Reliance Communications Limited

Notice

Notice is hereby given that the 17th Annual General Meeting (AGM) of the Members of **Reliance Communications Limited** ("Company" or "RCOM"), a company undergoing corporate insolvency resolution process under the provisions of the Insolvency and Bankruptcy Code, 2016, will be held on Saturday, September 25, 2021 at 11.30 A.M. (IST) through Video Conference (VC) / Other Audio Visual Means (OAVM) to transact the business as herein contained;

Background:

Pursuant to an application filed by Ericsson India Pvt. Ltd before the Hon'ble National Company Law Tribunal, Mumbai Bench ("NCLT") in terms of Section 9 of the Insolvency and Bankruptcy Code, 2016 read with the rules and regulations framed thereunder ("Code"), the NCLT had admitted the application and ordered the commencement of corporate insolvency resolution process ("CIR process" or "CIRP") of the Company vide its order dated May 15, 2018 ("Admission Order"). The Hon'ble NCLT had, pursuant to the Admission Order, appointed an interim resolution professional for the Company ("IRP") vide its order dated May 18, 2018. In terms of the Admission Order, *inter alia*, the management of the affairs of the Company was vested in the IRP.

Subsequently, the Hon'ble National Company Law Appellate Tribunal ("NCLAT"), while adjudicating upon an appeal preferred against the Admission Order, vide its order dated May 30, 2018, *inter alia*, stayed the Admission Order and allowed the management of the Company to function ("Stay Order"). On April 30, 2019, the NCLAT, upon allowing the withdrawal of the aforesaid appeal, vacated all interim orders including the Stay Order. The NCLT, vide order May 7, 2019, directed the IRP to proceed in the CIRP of the Company. Upon vacation of the Stay Order and the aforesaid order of the NCLT, the CIR Process of the Company re-commenced.

Thereafter, the committee of creditors of the Company resolved with the requisite voting share, to replace the IRP with Mr. Anish Niranjana Nanavaty, as the resolution professional for the Company ("RP" or "Resolution Professional"). Subsequently, the Hon'ble NCLT has appointed Mr. Anish Niranjana Nanavaty as the RP for the Company vide its order dated June 21, 2019, which was published on June 28, 2019. Accordingly, the management of the Company vests in the RP during the continuance of the CIR process period of the Company.

In accordance with the provisions of the Code, various resolution plans in respect of the Company were received by the RP. The committee of creditors of the Company ("COC"), in their meeting held on March 02, 2020, has approved the resolution plan submitted by UV Asset Reconstruction Company Limited ("Resolution Plan") which was subsequently submitted to the Hon'ble NCLT on March 6, 2020 in accordance with Section 30(6) of the Code. The same continues to remain sub-judice with the Hon'ble NCLT.

In view hereof, this Annual General Meeting is being called and convened.

Ordinary Business:

1. To consider and adopt:
 - a) the audited financial statements of the Company for the financial year ended March 31, 2021 and the reports of the Directors and Auditors thereon, and

- b) the audited consolidated financial statements of the Company for the financial year ended March 31, 2021 and the report of the Auditors thereon.

2. To appoint Shri Vishwanath Devaraja Rao (DIN: 08607657), who retires by rotation as a Director and in this regard, to consider and if thought fit, to pass, with or without modification(s), the following resolution as an Ordinary Resolution:

"RESOLVED THAT in accordance with the provisions of Section 152 and other applicable provisions of the Companies Act, 2013, Shri Vishwanath Devaraja Rao (DIN: 08607657), who retires by rotation at this meeting, be and is hereby appointed as a Director of the Company."

(His appointment is a part of compliance with section 152(6) of the Companies Act, 2013. However, the powers of the Board shall continue to remain suspended during the continuance of CIR Process. The tenure of directors will be subject to the terms of the Resolution Plan as may be approved by the NCLT in terms of Section 31 of the Code).

3. To appoint Statutory Auditors of the Company and fix their remuneration and in this regard, to consider and, if thought fit, to pass the following resolution as an **Ordinary Resolution**:

"RESOLVED THAT pursuant to the provisions of Sections 139, 142 and other applicable provisions, if any, of the Companies Act, 2013 (hereinafter referred to as "the Act") and the relevant rules made there under (including any statutory modification(s) or re-enactment(s) thereof for the time being in force), based on the recommendation of the Audit Committee and the Directors of the Company, the re-appointment of M/s. Pathak H.D. & Associates, LLP, Chartered Accountants (Firm Registration no. 107783W/W100593), whose term of tenure has been completed at this Annual General Meeting and who have confirmed their eligibility for the re-appointment pursuant to Section 139 and 141 of the Act, as Statutory Auditors of the Company, be and is hereby approved, for a term of five consecutive years, to hold office from the conclusion of this Annual General Meeting till the conclusion of the Twenty Second Annual General Meeting, at such remuneration as shall be fixed by the Resolution Professional of the Company on the recommendation of the Directors of the Company.

