring committee constituted in terms of its resolution plan which was approved by the NCLT on December 19, 2023 and the resolution plan implementation being still pending) ("**Corporate Debtor**") inter alia with the objective of running them as going concerns, the standalone financial results continue to be prepared on going concern basis. Since the Corporate Debtor continues to incur losses, current liabilities exceed current assets and Corporate Debtor has defaulted in repayment of borrowings, payment of regulatory and statutory dues and pending renewal of telecom licenses, these events indicate that material uncertainty exists that may cast significant doubt on Corporate Debtor's ability to continue as a going concern. The Auditors have drawn qualification in their Audit report for the quarter and year ended March 31, 2026.

5. Considering various factors including admission of the Corporate Debtor and its subsidiaries, RTL and RCIL to CIRP under the Code, there are various claims submitted by the operational creditors, the financial creditors, employees and other creditors. The overall obligations and liabilities including obligation for interest on loans and the principal rupee amount in respect of loans including foreign currency denominated loans shall be determined during the CIRP and accounting impact, if any, will be given on completion of CIRP and implementation of the approved resolution plan.

8. The Hon'ble Supreme Court of India, vide its order dated October 24, 2019 had dismissed the petition filed by the telecom operators and agreed with the interpretation of the Department of Telecommunications (DoT) to the definition of Adjusted Gross Revenue (AGR) under the license.

On September 01, 2020, the Supreme Court pronounced the judgement in the AGR matter ("**SC Judgement**"). It has framed various questions in respect of companies under insolvency and in respect of such questions, the Court has held that the same should be decided first by the NCLT by a reasoned order within 2 months, and that it has not gone into the merits in this decision.

The RP of the Corporate Debtor and Reliance Telecom Limited (RTL) had filed intervention applications before the NCLAT in the appeal filed by the DoT against the resolution plan approval orders of the Aircel companies (wherein the NCLAT was adjudicating on the questions framed by the Hon'ble Supreme Court in the SC Judgement). The RP had also filed written legal submissions in this regard with the NCLAT. The Hon'ble NCLAT has pronounced its judgement dated April 13, 2021 setting out its findings on the questions framed in the SC Judgement. The RP has filed appeals in respect of the Corporate Debtor and RTL against the judgement of the NCLAT before the Supreme Court. On August 2, 2021, the appeals were listed when the bench issued notice in the matter and tagged the same with Civil Appeal No 1810 of 2021 (being the appeal filed by the COC of Aircel companies) and also allowed the application seeking permission to file the civil appeal. On February 22, 2022, the Supreme Court granted a period of six weeks to the DoT to file counter affidavit. The matter was listed on May 2, 2022 wherein the SC directed the matter to be tentatively listed in the third week of July 2022. The matter was mentioned on August 5, 2022, for early listing for arguments, but the Supreme Court directed the matter to be listed after eight weeks. The matter was thereafter listed on October 11, 2022, on which date, the Supreme Court directed that the matter be listed after six weeks. Further, the Supreme Court stated that the parties were to file a common compilation post discussion with each other, and file brief written submissions within a period of six weeks. Thereafter, Justice Nazeer J retired and the matter came up for listing before a reconstituted bench comprising Justice V. Ramasubramaniam and Justice Pankaj Mittal on February 21, 2023. However, the matter was not taken up due to paucity of time and was tentatively listed on May 10, 2023. Since the matter was not reflected in the list for May 10, 2023, it was mentioned by the counsel for RP and the Bench directed listing on July 18, 2023.

The matter was listed on July 18, 2023 before a bench comprising Justice Sanjiv Khanna and Justice Bela M Trivedi, and once again it was not taken up due to paucity of time. The matter was mentioned on August 4, 2023 for listing on the shortest possible date and the Bench directed listing on any Tuesday, but no specific date was allotted. The appeals were thereafter listed on September 12, 2023 but could not be heard due to paucity of time. Aircel Monitoring Committee has filed an application seeking sale of right to use spectrum subject to proceeds being kept in escrow account, which shall be subject to outcome of the

Supreme Court matter. RCOM and RTL RP has also filed applications seeking similar dispensation for RCOM and RTL as well. Further, DoT was asked to file reply within two weeks to the application filed by Aircel Monitoring Committee (I.A. No. 186218/2023 in Civil Appeal No. 2263/2021) vide order dated September 18, 2023 and the DoT has accordingly filed its reply on October 9, 2023.

The appeals were mentioned before the Hon'ble Supreme Court, on July 10, 2024 and it was requested that the said appeals not be deleted from the cause list of August 02, 2024. Hon'ble Justice Khanna took note of the same and directed that the appeals may not be deleted from cause list dated August 02, 2024. However, on August 02, 2024 all matters listed were adjourned. Accordingly, the appeals were listed on August 20, 2024 before a bench comprising of comprising of J. Sanjiv Khanna and J. Sanjay Kumar. When the appeals were called out, the Bench notified the set of appeals to be listed in the week commencing from September 02, 2024 for further consideration. The Bench also remarked that the matter be listed before a Bench where one of the judges in the current bench (J. Sanjay Kumar) is not a member.

The appeals were thereafter listed before a bench comprising of Hon'ble Justice Pamidighantam Sri Narasimha and Hon'ble Justice Sandeep Mehta on September 03, 2024. On September 03, 2024, the bench was pleased to admit the captioned appeal alongside the connected appeals and list them for final hearing in the week commencing from October 14, 2024. However, the appeals did not appear in the list in the week commencing from October 14, 2024 and were thereafter listed on October 23, 2024. On October 23, 2024, the bench heard a background of the matter, and a description of key issues involved therein. The bench directed that the matter be listed before it in the week commencing from November 04, 2024. Subsequently, the newly appointed Hon'ble Chief Justice of India passed a notification dated November 16, 2024 vide which it was directed that no regular matters shall be taken up for hearing until further orders. Thus, as per the directions of the Chief Justice of India, the above appeals along with other regular matters were not being listed for hearing for some time.

Upon the recommencement of the listing of regular matters, a letter of urgency dated January 08, 2025 was filed before the Registrar, Supreme Court of India seeking urgent listing of the above appeals. On January 10, 2025, counsel for the RP apprised the Ld. Bench about the urgency in the matters and sought an early listing of the appeals. Accordingly, the matter was listed for further hearing on January 16, 2025. The appeals did not reach on January 16, 2025 and accordingly the matter was listed on January 23, 2025. On January 23, 2025, the appeals could not reach. At the time of rising of the Bench, the Bench clarified that the appeals will be rolled over to next Thursday. On January 30, 2025, the appeals could not be listed due to paucity of time. The counsel for RP mentioned the appeals and sought for the appeals to be listed high on board next Thursday. Accordingly, the Bench stated that they shall consider the request and appeals may be listed on February 06, 2025. On February 06, 2025, the bench did not preside and accordingly the matter was not heard. On February 15, 2025, a letter of urgency was filed and consequently the matter was mentioned on February 17, 2025. The mentioning was allowed and the matter was listed on February 20, 2025. However, due to paucity of time, the matter could not reach and it was rolled over to next week. Subsequently, the matter did not come up on February 27, 2025, thus, the matter was once again orally mentioned seeking urgent listing, to which Hon'ble Bench remarked that they shall consider the same. The matter was thereafter mentioned again on March 27, 2025, where the Hon'ble Bench passed an order stating that the matter would be taken up in April 2025. On April 22, 2025, it was enquired from the Registry of the Hon'ble Supreme Court regarding the listing of the same, to which the Registry responded that since the matters which had been given a specific date had exceeded the allowed number of matters.

the captioned appeal was not listed on Thursday's list. The matter was mentioned again before the Hon'ble Court and the request was not accommodated. Thereafter, on May 08, 2025, the appeals were mentioned and early listing was sought. *Vide* the order dated May 08, 2025, the appeals stood listed on July 24, 2025. However, the appeals could not be taken up on July 24, 2025 and was scheduled to be listed on July 30, 2025. The Hon'ble Supreme Court on July 30, 2025 has directed the appeals to be listed two weeks thereafter. The appeals were thereafter listed on September 25, 2025 wherein arguments in detail were commenced. Thereafter, the Supreme Court listed the appeals for 08 October 2025 for continuation of the arguments. On October 08, 2025 detailed submissions were continued by the RP counsel and SBI's counsel. Counsel for DOT sought an adjournment when it had to commence its arguments. The matter was listed for November 06, 2025 prior to which DOT counsel moved an adjournment slip on November 04, 2025 on account of unavailability of the Attorney General and the same was objected to by the RP Counsel. On November 06, 2025, the Supreme Court has directed that the matter be listed the week thereafter. The matter was thereafter listed on November 11, 2025 on which date it was heard at length and was further posted to November 12, 2025 for completion of arguments. On November 12, 2025 the matter was taken up and post completion of arguments on all sides, the same was reserved for orders. By way of judgement dated February 13, 2026, the Hon'ble Supreme Court *inter-alia* held that the spectrum allocated to telecom service providers and shown in their books of account as an "asset" cannot be subjected to proceedings under the Code and dismissed the appeals filed by the IRP of RCOM and RTL. Against the above order, State Bank of India and RP have filed separate review petitions which are yet to be listed.