RESOLVED FURTHER THAT the Resolution Professional of the Company or any other persons exercising the powers of the Board of Directors in terms of the Resolution Plan approved by the NCLT, directly or through any person authorized in this behalf be and are hereby authorised to do all acts, deeds and things and take all such steps as may be necessary, proper or expedient to give effect to this resolution."

Special Business:

4. **Ratification of Remuneration payable to Cost Auditor**

To consider and, if thought fit, to pass the following resolution as an **Ordinary Resolution**:

Notice

"RESOLVED THAT a fee of ₹ 2.50 lakh (Rupees two lakh fifty thousand only) excluding tax and out of pocket expenses, if any, for the financial year 2021-22 payable to M/s. V. J. Talati & Co., Cost Accountants (Firm Registration Number R00213), appointed by the Resolution Professional as the Cost Auditors of the Company, based on recommendations of the Audit Committee and the Directors, for auditing the cost accounting records of the Company for the financial year ending March 31, 2022 be and is hereby ratified pursuant to the provisions of Section 148 and all other applicable provisions, if any, of the Companies Act, 2013 read with the rules made there under (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force).

RESOLVED FURTHER THAT the Resolution Professional of the Company or any other persons exercising the powers of the Board of Directors in terms of the Resolution Plan approved by the NCLT, directly or through any person authorized in this behalf be and are hereby authorised to do all acts, deeds and things and take all such steps as may be necessary, proper or expedient to give effect to this resolution."

Reliance Communications Limited

Directors' Report

Dear Shareowners,

Your Directors present the 17th Annual Report and the audited financial statements for the financial year ended March 31, 2021.

Pursuant to an application filed by Ericsson India Pvt. Ltd before the Hon'ble National Company Law Tribunal, Mumbai Bench ("NCLT") in terms of Section 9 of the Insolvency and Bankruptcy Code, 2016 read with the rules and regulations framed thereunder ("Code"), the NCLT had admitted the application and ordered the commencement of corporate insolvency resolution process ("CIR process") of the Reliance Communication Limited ("Company"/ "RCOM") vide its order dated May 15, 2018 ("Admission Order"). The NCLT had, pursuant to the Admission Order, appointed an interim resolution professional (IRP) for the Company vide its order dated May 18, 2018. In terms of the Admission Order, *inter alia*, the management of the affairs of the Company was vested with the IRP.

Subsequently, the Hon'ble National Company Law Appellate Tribunal ("NCLAT"), while adjudicating upon an appeal preferred against the admission of the insolvency application against the Company, vide its order dated May 30, 2018, *inter alia*, stayed the Admission Order and allowed the management of

the Company to function ("Stay Order"). On April 30, 2019, the NCLAT, upon allowing the director and shareholder of the Company to withdraw its aforesaid appeal, vacated all interim orders including the Stay Order. The NCLT, vide order May 7, 2019, directed the IRP to proceed in the CIRP of the Company.

Thereafter, the Committee of Creditors ("CoC") of the Company resolved with the requisite voting share, to replace the IRP with the undersigned, as the resolution professional for the Company ("RP" or "Resolution Professional"). Subsequently, the Hon'ble NCLT has appointed Mr. Anish Niranjana Nanavaty as the RP for the Company vide its order dated June 21, 2019, which order was published on June 28, 2019.

In accordance with the provisions of the Code, various resolution plans in respect of the Company were received by the RP. The CoC of the Company in their meeting held on March 02, 2020, had approved a resolution plan submitted by UV Asset Reconstruction Company Limited ("Resolution Plan") which was subsequently submitted to the NCLT on March 6, 2020 in accordance with Section 30(6) of the Code. The same continues to remain sub-judice with the NCLT.

Directors' Report

Company and presented in the Management Discussion and Analysis Report forming part of this Annual Report.

Vide notification dated March 24, 2020 issued by Ministry of Home Affairs, a nation-wide lockdown was announced to contain COVID-19 outbreak. Further, various state governments have issued orders from time to time extending lockdowns and other restrictions. COVID-19 has impacted businesses globally and in India. Telecommunication services, being essential services, had been exempted and permitted to continue operation during the period of lockdown. Your Company has continued to provide services to its Enterprise customers without any interruptions and honour commitments, despite facing all odds during lockdown.

The Company has been monitoring the situation closely and has taken proactive measures to comply with various directions / regulations / guidelines issued by Government of India, various state governments and local bodies to ensure safety of workforce across all its offices.