The DoT had during the pendency of the various proceedings simultaneously directed Special Audit in relation to the computation of License fee, Spectrum fee, applicable interest and penalties thereon, which is under progress for the financial year 2015-16 onwards. In this regard, the Corporate Debtor had provided for estimated liability aggregating to Rs. 55,290 crores up to the previous year ended March 31, 2025 and has provided additional charge of Rs. 2,234 crores and Rs. 8,475 crores during the quarter and year ended March 31, 2026, respectively and shown as exceptional items relating to discontinued operations which may undergo revision based on demands from DoT and/ or any developments in this matter.

Considering various factors including admission of the Corporate Debtor and its subsidiary RTL to resolution process under the Code and the moratorium applicable under Code, discharge of the aforesaid liability will be dealt with in accordance with the Code (subject to orders in the relevant judicial proceedings). This matter has been referred to by the Auditors in their Audit report for the quarter and year ended March 31, 2026.

Further to receipt of a copy of the filings made before the Hon'ble Delhi High Court in the aforesaid matter, the Corporate Debtor and RTL had provided information to the forensic auditor during the period from March 2021 to November 2021 and it is not yet ascertained if the report incorporates and has considered such information. RP however has maintained that the Corporate Debtor and RTL is undergoing corporate insolvency resolution process in terms of the Code and the forensic audit report prima facie appears to pertain to the period prior to the corporate insolvency resolution process, the Corporate Debtor and RTL has already responded to the letter that the proceedings and the classification of the Corporate Debtor and RTL as a fraud is barred during the prevailing moratorium under Section 14 of the Code and protection is available in terms of Section 32A of the Code and accordingly, no action should lie against the Corporate Debtor and RTL for classification as fraud and notice against the Corporate Debtor should be withdrawn and the RP, Corporate Debtor and RTL shall have a limited responsibility to only share any information sought from it.

Similar to the letter received on August 7, 2023, Corporate Debtor has also received another letter dated May 7, 2024 from another bank, where the bank has indicated, that with respect to the loan account of the Corporate Debtor, it has conducted a forensic audit wherein element of fraud is identifiable and before coming to final conclusion basis the forensic audit report dated October 15, 2020, the bank has provided an opportunity to the Corporate Debtor to submit its representation as to why the Corporate Debtor's account should not be classified as 'fraud' in terms of the 'Master Directions on Frauds – Classification and Reporting by Commercial Banks and Select FIs' dated July 1, 2016 issued by Reserve Bank of India. On receipt of the said letter, while the Corporate Debtor has made necessary disclosures to the relevant stock exchange in accordance with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Corporate Debtor has also issued a response to the letter dated May 7, 2024 maintaining a similar stance (as against the letter dated August 7, 2023) *inter alia* citing that the Corporate Debtor is undergoing corporate insolvency resolution process in terms of the Code and the forensic audit report prima facie appears to pertain to the period prior to the corporate insolvency resolution process and hence any classification of the loan accounts of the Corporate Debtor as a fraud during its ongoing CIRP is barred during the prevailing moratorium under Section 14 of the Code and protection is available in terms of Section 32A of the Code and accordingly, no action should lie against the Corporate Debtor for classification as fraud and notice against the Corporate Debtor should be withdrawn. Currently, there is no impact of such notices/letter issued from banks, in the standalone financial results. The Auditors have drawn qualification in their Audit report for the quarter and year ended March 31, 2026.

23. During the earlier year, on October 16, 2023, the Hon'ble Supreme Court of India had pronounced a judgement regarding the treatment of AGR paid to DoT since July 1999, as capital in nature and not revenue expenditure for the purpose of computation of taxable income in a matter to which the Company is not a

party. The Company has applied for renewal of its license as stated in Note 4 above. The terms of renewed license regime are different from those of the licenses dealt with in the aforesaid judgement. Further, there have been no disallowances in earlier years, by the tax authorities, on the AGR payments claimed by the Company as revenue expenditure in its tax filings. In the absence of any claim by the tax authorities against the Company and/ or directions or clarifications from the income tax department in this regard, no adjustments have been made to these standalone financial results for the quarter and year ended March 31, 2026.

24. Bonn Investment Inc. ("**Bonn**"), a US entity and a subsidiary of Reliance Infocomm Inc. ("**RII**"), USA, a step-down subsidiary of RCOM, held an apartment at 400 W 12th Street #4EF New York, NY 10014 ("**Property**"). During the previous year, in August 2023, the director of Bonn, sold the Property to a third party, without any authorization from or intimation to its shareholders (including RCOM) for a value of USD 8.34 million. The Resolution Professional noted this transaction in the financial statements of Bonn for the period ended September 30, 2023 received from the director for consolidation purposes. Further, on April 23, 2024, through the auditor of Bonn, the Resolution Professional and Company were made aware of an investment agreement between Bonn and AZCO Realty, UAE. It is observed that vide said investment agreement, Bonn (through its director) agreed to invest USD 25 million in AZCO Realty ("**AZCO**") and Bonn has already made investment of USD 8.2 million from the sale proceeds of the Property, which is reflected as Advance towards other Investment (1st Tranche). As per the terms of agreement, Bonn has agreed to invest remaining amount before May 26, 2024 with AZCO. The Agreement further states that, if Bonn fails to remit the remaining amount to AZCO on or before May 26, 2024, the investment agreement shall be automatically nullified and Bonn shall have no rights to claim back the amount already invested, i.e. USD 8.2 million, which is part of the sale proceeds of the Property. This entire transaction did not have approval from the shareholders (including RCOM). The Company sent a notice to the director seeking clarification regarding the same but has not received any credible explanation so far. Accordingly, and in view of the above unauthorized and potentially fraudulent actions, the Company has removed the said director from the directorship of all US subsidiaries of RCOM including Bonn on August 21, 2024 and has appointed a new director in her place on the same date (as applicable).

The new Director was interacting with the removed director and asked questions on the transactions directly/through counsel, but the response from removed director remains elusive. Further, Bonn (through the newly appointed director) has been in the process of examining the legal remedies for the actions taken by the said erstwhile director as well as for recovery of the advance against investment given to AZCO. As the director of Bonn is hopeful about the recovery of the advance against investment given to AZCO, no provision has been made in financial statements. Furthermore, Bonn (through the newly appointed director) had also commissioned a digital analysis of the various email correspondence exchanged by the erstwhile director of Bonn, with the erstwhile director / erstwhile management of the Company, to further investigate the unauthorised and potentially fraudulent sale and investment transaction undertaken by the erstwhile director of Bonn (including the circumstances / motive behind the same) as well as to ascertain the role of any other individuals involved in the matter. The final report in this regard has been received and the entire report was examined by the relevant stakeholders and their advisors, for any further action to be taken pursuant to the findings in the report. In particular, this report highlighted the involvement of a director of RCOM (powers suspended) in authorizing the sale of the said Property. Basis the same, RP has issued an email communication dated February 6, 2025 to the said director of RCOM, seeking his response on his involvement in the above potentially fraudulent transaction. On February 14, 2025, the director vide his

email denied the allegations without providing any further justification. On February 21, 2025, the said director of RCOM *vide* his email requested copies of all information and correspondence relied upon by the RP in connection with the email communication dated February 6, 2025 sent by the RP. The same were provided by the RP *via* email communication dated March 03, 2025 along with a suitable reply to the said director of RCOM. The said director of RCOM *vide* his letter dated April 1, 2025 has tendered his resignation.

Meanwhile, the RP has also made his determination on March 25, 2025 regarding the action of the said director of RCOM amounting to fraudulent trading under Section 66(1) of the Code. Thereafter, the RP has filed an application under Section 66(1) of the Code on March 26, 2025 before the Hon'ble NCLT seeking appropriate relief against the said director of RCOM. The said application was listed on June 25, 2025 and notice was issued to the respondent, and the matter was listed before the Hon'ble NCLT on July 29, 2025. On July 29, 2025, the Hon'ble NCLT granted 3 weeks' time to the Respondent to file a reply and the matter was next listed on August 21, 2025. On August 21, 2025, the Hon'ble NCLT gave last opportunity to the Respondent to file a reply and listed the matter on September 22, 2025. On September 22, 2025, the matter was adjourned to October 15, 2025 and the same was subsequently posted to November 11, 2025. On November 11, 2025, the counsel for the respondent sought some time to review the rejoinder filed by RCOM, and accordingly the matter was adjourned to November 25, 2025. On November 25, 2025, the Hon'ble NCLT took note that the pleadings are complete in the matter and further adjourned the matter to December 16, 2025 for arguments. On December 16, 2025, parties made detailed submissions before the Hon'ble NCLT and the matter was adjourned to January 05, 2026 for written submissions.

On January 05, 2026, the Hon'ble NCLT took on record the written submissions and the matter was reserved for orders. By way of order dated March 10, 2026, the Hon'ble NCLT dismissed the application observing that the alleged transaction cannot be impugned in terms of section 66 of the Code, and no order can be passed by this tribunal in view of its limitation to deal with misconduct of suspended board members, if any, in the affairs of subsidiary company of a Corporate Debtor after commencement of CIRP. Aggrieved by the order, the RP has filed an appeal before the Hon'ble NCLAT, which was first listed on May 15, 2026, wherein the Bench was pleased to condone the delay in the filing of the appeal. Last hearing was on May 25, 2026 and the next date of hearing is on May 29, 2026. Meanwhile, on January 21, 2026, the director of Bonn, Mr. Lalit Mathur has resigned from his position of directorship from all US subsidiaries of RCOM including Bonn. The RP of the Corporate Debtor is in the process of identifying individual(s) who may be appointed as his replacement. Unaudited financial statements of Bonn have been prepared on a going concern basis and considered for the purpose of consolidated financial results. Tax return for the financial year ended March 31, 2024 has been filed and tax liability of Bonn of USD 546,196 has been paid during the previous year inclusive of interest and penalties till the date of payment. The Auditors have drawn qualification in this regard in their Audit report for the quarter and year ended March 31, 2026.

25. During the previous year, as part of a routine compliance check carried out by the Corporate Debtor on December 04, 2024, from the official website of Accounting and Corporate Regulatory Authority (ACRA), it has come to its attention that the status of Gateway Net Trading PTE Limited, Singapore (GNTPL), an overseas step down subsidiary of RCOM, is appearing as struck off under its profile. Accordingly, Loss on de-subsidiarisation including provision of Rs 0.47 crores during the previous year ended March 31, 2025, had been shown as Exceptional Items in the standalone financial results.

26. During the year ended March 31, 2026, the Directorate of Enforcement (ED) and the Central Bureau of Investigation (CBI) conducted searches at the premises of Reliance Communications Limited (RCOM). Thereafter, the ED has also issued summons to the RP and certain KMP's of RCOM for tendering their statements before the ED as well as sought the production of the documents / information requested by the ED.

Further, the Company has received Provisional Attachment Order No. 36 of 2025 dated November 3, 2025, and Order No. 32 of 2025 dated October 31, 2025, from the Directorate of Enforcement (ED), pertaining to provisional attachment of certain assets of Reliance Realty Limited (RRL) and Campion Properties Limited (CPL), respectively, in terms of the provisions of the Prevention of Money Laundering Act, 2002 (PMLA). In compliance with its regulatory obligations, the Company has informed the stock exchanges about the provisional attachment of the assets in these subsidiaries of RCOM by the ED and that such provisional attachment may adversely affect the value of the group's assets during the subsistence of these orders. Separately, the Company also received Provisional Attachment Order No. 40 of 2025 dated November 19, 2025 pertaining to assets of RCOM and RRL, and the same has also been informed to the stock exchanges in compliance with the regulatory obligations.

RRL and CPL filed writ petitions against the attachment of the above properties before the Hon'ble Delhi High Court. On the first hearing on January 23, 2026, the Hon'ble Court enquired whether the petitions would be maintainable in New Delhi and why they should not be heard before the Hon'ble Bombay High Court. Upon hearing CPL and RRL on the point of maintainability of the writ petitions in New Delhi during the hearing on January 29, 2026, the Hon'ble Court was satisfied that it possessed the territorial jurisdiction to hear the matters. However, the ED objected to the maintainability of the writ petitions, considering an alternative remedy available under PMLA. The parties were directed to file brief notes along with judgments to justify the lack of alternative and efficacious remedy and the matter was listed for February 02, 2026. CPL and RRL filed a common brief note along with a compilation of judgments in compliance with the said order.

During the hearing on February 02, 2026, CPL and RRL addressed the Hon'ble Court on the lack of an alternative and efficacious remedy under PMLA to challenge the provisional attachment orders.

Thereafter, during the hearing on February 09, 2026, ED submitted its instructions which stated "*Without prejudice to the rights and contentions of the Directorate of Enforcement and without in any manner conceding on any questions of law, since the properties are provisionally attached under section 5 of PMLA, the status quo with regard to the pre-existing leases as on the date of provisional attachment may continue till the Adjudicating Authority passes an order under section 8 of PMLA.*" CPL and RRL objected to the same, stating that in addition to the subsisting leases, fresh leases on vacant properties should also be allowed. The matter was partially heard and listed on the next day, i.e., February 10, 2026. On the next date, detailed arguments were heard on the right to enjoyment of property during provisional attachment under Section 5 of PMLA and the right to renew leases and/or enter into fresh leases. While disposing of the writ petitions vide its order dated February 10, 2026, the Hon'ble High Court has observed that the provisional attachment would subsist for a maximum period of 180 days and would continue thereafter only if confirmed by the Adjudicating Authority, PMLA under Section 8. At the same time, it has also recorded the submissions of CPL and RRL that if they are not permitted to lease the properties in the interregnum,

their very existence would be at peril. The Hon'ble Court, after considering the applicable provisions, passed the following order:

- "4. The Court has examined the applicable legal provisions and finds that, without prejudice to the rights and contentions of the parties and without, in any manner, rendering any final findings on any question of law, since the properties are provisionally attached under Section 5 of the PMLA, status quo with regard to pre-existing leases as on the date of provisional attachment requires to be maintained. The same, however, will not deter the petitioners from renewing the subsisting leases. This arrangement, prima facie, does not contravene any of the applicable legal provisions. The arrangement, however, shall be subject to the following conditions: -
- i. The petitioners will have to specifically incorporate a condition in the lease deed that the renewal is subject to the orders to be passed by the Courts/authorities.
 - ii. A copy of the lease deed will have to be necessarily furnished to the respondents within a period of two weeks from its execution.
5. This order deals with the pressing urgency which has been expressed during the course of hearing, however, leaves all issues to be adjudicated at an appropriate stage.
6. Under the peculiar circumstances, it would be appropriate to expedite the proceedings by the Adjudicating Authority under Section 8(2) of PMLA."

Thereafter, proceedings for confirmation of the above provisional attachment orders continued before the Adjudicating Authority, PMLA, viz, Original Complaint (OC) Nos. 471, 475 and 507 of 2025 pertaining to Provisional Attachment Order Nos. 32, 36 and 40 of 2025 respectively. Replies were filed on behalf of RRL, CPL and RCOM. The ED filed its rejoinders to the replies by CPL, RRL and RCOM respectively, wherein it filed fresh documents that did not form part of the provisional attachment orders or the relied upon documents (RUDs) filed with the original complaints under Section 5(5) of PMLA. CPL, RRL and RCOM filed miscellaneous applications dated March 25, 2026 before the Adjudicating Authority objecting to the filing of fresh documents at this stage, and contending that the ED was attempting to improve its original case through subsequent filings.

Thereafter, written submissions were filed by CPL, RRL and RCOM in all the three proceedings on March 31, 2026. The matters were finally heard by the Adjudicating Authority, PMLA in a common hearing for OC Nos. 471, 475 and 507 of 2025 on April 07, 2026. Thereafter, vide final orders dated April 10, 2026, the Adjudicating Authority, PMLA confirmed all three provisional attachment orders under Section 8(3) of PMLA. The orders have also directed that the attachment shall remain in force during the investigation for a period not exceeding three hundred and sixty-five days or until the conclusion of the proceedings related to any offense under PMLA before the Special Court under PMLA. The attachments have been confirmed on the basis, *inter alia*, that the properties attached are direct proceeds of crime under Section 2(1)(u) of PMLA and are involved in money laundering. In compliance with its regulatory obligations, the Company has informed the stock exchanges about the confirmation of Provisional Attachment Order Nos. 32, 36 and 40 of 2025 by the Adjudicating Authority and that the attachment of assets of the Company and its subsidiaries may have an adverse impact during the subsistence of these orders.

The Company has also received Provisional Attachment Order No. 19 of 2026 dated March 11, 2026 from the ED, pertaining to provisional attachment of its assets in terms of the provisions of the PMLA. Thereafter,

Further, the erstwhile director has been arrested by the ED on January 30, 2026 in connection with ongoing investigation relating to bank fraud and money laundering under provision of Prevention of Money Laundering Act, 2002.