Further, the resurgence had led to imposition of various restrictions and lockdowns in various states. Accordingly, there exists uncertainty over the impact of the pandemic on future business performance of the Company, and the extent of effect of the pandemic will depend, among other things, on any action to contain its spread or mitigate its impact, whether government mandated or elected by the Company. However, in view of telecommunication services being considered as essential activity, the Company has continued to provide services to its Enterprise customers without any interruptions and honour commitments, despite facing all odds during lockdown and the Company has continued its assessment of likely adverse impact on economic environment in general and financial risks on account of COVID19.

As the Company is undergoing CIRP, it is relevant to note that the period of lockdown has been exempted from the calculation of the timeline of CIRP as per the order of the NCLAT in *Suo Moto - Company Appeal (AT) (Insolvency) No. 01 of 2020* dated March 30, 2020.

Dividend

During the year under review, since the Company is under CIR Process and due to current year losses, no dividend on the equity shares of the Company has been recommended. The dividend distribution policy of the Company is uploaded on the Company's website at the link <https://www.rcom.co.in/our-company/investor-relations/corporate-governance/>

Business Operations

The Company provides wireless telecom services to the business and government segments. These include a comprehensive portfolio spanning Network Connectivity, Cloud Networking, Data Center Services, Enterprise Voice, Cloud Telephony, Access Number Services, Collaboration Services, Wholesale Voice & Value Added Service (VAS). The Company serves nearly 40,000 businesses of all sizes-from multinational conglomerates to SMEs-belonging to almost every vertical: BFSI, Manufacturing, Logistics, Healthcare, IT & ITeS, OTT and New Media, to name just a few.

With nine world-class data centers spread across key business markets in India (Mumbai, Bengaluru, Chennai & Hyderabad), we are a leading provider of data center services in the region

to hundreds of enterprise customers, including many of India's marquee brands in the BFSI, FMCG, new media and e-commerce industry segments. These services cover Colocation, Shared IT Infrastructure and IT Managed Services.

Management Discussion and Analysis

Management Discussion and Analysis Report for the year under review as stipulated under Regulation 34(2)(e) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), is presented in a separate section forming part of this Annual Report.

Issue and Redemption of Non-Convertible Debentures

The Company has not carried out any fresh issue of Non-Convertible Debentures (NCDs) in the current financial year.

NCDs issued during the earlier years matured for final redemption during the financial year 2018-19, but remains unpaid in view of the ongoing CIR Process.

Deposits

The Company has never accepted any deposit from the public falling within the ambit of Section 73 of the Companies Act, 2013 ("the Act") and the Companies (Acceptance of Deposits) Rules, 2014. There are no unclaimed deposits, unclaimed/unpaid interest, refunds due to the deposit holders or to be deposited with the Investor Education and Protection Fund as on March 31, 2021.

Particulars of Loans, Guarantees or Investments

The Company has complied with provisions of Section 186 of the Act, to the extent applicable with respect to Loans, Guarantees or Investments during the year.

Pursuant to the provisions of Section 186 of the Act, the details of the Investments made by the Company are provided in the standalone financial statements under Notes No. 2.03 and 2.07.

Subsidiary and Associate Companies

During an earlier year, GCX Limited, a step-down subsidiary of the Company, along with its subsidiaries/affiliates (collectively, "GCX") had filed for voluntary pre-packaged restructuring under Chapter 11 of the US Bankruptcy Code before Delaware court, USA. Objections were filed on behalf of your Company which were not accepted by the court. The plan filed by GCX had been confirmed by the court on December 4, 2019.

The Plan, as confirmed, provides that the old equity interests in the Debtors would be extinguished and the new ownership would pass to the participating Note holders on the "Effective Date" of the Plan. It provided that certain transactions needed to occur and various regulatory approvals needed to be obtained before the Debtors would file a Notice of Effective Date (i.e., a notice declaring that, as of the stated date, the Plan had become effective)

Pursuant to the order dated February 25, 2020, the court had granted a motion filed by GCX Limited along with the other debtors aimed at addressing the issues they have been having in completing the steps to make their plan effective *inter alia* seeking approval for process whereby a bifurcation had been created wherein debtors not requiring regulatory approvals could complete their processes and arrive at effective date, while others could wait for occurrence of their effective date upon fulfillment

Reliance Communications Limited

Directors' Report

of regulatory approvals. Accordingly, on April 14, 2020, a notice has been issued intimating occurrence of "Effective Date" of certain "non-regulated debtors" while the "Effective Date of the Plan with respect to Debtors GCX Limited, FLAG Telecom Network USA Limited, Reliance Globalcom Limited, and Vanco US, LLC (collectively, the "Regulated Debtors") is expected to occur at a later date". The court confirmed the aforesaid and entered order on April 21, 2020.

A notice of occurrence of Effective Date for the Regulated Debtors dated December 31, 2020 has been issued by counsel to GCX (and served on the Company). The said notice *inter alia* provides that the Effective Date of the Plan for the Regulated Debtors has occurred on December 31, 2020.