In terms of the order passed by the Supreme Court in WP (Civil) No 1217/2025 on February 04, 2026, it is noted that the Supreme Court has taken cognizance of and is seized of the matter pertaining to investigation by ED and CBI regarding allegations inter alia pertaining to the Company.

The respective Board of Directors/Resolution Professional/Monitoring Committee of the companies included in the Group and of its associates is responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors / Resolution Professional / Monitoring Committee.
- Conclude on the appropriateness of the Board of Directors / Resolution Professional / Monitoring Committee use of the going concern basis of accounting and, based on the audit evidence obtained,

whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its associates to express an opinion on the consolidated financial results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial results may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial results.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

1. Pursuant to an application filed by Ericsson India Pvt. Ltd before the National Company Law Tribunal, Mumbai Bench ("**NCLT**") in terms of Section 9 of the Insolvency and Bankruptcy Code, 2016 read with the rules and regulations framed thereunder ("**Code**"), the NCLT had admitted the application and ordered the commencement of corporate insolvency resolution process ("**CIRP**") of Reliance Communications Limited ("**Corporate Debtor**", "**the Company**" or "**RCOM**") vide its order dated May 15, 2018. The NCLT had appointed Mr. Pardeep Kumar Sethi as the interim resolution professional ("**IRP**") for the Corporate Debtor vide its order dated May 18, 2018. The Hon'ble National Company Law Appellate Tribunal ("**NCLAT**") by an order dated May 30, 2018 had stayed the order passed by the Hon'ble NCLT for initiating the CIRP of the Corporate Debtor and allowed the management of the Corporate Debtor to function. Subsequently, by order dated April 30, 2019, the Hon'ble NCLAT allowed stay on CIRP to be vacated. On the basis of the orders of the Hon'ble NCLAT, Mr. Pardeep Kumar Sethi, wrote to the management of the Corporate Debtor on May 02, 2019 requesting the charge, operations and management of the Corporate Debtor to be handed over back to IRP. Subsequently, upon application by the CoC in terms of Section 22(3) of the Code, the NCLT appointed Mr. Anish Niranjana Nanavaty as the resolution professional for the Corporate Debtor ("**RP**") vide its order dated June 21, 2019, which was published on June 28, 2019 on the website of the NCLT. 4. Pursuant to strategic transformation programme, as a part of asset monetization and resolution plan of the Corporate Debtor, the Corporate Debtor and its subsidiary companies - RTL and RITL (ceased to be a subsidiary w.e.f December 22, 2022), with the permission of and on the basis of suggestions of the lenders, had entered into a master agreement dated 28 December, 2017 with Reliance JioInfocomm Limited (RJio) for monetization of certain specified assets, including Wireless Spectrum, Towers, Optical Fibre and Media Convergence Nodes (MCNs). The relevant Reliance entities and RJIO have entered into separate transfer agreements for the sale of the aforesaid assets. *Vide* a termination agreement dated 18 March, 2019, the asset transfer agreements were terminated by mutual consent on account of various factors and developments as recorded in the termination agreement, excluding the escrow agreement and certain provisions of the master agreement from the ambit of the termination.

On completion of the corporate insolvency resolution process, the Group will carry out a comprehensive review of all the assets including investments, balances lying in Goods and Service Tax, liabilities and impairment of goodwill on consolidation and accordingly provide for impairment of assets and write back of liabilities, if any. The Auditors have drawn qualification in this regard in their Audit report for the quarter and year ended March 31, 2026.

The Corporate Debtor had filed applications with the DoT for migration of various telecom licenses [Universal Access Service License (UASL), National Long Distance (NLD) and International Long Distance (ILD) licenses] to the Unified License regime (UL) on October 25, 2020 (17 of which were supposed to expire on July 19, 2021). On June 15, 2021, the DoT has issued a letter to the Corporate Debtor requiring payments of various categories of certain amounts such as 10% of the AGR dues, deferred spectrum installments falling due within the CIRP period, etc. against the telecom licenses, stating such dues to be in the nature of "current dues" and prescribing such payment as a pre-condition to the consideration/processing of the migration applications ("DoT Letter"). On June 25, 2021, the Corporate Debtor has issued a letter to DoT clarifying that the various categories of dues stipulated by the DoT are not in the nature of the "current dues" and are to be resolved within the framework of the Code (being dues that pertain to the period prior to May 7, 2019) and/ or are not payable at present, and requesting that making payments against the said dues should not be mandated as a pre-condition for further processing of the migration applications filed by the Corporate Debtor.

In light of the urgency of the matter, the RP had filed an application before the NCLT in both RCOM and RTL praying that the DoT *inter alia* be restrained from taking any action which may interfere with the continued holding of the telecom spectrum of the Corporate Debtor. The NCLT had adjourned the matter following which the RP had thereafter filed a writ petition in the Delhi High Court seeking issuance of an appropriate writ, order or direction in the nature of mandamus directing the DoT to migrate the telecom licenses to UL without the insistence on the payment of the dues set out in DoT Letter. The Delhi High Court, on July 19, 2021, passed an interim order that *"till the next date, the respondent is directed to not take any coercive action against the petitioner for withdrawal of the telecom spectrum granted to the petitioner in respect of 18 service*

areas, as also to permit the petitioner to continue providing telecom services in the 18 service areas which are subject matters of the present petition." On July 20, 2021, the writ petition hearing concluded and order was passed by the Delhi High Court permitting the withdrawal of the writ petition with direction that the issue on "current dues" should be decided by the NCLT and extending the protection under the July 19, 2021 order by further 10 days.

In view of the aforesaid, the NCLT was apprised of the order of the Delhi High Court and the NCLT has, as an interim measure, extended the ad interim protection granted by the Delhi High Court until the next date of hearing. Further, on August 12, 2021, the NCLT has directed that the interim orders shall continue until the next date of hearing. The issue under consideration by the NCLT relates to whether the dues being claimed by DoT in its letter of June 15, 2021 for the purposes of processing the license renewal/ migration applications of the Corporate Debtor are in the nature of "current dues" (within the meaning of the Explanation to Section 14(1) of the Code) and therefore, payable during the CIRP period. The application was listed on various occasions before the NCLT; however effective hearing did not take place due to paucity of time. Matter was last listed on April 21-22, 2026 and the next date of hearing is on June 10, 2026.

Simultaneously, a petition has been filed before the Telecom Disputes Settlement and Appellate Tribunal ("TDSAT") bearing T.P. No. 31 of 2021 seeking directions for migration of the telecom licenses, in view of the Guidelines for Grant of Unified License dated March 28, 2016 issued by the DoT, not prescribing pre-condition for any payment to be made prior to the migration of the telecom licenses. The TDSAT, on September 23, 2021, has directed that "*The interim arrangement shall be considered further after receipt of the order of NCLT. However, till then let the status quo be maintained in terms of initial order of Delhi High Court passed on 19.7.2021 which has continued thereafter by further order of the High Court followed by orders of NCLT.*" On March 15, 2022, the TDSAT granted time for filing rejoinder and continued the interim order dated September 23, 2021. On July 29, 2024 where the counsels apprised the TDSAT that matter is still pending in NCLT. The matter was last listed on March 30, 2026 and the next date of hearing is on July 27, 2026.

Further, an application was filed by RCOM with the DOT for migration of license from UASL to UL regime in Jammu and Kashmir Circle on April 19, 2023, which was to be expired on September 05, 2024. This license was not included in the above petition and accordingly, another petition bearing T.P. No. 44 of 2024 was filed before the Honble TDSAT seeking similar directions for Jammu and Kashmir circle. An interim order dated September 10, 2024 has been issued in this matter in favour of RCOM directing DOT to not take any coercive action against RCOM, and continuing RCOM's United Access Service License till the next date of hearing. The interim order was continued from time to time. On February 7, 2024, the TDSAT extended the interim order during the pendency and final hearing of the Telecom Petition. The matter was last listed on March 30, 2026 and the next date of hearing is on July 27, 2026.

Similarly, in case of RTL, the RP had filed an application in the NCLT and a petition before the TDSAT bearing T.P. No. 39 of 2021 seeking direction to DOT to migrate its license from UASL to UL (which matters are heard together with the RCOM license migration matters). On September 23, 2021, the TDSAT had directed that "*Since the matters are similar in nature, in the interest of justice and uniformity the interim order of status quo as operating in TP No. 31 of 2021 shall operate in this matter also till the next date. It will be in the interest of petitioner to expedite the*

proceeding pending before the NCLT and try its best to produce the orders passed by that Tribunal by the next date." The TDSAT by its order dated March 15, 2022 extended the interim order during the pendency of the petitions. On July 29, 2024, the counsels apprised the TDSAT that matter is still pending in NCLT. The matter was last listed on March 30, 2026 and the next date of hearing is on July 27, 2026. For NCLT the next date of hearing is on June 10, 2026.

Further, Telecom Petition No. 9 and 10 of 2024 were filed on behalf of RCOM against the impugned demand notices for FY 2015-16 to FY 2023-24 seeking alleged shortfall of license fee paid by RCOM. On May 09, 2024, both the Telecom Petitions were listed before the TDSAT on which date, TDSAT was pleased to restrain the DoT from encashing the Bank Guarantees ("BGs") of the Corporate Debtor except to the extent of Rs. 49 crore, which was the amount under challenge in the Telecom Petitions. Aggrieved by the order dated May 09, 2024, the Corporate Debtor filed a Writ Petition under Article 227 of the Constitution of India before the Hon'ble Delhi High Court. Meanwhile BGs to the tune of Rs. 2 crore were encashed by DoT. On May 14, 2024 the Hon'ble Delhi High Court had directed the DoT to not encash the remaining BGs which had not been encashed till May 17, 2024. Further, on May 17, 2024, TDSAT has granted a stay on the encashment of BGs of RCOM by the DoT, until further orders in TDSAT Petitions and the stay continues till the pendency of the petitions and this matter was last listed on February 26, 2026 and the next date of hearing is on May 29, 2026.

Additionally, the RP has also filed another telecom petition bearing T.P. No. 34 of 2024 before the TDSAT challenging the vires of (i) Office Memorandum dated 09.10.2019 and; (ii) Office Memorandum dated 18.10.2022 ("**Impugned Office Memorandums**") with respect to adjustment of surplus license fees, issued by the DoT to the extent that they:

- (a) Restrict companies undergoing insolvency from claiming surplus adjustment only after Financial Years 2021-22; and
- (b) Permit adjustment of surplus payments only after the assessment has been finalised by the DoT.

On August 21, 2024, DoT sought time to file their counter affidavit in the matter. The RP was permitted to file a rejoinder to the counter affidavit. This matter was last listed on February 26, 2026, and the next date of hearing is on May 29, 2026.

Considering these developments including, in particular, the RP having taken over the management and control of the Corporate Debtor and its subsidiaries, i.e. RTL and RCIL (with RCIL presently being under the management and control of the monitoring committee constituted in terms of its resolution plan which was approved by the NCLT on December 19, 2023 and the resolution plan implementation being still pending) ("**Group**") inter alia with the objective of running them as going concerns, the consolidated financial results continue to be prepared on going concern basis. Since the Group continues to incur losses, current liabilities exceed current assets and Group has defaulted in repayment of borrowings, payment of regulatory and statutory dues and pending renewal of telecom licenses, these events indicate that material uncertainty exists that may cast significant doubt on Group's ability to continue as a going concern. The Auditors have drawn qualification in their Audit report for the quarter and year ended March 31, 2026.

5. Considering various factors including admission of the Corporate Debtor and its subsidiaries; RTL and RCIL to CIRP under the Code, there are various claims submitted by the operational creditors,

the financial creditors, employees and other creditors. The overall obligations and liabilities including obligation for interest on loans and the principal rupee amount in respect of loans including foreign currency denominated loans shall be determined during the CIRP and accounting impact, if any, will be given on completion of CIRP and implementation of the approved resolution plan.

Further, prior to May 15, 2018, the Corporate Debtor and its said subsidiaries were under Strategic Debt Restructuring (SDR) and asset monetization and debt resolution plan were being worked out. The Corporate Debtor and some of its subsidiaries have not provided Interest of Rs. 1,800 crore and Rs. 5,912crore calculated based on basic rate of interest as per terms of loan for the quarter and year ended March 31, 2026, respectively and foreign exchange (gain)/loss aggregating to Rs. 1,102 crore and Rs. 2,081 crore for the quarter and year ended March 31, 2026, respectively. Had the Group provided Interest and foreign exchange variation, the Loss would have been higher by Rs. 2,902 crore and Rs. 7,993crore for the quarter and year ended March 31, 2026 and Net Worth of the Group as on March 31, 2026 and March 31, 2025 would have been lower by Rs.47,748 crore and Rs. 39,755crore respectively. The Auditors have drawn qualification for non-provision of interest and foreign exchange variations in their Audit report for the quarter and year ended March 31, 2026. During the previous years, Interest of Rs. 35,241 crore and foreign exchange loss (net) aggregating to Rs. 4,514crore were not provided and the Auditors had drawn qualification in their audit reports for the financial years ended March 31, 2019, March 31, 2020 March 31, 2021, March 31, 2022, March 31, 2023, March 31, 2024, March 31, 2025 and March 31, 2026.

6. Assets held for sale including Wireless Spectrum, Towers, Optical Fibres and Media Convergence Nodes (MCNs) continue to be classified as held for sale at the value ascertained at the end of March 31, 2018, along with liabilities, for the reasons referred in Note No. 4 above and disclosed separately as discontinued operations in line with Ind AS 105 "Non-current Assets Held for Sale and Discontinued Operations".

In this regard it is pertinent to note that the dues pertaining to the spectrum (including entire deferred payments) have been claimed by DoT and the same have been admitted by the RP, and accordingly, the dues shall be dealt with in accordance with provisions of the Code. In accordance with the aforesaid and admission of deferred spectrum installments as claims, the Corporate Debtor and its subsidiary RTL have not paid the installments.

7. The consolidated financial result of discontinued operations is as under:

8. The Group has four overseas subsidiaries and certain domestic subsidiaries where, for the year ended March 31, 2026, losses have been incurred, total liabilities exceed total assets, and net worth has been fully eroded. Further, Reliance Communications Limited, the Holding Company, is undergoing Corporate Insolvency Resolution Process under the Insolvency and Bankruptcy Code, 2016. In respect of the four overseas subsidiaries, the auditors had issued a qualified opinion on the material uncertainty relating to going concern for the year ended March 31, 2025. For the year ended March 31, 2026, these overseas subsidiaries are unaudited. In respect of the certain domestic subsidiaries, the auditors have issued a qualified opinion on the material uncertainty relating to going concern for the year ended March 31, 2026. Additionally, the auditor of associate companies have included an Emphasis of Matter paragraph in their audit reports regarding material uncertainty relating to going concern. 9. The Hon'ble Supreme Court of India, vide its order dated October 24, 2019 had dismissed the petition filed by the telecom operators and agreed with the interpretation of the Department of Telecommunications (DoT) to the definition of Adjusted Gross Revenue (AGR) under the license.

On September 01, 2020, the Supreme Court pronounced the judgement in the AGR matter ("**SC Judgement**"). It has framed various questions in respect of companies under insolvency and in respect of such questions, the Court has held that the same should be decided first by the NCLT by a reasoned order within 2 months, and that it has not gone into the merits in this decision.

The RP of the Corporate Debtor and Reliance Telecom Limited (RTL) had filed intervention applications before the NCLAT in the appeal filed by the DoT against the resolution plan approval orders of the Aircel companies (wherein the NCLAT was adjudicating on the questions framed by the Hon'ble Supreme Court in the SC Judgement). The RP had also filed written legal submissions in this regard with the NCLAT. The Hon'ble NCLAT has pronounced its judgement dated April 13, 2021 setting out its findings on the questions framed in the SC Judgement. The RP has filed appeals in respect of the Corporate Debtor and RTL against the judgement of the NCLAT before the Supreme Court. On August 2, 2021, the appeals were listed when the bench issued notice in the matter and tagged the same with Civil Appeal No 1810 of 2021 (being the appeal filed by the COC of Aircel companies) and also allowed the application seeking permission to file the civil

appeal. On February 22, 2022, the Supreme Court granted a period of six weeks to the DoT to file counter affidavit. The matter was listed on May 2, 2022 wherein the SC directed the matter to be tentatively listed in the third week of July 2022. The matter was mentioned on August 5, 2022, for early listing for arguments, but the Supreme Court directed the matter to be listed after eight weeks. The matter was thereafter listed on October 11, 2022, on which date, the Supreme Court directed that the matter be listed after six weeks. Further, the Supreme Court stated that the parties were to file a common compilation post discussion with each other, and file brief written submissions within a period of six weeks. Thereafter, Justice Nazeer J retired and the matter came up for listing before a reconstituted bench comprising Justice V. Ramasubramaniam and Justice Pankaj Mittal on February 21, 2023. However, the matter was not taken up due to paucity of time and was tentatively listed on May 10, 2023. Since the matter was not reflected in the list for May 10, 2023, it was mentioned by the counsel for RP and the Bench directed listing on July 18, 2023.

The matter was listed on July 18, 2023 before a bench comprising Justice Sanjiv Khanna and Justice Bela M Trivedi, and once again it was not taken up due to paucity of time. The matter was mentioned on August 4, 2023 for listing on the shortest possible date and the Bench directed listing on any Tuesday, but no specific date was allotted. The appeals were thereafter listed on September 12, 2023 but could not be heard due to paucity of time. Aircel Monitoring Committee has filed an application seeking sale of right to use spectrum subject to proceeds being kept in escrow account, which shall be subject to outcome of the Supreme Court matter. RCOM and RTL RP has also filed applications seeking similar dispensation for RCOM and RTL as well. Further, DoT was asked to file reply within two weeks to the application filed by Aircel Monitoring Committee (I.A. No. 186218/2023 in Civil Appeal No. 2263/2021) vide order dated September 18, 2023 and the DoT has accordingly filed its reply on October 9, 2023.

The appeals were mentioned before the Hon'ble Supreme Court, on July 10, 2024 and it was requested that the said appeals not be deleted from the cause list of August 02, 2024. Hon'ble Justice Khanna took note of the same and directed that the appeals may not be deleted from cause list dated August 02, 2024. However, on August 02, 2024 all matters listed were adjourned. Accordingly, the appeals were listed on August 20, 2024 before a bench comprising of comprising of J. Sanjiv Khanna and J. Sanjay Kumar. When the appeals were called out, the Bench notified the set of appeals to be listed in the week commencing from September 02, 2024 for further consideration. The Bench also remarked that the matter be listed before a Bench where one of the judges in the current bench (J. Sanjay Kumar) is not a member.

The appeals were thereafter listed before a bench comprising of Hon'ble Justice Pamidighantam Sri Narasimha and Hon'ble Justice Sandeep Mehta on September 03, 2024. On September 03, 2024, the bench was pleased to admit the captioned appeal alongside the connected appeals and list them for final hearing in the week commencing from October 14, 2024. However, the appeals did not appear in the list in the week commencing from October 14, 2024 and were thereafter listed on October 23, 2024. On October 23, 2024, the bench heard a background of the matter, and a description of key issues involved therein. The bench directed that the matter be listed before it in the week commencing from November 04, 2024. Subsequently, the newly appointed Hon'ble Chief Justice of India passed a notification dated November 16, 2024 vide which it was directed that no regular matters shall be taken up for hearing until further orders. Thus, as per the directions of the Chief Justice of India, the above appeals along with other regular matters were not being listed for hearing for some time.

Upon the recommencement of the listing of regular matters, a letter of urgency dated January 08, 2025 was filed before the Registrar, Supreme Court of India seeking urgent listing of the above appeals. On January 10, 2025, counsel for the RP apprised the Ld. Bench about the urgency in the matters and sought an early listing of the appeals. Accordingly, the matter was listed for further hearing on January 16, 2025. The appeals did not reach on January 16, 2025 and accordingly the matter was listed on January 23, 2025. On January 23, 2025, the appeals could not reach. At the time of rising of the Bench, the Bench clarified that the appeals will be rolled over to next Thursday. On January 30, 2025, the appeals could not be listed due to paucity of time. The counsel for RP mentioned the appeals and sought for the appeals to be listed high on board next Thursday. Accordingly, the Bench stated that they shall consider the request and appeals may be listed on February 06, 2025. On February 06, 2025, the bench did not preside and accordingly the matter was not heard. On February 15, 2025, a letter of urgency was filed and consequently the matter was mentioned on February 17, 2025. The mentioning was allowed and the matter was listed on February 20, 2025. However, due to paucity of time, the matter could not reach and it was rolled over to next week. Subsequently, the matter did not come up on February 27, 2025, thus, the matter was once again orally mentioned seeking urgent listing, to which Hon'ble Bench remarked that they shall consider the same. The matter was thereafter mentioned again on March 27, 2025, where the Hon'ble Bench passed an order stating that the matter would be taken up in April 2025. On April 22, 2025, it was enquired from the Registry of the Hon'ble Supreme Court regarding the listing of the same, to which the Registry responded that since the matters which had been given a specific date had exceeded the allowed number of matters, the captioned appeal was not listed on Thursday's list. The matter was mentioned again before the Hon'ble Court and the request was not accommodated. Thereafter, on May 08, 2025, the appeals were mentioned and early listing was sought. *Vide* the order dated May 08, 2025, the appeals stood listed on July 24, 2025. However, the appeals could not be taken up on July 24, 2025 and was scheduled to be listed on July 30, 2025. The Hon'ble Supreme Court on July 30, 2025 has directed the appeals to be listed two weeks thereafter. The appeals were thereafter listed on September 25, 2025 wherein arguments in detail were commenced. Thereafter, the Supreme Court listed the appeals for 08 October 2025 for continuation of the arguments. On October 08, 2025 detailed submissions were continued by the RP counsel and SBI's counsel. Counsel for DOT sought an adjournment when it had to commence its arguments. The matter was listed for November 06, 2025 prior to which DOT counsel moved an adjournment slip on November 04, 2025 on account of unavailability of the Attorney General and the same was objected to by the RP Counsel. On November 06, 2025, the Supreme Court has directed that the matter be listed the week thereafter. The matter was thereafter listed on November 11, 2025 on which date it was heard at length and was further posted to November 12, 2025 for completion of arguments. On November 12, 2025 the matter was taken up and post completion of arguments on all sides, the same was reserved for orders. By way of judgement dated February 13, 2026, the Hon'ble Supreme Court *inter-alia* held that the spectrum allocated to telecom service providers and shown in their books of account as an "asset" cannot be subjected to proceedings under the Code and dismissed the appeals filed by the IRP of RCOM and RTL. Against the above order, RCOM and RTL (through the RP) and State Bank of India have filed separate review petitions which are yet to be listed.

The DoT had during the pendency of the various proceedings simultaneously directed Special Audit in relation to the computation of License fee, Spectrum fee, applicable interest and penalties thereon, which is under progress for the financial year 2015-16 onwards. In this regard, the

19. During an earlier year, Reliance Communications Infrastructure Limited (RCIL), a wholly owned subsidiary of the Corporate Debtor had written to Industrial and Commercial Bank of China, Mumbai branch ("ICBC") requesting for balance confirmation of Rs. 32.79 crore and transfer of the entire amount lying in fixed deposit account including all interest monies accruing thereon up to the date of remittance to the designated TRA account of RCIL. An application bearing IA no. 1943 of 2020 had been filed before NCLT against ICBC seeking removal of lien marked by it over the fixed deposit of RCIL (being Rs 31 crore as on September 30, 2019) and release of amount. The said matter was last listed on October 17, 2023 and thereafter the said application was allowed *vide* order passed by the NCLT Mumbai dated January 2, 2024 ("**Impugned Order**"). An appeal was filed by ICBC assailing the Impugned Order. The Appellant also filed an application for stay of the Impugned Order. The parties filed their judgement compilation and matter was listed on April 29, 2025 before the Hon'ble NCLAT for arguments. On April 29, 2025, the Bench did not preside and the matter was re-notified to April 30, 2025. On April 30, 2025, the matter could not be heard owing to paucity of time and was listed on May 22, 2025. As a matter of background, it may be noted that Reliance Webstore Limited ("RWSL", "Parent Company") is a wholly owned subsidiary of RCOM, holding 100% of equity shares in GIDC. Accordingly, GIDC was a wholly owned step-down subsidiary of RCOM. Vide facilities agreement dated August 29, 2016, RCOM and RITL had availed a loan facility of Rs. 565 Crore and Rs. 635 Crore respectively from State Bank of India ("Lender"). Vide share pledge agreement dated September 23, 2016, RWSL had pledged 100% of its shareholding in GIDC comprising 20,99,994 equity shares to Axis Trustee (in its capacity as a security trustee for the Lender) for above loan facility.

Owing to defaults in the repayment of the facilities availed by RCOM and RITL, Axis Trustee first proceeded to issue a notice for the invocation cum sale of pledged shares on November 9, 2022, and thereafter, invoked the pledge on December 12, 2022.

On account of said invocation, the parent company does not have any control over the GIDC. Accordingly, during the earlier year, GIDC has been de-subsidiarised w.e.f. December 12, 2022 and the impact of loss of control (without the value of shares invoked) over GIDC amounting to Rs. 106 crore was charged to the consolidated financial results as an exceptional item in the earlier year.

The impact of loss of control given in the books of account is without the value of shares invoked by the lender. The management will give the effect of the value of invocation of shares with the corresponding decrease in the value of liability on the receipt of the said details from the lender. This matter has been referred to by the Auditors in their Audit report for the quarter and year ended March 31, 2026.

22. During the earlier year, a subsidiary of the Corporate Debtor had entered into a development agreement with a contractor for completion of Internet Data Centre 5 (IDC 5) building and paid Rs.25.45 crore for completion of construction of IDC 5 building which has been reflected as Capital Advance under other non-current assets in the consolidated financial results, pending verification of invoices and work completion certification.

fraudulent in terms of the Circular. (RITL's implementation of resolution plan has been completed and RITL has ceased to be a subsidiary of the Company w.e.f December 22, 2022).

On May 12, 2023, the Hon'ble Delhi High Court in light of the judgement dated March 27, 2023 passed by the Hon'ble Supreme Court in SBI vs. Rajesh Agarwal [2023 SCC OnLine SC 342] has disposed of the said petitions filed by Mr. Punit Garg, setting aside the actions taken against the petitioners under the Circular. The Supreme Court has held that since the Circular does not expressly provide an opportunity of hearing to the borrowers before classifying their account as fraud, *audi alteram partem* has to be read into the provisions of the directions to save them from the vice of arbitrariness.

It has further been made clear *vide* the Delhi High Court order, that if any FIR has been lodged, proceedings proceeded thereto will remain unaffected by the said order and that it will be open to concerned banks to proceed in accordance with law in light of the judgement of the Supreme Court.

Further, Mr. Punit Garg has filed another writ petition in Delhi High Court challenging the order of IFCI declaring his account as fraud under the Circular. The matter was last listed on November 14, 2024, however due to unavailability of the Bench, the matter was re-notified to April 8, 2025. On April 8, 2025, the matter could not be taken up and was re-notified to September 15, 2025. On September 15, 2025, the matter could not be taken up and has been re-notified to February 02, 2026. On February 02, 2026, the counsel for Mr. Garg sought an adjournment on grounds of his arrest by the Enforcement Directorate and no instructions having been received from him. The matter is adjourned to July 27, 2026.

26. During the earlier years, certain banks had issued show cause notices to the Corporate Debtor, certain subsidiaries and certain directors seeking reasons as to why the Corporate Debtor and its subsidiaries should not be classified as willful defaulter. Also during the earlier year, in the current year ended March 31, 2026, certain banks have served notice seeking explanation as to why the account of the Corporate Debtor and the subsidiary company RTL and RCIL should not be declared as fraud in terms of applicable Reserve Bank of India (RBI) regulations. During the earlier year, in the current year ended March 31, 2026 and subsequent to year ended March 31, 2026, the Corporate Debtor and RTL have received intimation of order passed by willful defaulter identification committee of certain banks for inclusion of name of RCOM, RTL and its directors / guarantors etc. in credit information companies (CICs) list of willful defaulters and seeking representation against the said order. Further, during the previous year, one of the banks has declared RTL as a willful defaulter. During the earlier year, in the current year ended March 31, 2026 and subsequent to year ended March 31, 2026, certain banks have served a letter intimating that the bank has classified the account of the Corporate Debtor and RTL as fraud as per the applicable RBI regulations. The Corporate Debtor and its subsidiaries have been responding to said show cause notices and intimations, from time to time. The Corporate Debtor in its response has highlighted that the proceedings and the classification of the Corporate Debtor as a willful defaulter is barred during the prevailing moratorium under section 14 of the Code and protection is available in terms of section 32A of the Code and asserting that accordingly, no action can be said to lie against the Corporate Debtor for classification as fraud and requested the banks to withdraw the notices. Further, certain banks had issued notices seeking personal hearing by the authorized representative of the Corporate Debtor and its subsidiaries in respect of the aforesaid matter.

Hearings were attended to and necessary submissions were made in accordance with the submissions made earlier in the responses to the show cause notices.

Further, the Corporate Debtor and Reliance Telecom Limited (RTL) has received a letter dated August 7, 2023 from one of the banks, vide which the bank has indicated, *inter alia*, that it has received a forensic audit report dated October 15, 2020 of M/s BDO India LLP wherein certain 'irregularities / anomalies / commissions / omissions' have been pointed out by the forensic auditor. The said letter and report were accordingly tabled at the meeting of the Directors on August 12, 2023. In respect of the same, the bank has sought the views, *inter alia*, of the erstwhile management of the Corporate Debtor on the said report. The management had expressed that management views had not been sought prior to the issuance of the report. Further to receipt of a copy of the filings made before the Hon'ble Delhi High Court in the aforesaid matter, the Corporate Debtor and RTL had provided information to the forensic auditor during the period from March 2021 to November 2021 and it is not yet ascertained if the report incorporates and has considered such information. RP however has maintained that the Corporate Debtor and RTL is undergoing corporate insolvency resolution process in terms of the Code and the forensic audit report *prima facie* appears to pertain to the period prior to the corporate insolvency resolution process, the Corporate Debtor and RTL has already responded to the letter that the proceedings and the classification of the Corporate Debtor and RTL as a fraud is barred during the prevailing moratorium under Section 14 of the Code and protection is available in terms of Section 32A of the Code and accordingly, no action should lie against the Corporate Debtor and RTL for classification as fraud and notice against the Corporate Debtor should be withdrawn and the RP, Corporate Debtor and RTL shall have a limited responsibility to only share any information sought from it.

Similar to the letter received on August 7, 2023, Corporate Debtor has also received another letter dated May 7, 2024 from another bank, where the bank has indicated, that with respect to the loan account of the Corporate Debtor, it has conducted a forensic audit wherein element of fraud is identifiable and before coming to final conclusion basis the forensic audit report dated October 15, 2020, the bank has provided an opportunity to the Corporate Debtor to submit its representation as to why the Corporate Debtor's account should not be classified as 'fraud' in terms of the 'Master Directions on Frauds – Classification and Reporting by Commercial Banks and Select FIs' dated July 1, 2018 issued by Reserve Bank of India. On receipt of the said letter, while the Corporate Debtor has made necessary disclosures to the relevant stock exchange in accordance with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Corporate Debtor has also issued a response to the letter dated May 7, 2024 maintaining a similar stance (as against the letter dated August 7, 2023) *inter alia* citing that the Corporate Debtor is undergoing corporate insolvency resolution process in terms of the Code and the forensic audit report *prima facie* appears to pertain to the period prior to the corporate insolvency resolution process and hence any classification of the loan accounts of the Corporate Debtor as a fraud during its ongoing CIRP is barred during the prevailing moratorium under Section 14 of the Code and protection is available in terms of Section 32A of the Code and accordingly, no action should lie against the Corporate Debtor for classification as fraud and notice against the Corporate Debtor should be withdrawn. Currently, there is no impact of such notices/letter issued from banks, in the consolidated financial results. The Auditors have drawn qualification in their Audit report for the quarter and year ended March 31, 2026.

27. During the earlier year, on October 16, 2023, the Hon'ble Supreme Court of India had pronounced a judgement regarding the treatment of AGR paid to DoT since July 1999, as capital in nature and not revenue expenditure for the purpose of computation of taxable income in a matter to which the Company is not a party. The Company has applied for renewal of its license as stated in Note 4 above. The terms of renewed license regime are different from those of the licenses dealt with in the aforesaid judgement. Further, there have been no disallowances in earlier years, by the tax authorities, on the AGR payments claimed by the Company as revenue expenditure in its tax filings. In the absence of any claim by the tax authorities against the Company and/ or directions or clarifications from the income tax department in this regard, no adjustments have been made to these consolidated financial results for the quarter and year ended March 31, 2026.
28. Bonn Investment Inc. ("**Bonn**"), a US entity and a subsidiary of Reliance Infocomm Inc. ("**RII**"), USA, a step-down subsidiary of RCOM, held an apartment at 400 W 12th Street #4EF New York, NY 10014 ("**Property**"). During the previous year, in August 2023, the director of Bonn, sold the Property to a third party, without any authorization from or intimation to its shareholders (including RCOM) for a value of USD 8.34 million. The Resolution Professional noted this transaction in the financial statements of Bonn for the period ended September 30, 2023 received from the director for consolidation purposes. Further, on April 23, 2024, through the auditor of Bonn, the Resolution Professional and Company were made aware of an investment agreement between Bonn and AZCO Realty, UAE. It is observed that vide said investment agreement, Bonn (through its director) agreed to invest USD 25 million in AZCO Realty ("**AZCO**") and Bonn has already made investment of USD 8.2 million from the sale proceeds of the Property, which is reflected as Advance towards other Investment (1st Tranche). As per the terms of agreement, Bonn has agreed to invest remaining amount before May 26, 2024 with AZCO. The Agreement further states that, if Bonn fails to remit the remaining amount to AZCO on or before May 26, 2024, the investment agreement shall be automatically nullified and Bonn shall have no rights to claim back the amount already invested, i.e. USD 8.2 million, which is part of the sale proceeds of the Property. This entire transaction did not have approval from the shareholders (including RCOM). The Company sent a notice to the director seeking clarification regarding the same but has not received any credible explanation so far. Accordingly, and in view of the above unauthorized and potentially fraudulent actions, the Company has removed the said director from the directorship of all US subsidiaries of RCOM including Bonn on August 21, 2024 and has appointed a new director in her place on the same date (as applicable).

The new Director was interacting with the removed director and asked questions on the transactions directly/through counsel, but the response from removed director remains elusive. Further, Bonn (through the newly appointed director) has been in the process of examining the legal remedies for the actions taken by the said erstwhile director as well as for recovery of the advance against investment given to AZCO. As the director of Bonn is hopeful about the recovery of the advance against investment given to AZCO, no provision has been made in financial statements. Furthermore, Bonn (through the newly appointed director) had also commissioned a digital analysis of the various email correspondence exchanged by the erstwhile director of Bonn, with the erstwhile director / erstwhile management of the Company, to further investigate the unauthorised and potentially fraudulent sale and investment transaction undertaken by the erstwhile director of Bonn (including the circumstances / motive behind the same) as well as to ascertain the role of any other individuals involved in the matter. The final report in this regard has been received and the entire report was examined by the relevant stakeholders and their advisors,

for any further action to be taken pursuant to the findings in the report. Thereafter, the RP has filed an application under Section 66(1) of the Code on March 26, 2025 before the Hon'ble NCLT seeking appropriate relief against the said director of RCOM. The said application was listed on June 25, 2025 and notice was issued to the respondent, and the matter was listed before the Hon'ble NCLT on July 29, 2025. On November 11, 2025, the counsel for the respondent sought some time to review the rejoinder filed by RCOM, and accordingly the matter was adjourned to November 25, 2025. On November 25, 2025, the Hon'ble NCLT took note that the pleadings are complete in the matter and further adjourned the matter to December 16, 2025 for arguments. On December 16, 2025, parties made detailed submissions before the Hon'ble NCLT and the matter was adjourned to January 05, 2026 for written submissions.

On January 05, 2026, the Hon'ble NCLT took on record the written submissions and the matter was reserved for orders. By way of order dated March 10, 2026, the Hon'ble NCLT dismissed the application observing that the alleged transaction cannot be impugned in terms of section 66 of the Code, and no order can be passed by this tribunal in view of its limitation to deal with misconduct of suspended board members, if any, in the affairs of subsidiary company of a Corporate Debtor after commencement of CIRP. Aggrieved by the order, the RP has filed an appeal before the Hon'ble NCLAT, which was first listed on May 15, 2026, wherein the Bench was pleased to condone the delay in the filing of the appeal. Last hearing was on May 25, 2026 and the next date of hearing is on May 29, 2026. Meanwhile, on January 21, 2026, the director of Bonn, Mr. Lalit Mathur has resigned from his position of directorship from all US subsidiaries of RCOM including Bonn. 32. During the year ended March 31, 2026, the Directorate of Enforcement (ED) and the Central Bureau of Investigation (CBI) conducted searches at the premises of Reliance Communications Limited (RCOM). Thereafter, the ED has also issued summons to the RP and certain KMP's of RCOM for tendering their statements before the ED as well as sought the production of the documents / information requested by the ED.

adversely affect the value of the group's assets during the subsistence of these orders. Separately, the Company also received Provisional Attachment Order No. 40 of 2025 dated November 19, 2025 pertaining to assets of RCOM and RRL, and the same has also been informed to the stock exchanges in compliance with the regulatory obligations.

RRL and CPL filed writ petitions against the attachment of the above properties before the Hon'ble Delhi High Court. On the first hearing on January 23, 2026, the Hon'ble Court enquired whether the petitions would be maintainable in New Delhi and why they should not be heard before the Hon'ble Bombay High Court. Upon hearing CPL and RRL on the point of maintainability of the writ petitions in New Delhi during the hearing on January 29, 2026, the Hon'ble Court was satisfied that it possessed the territorial jurisdiction to hear the matters. However, the ED objected to the maintainability of the writ petitions, considering an alternative remedy available under PMLA. The parties were directed to file brief notes along with judgments to justify the lack of alternative and efficacious remedy and the matter was listed for February 02, 2026. CPL and RRL filed a common brief note along with a compilation of judgments in compliance with the said order.

During the hearing on February 02, 2026, CPL and RRL addressed the Hon'ble Court on the lack of an alternative and efficacious remedy under PMLA to challenge the provisional attachment orders.

Thereafter, during the hearing on February 09, 2026, ED submitted its instructions which stated *"Without prejudice to the rights and contentions of the Directorate of Enforcement and without in any manner conceding on any questions of law, since the properties are provisionally attached under section 5 of PMLA, the status quo with regard to the pre-existing leases as on the date of provisional attachment may continue till the Adjudicating Authority passes an order under section 8 of PMLA."* CPL and RRL objected to the same, stating that in addition to the subsisting leases, fresh leases on vacant properties should also be allowed. The matter was partially heard and listed on the next day, i.e., February 10, 2026. On the next date, detailed arguments were heard on the right to enjoyment of property during provisional attachment under Section 5 of PMLA and the right to renew leases and/or enter into fresh leases. While disposing of the writ petitions vide its order dated February 10, 2026, the Hon'ble High Court has observed that the provisional attachment would subsist for a maximum period of 180 days and would continue thereafter only if confirmed by the Adjudicating Authority, PMLA under Section 8. At the same time, it has also recorded the submissions of CPL and RRL that if they are not permitted to lease the properties in the interregnum, their very existence would be at peril. The Hon'ble Court, after considering the applicable provisions, passed the following order:

"4. The Court has examined the applicable legal provisions and finds that, without prejudice to the rights and contentions of the parties and without, in any manner, rendering any final findings on any question of law, since the properties are provisionally attached under Section 5 of the PMLA, status quo with regard to pre-existing leases as on the date of provisional attachment requires to be maintained. The same, however, will not defer the petitioners from renewing the subsisting leases. This arrangement, prima facie, does not contravene any of the applicable legal provisions. The arrangement, however, shall be subject to the following conditions:-

- i. *The petitioners will have to specifically incorporate a condition in the lease deed that the renewal is subject to the orders to be passed by the Courts/authorities.*
 - ii. *A copy of the lease deed will have to be necessarily furnished to the respondents within a period of two weeks from its execution.*
5. *This order deals with the pressing urgency which has been expressed during the course of hearing, however, leaves all issues to be adjudicated at an appropriate stage.*
6. *Under the peculiar circumstances, it would be appropriate to expedite the proceedings by the Adjudicating Authority under Section 8(2) of PMLA."*

Thereafter, proceedings for confirmation of the above provisional attachment orders continued before the Adjudicating Authority, PMLA viz, Original Complaint (OC) Nos. 471, 475 and 507 of 2025 pertaining to Provisional Attachment Order Nos. 32, 36 and 40 of 2025 respectively. Replies were filed on behalf of RRL, CPL and RCOM. The ED filed its rejoinders to the replies by CPL, RRL and RCOM respectively, wherein it filed fresh documents that did not form part of the provisional attachment orders or the relied upon documents (RUDs) filed with the original complaints under Section 5(5) of PMLA. CPL, RRL and RCOM filed miscellaneous applications dated March 25, 2026 before the Adjudicating Authority objecting to the filing of fresh documents at this stage, and contending that the ED was attempting to improve its original case through subsequent filings.

Thereafter, written submissions were filed by CPL, RRL and RCOM in all the three proceedings on March 31, 2026. The matters were finally heard by the Adjudicating Authority, PMLA in a common hearing for OC Nos. 471, 475 and 507 of 2025 on April 07, 2026. Thereafter, vide final orders dated April 10, 2026, the Adjudicating Authority, PMLA confirmed all three provisional attachment orders under Section 8(3) of PMLA. The orders have also directed that the attachment shall remain in force during the investigation for a period not exceeding three hundred and sixty-five days or until the conclusion of the proceedings related to any offense under PMLA before the Special Court under PMLA. The attachments have been confirmed on the basis, *inter alia*, that the properties attached are direct proceeds of crime under Section 2(1)(u) of PMLA and are involved in money laundering. In compliance with its regulatory obligations, the Company has informed the stock exchanges about the confirmation of Provisional Attachment Order Nos. 32, 36 and 40 of 2025 by the Adjudicating Authority, and that the attachment of assets of the Company and its subsidiaries may have an adverse impact during the subsistence of these orders.

The Company has also received Provisional Attachment Order No. 19 of 2026 dated March 11, 2026 from the ED, pertaining to provisional attachment of its assets in terms of the provisions of the PMLA. Thereafter, the Adjudicating Authority has issued a show cause notice dated April 17, 2026 to RCOM under Section 8(1) of PMLA, with directions to file its reply on or before June 07, 2026. The final hearing of the matter is scheduled on August 19, 2026.