In light of the aforesaid development, the Plan having now being effective in respect of the Regulated Debtors and the Non-Regulated Debtors, the Company has been divested of its indirect equity interest in GCX and there is no impact on the financial statements of your Company.

Pursuant to an application filed by Ericsson India Pvt. Ltd before the Hon'ble NCLT in terms of Section 9 of the Code, the NCLT had admitted the application and ordered the commencement of CIR process of the Reliance Infratel Limited and Reliance Telecom Limited, subsidiary companies of the Company, vide its order dated May 15, 2018. Mr. Anish Niranjana Nanavaty had been appointed as the resolution professional of Reliance Infratel Limited (RITL) and Reliance Telecom Limited (RTL).

For RTL, in accordance with the provisions of the Code, various resolution plans were received by the RP. The Committee of Creditors (CoC) of RTL, in their meeting held on March 02, 2020, had approved a resolution plan submitted by UV Asset Reconstruction Company Limited, which was subsequently submitted to the NCLT on March 6, 2020 in accordance with Section 30(6) of the Code. The same continues to remain sub-judice with the Hon'ble NCLT.

For RITL, in accordance with the provisions of the Code, various resolution plans were received by the RP. The CoC of RITL, in their meeting held on March 02, 2020, had approved a resolution plan submitted by Reliance Projects & Property Management Services Limited (earlier known as Reliance Digital Platform & Project Services Limited) through its division Infrastructure Projects in respect of RITL which was subsequently submitted to the Hon'ble NCLT in accordance with Section 30(6) of the Code. On December 03, 2020 Hon'ble NCLT pronounced its order approving the Resolution Plan of RITL. The Resolution Plan as approved by Hon'ble NCLT shall be binding on RITL, its employees, members, creditors, guarantors and other stakeholders involved in the Resolution Plan. The approved Resolution Plan is yet to be implemented and once implemented RITL will cease to be subsidiary of the Company. RITL is currently under the supervision of a monitoring committee constituted under the provisions of the resolution plan.

Further, pursuant to an application filed by State Bank of India under Section 7 of the Code, the Hon'ble NCLT vide order dated September 25, 2019, had ordered the commencement of CIR process in terms of the Code in respect of Reliance Communications Infrastructure Limited (RCIL), a wholly owned subsidiary of the Company and had appointed Mr. Anish Niranjana Nanavaty as the resolution professional of Reliance Communications Infrastructure Limited. RCIL continues to be under the CIRP.

Reliance Tech Services Limited (RTSL), a wholly owned subsidiary of the Company, has been admitted by Hon'ble NCLT on August 04, 2020 for corporate insolvency resolution process under the Code and Mr. Anjan Bhattacharya has been appointed as the Resolution Professional by the Hon'ble NCLT. The resolution professional of RTSL has filed an application with NCLT on May 04, 2021 for initiation of liquidation proceedings in respect of RTSL and the matter is currently pending before the Hon'ble NCLT.

The summary of the performance and financial position of the each of the subsidiary and associate companies are presented in Form AOC – 1 and in Management Discussion and Analysis Report forming part of the Annual Report. Also, a report on the performance and financial position of each of the subsidiary companies and associate companies as per the Act is provided in the consolidated financial statements.

The Policy for determining material subsidiary companies can be accessed on the Company's website at the link <http://www.rcom.co.in/Rcom/about-us/investor-relations/corporate-governance.html>.

Standalone and Consolidated Financial Statements

The Audited financial statements of the Company are drawn up, both on standalone and consolidated basis, for the financial year ended March 31, 2021, in accordance with the requirements of the Companies (Indian Accounting Standard) Rules, 2015 (Ind AS) notified under Section 133 of the Act, read with relevant rules and other accounting principles. The Consolidated Financial Statements has been prepared in accordance with Ind-AS and relevant provisions of the Act based on the financial statements received from subsidiaries, associates as approved by their respective Board of Directors.

As Reliance Telecom Limited, Reliance Tech Services Limited and Reliance Communications Infrastructure Limited, subsidiaries of the Company are under CIR Process, financial statements of these companies are approved and received from these companies and accordingly the Consolidated Financial Statements are prepared.

In the case of Reliance Infratel Limited, the financial statements are approved by Monitoring Committee of the Company on basis of recommendation of the Director and Chief Financial Officer of the Company.

Directors

During the year under review, there was no change in Directors of the Company.

The members are requested to note that in FY 2019-20, Shri Anil D Ambani, Smt. Chhaya Virani and Smt. Manjari Kacker had resigned with effect from 15th November, 2019; Smt. Ryna Karani has resigned with effect from 14th November, 2019 and Shri Suresh Rangachar had resigned with effect from 13th November, 2019 as Directors of the Company. Certain directors being Shri Anil D Ambani, Shri Suresh Rangachar and Smt. Manjari Kacker also filed their respective DIR-11 forms with the Registrar of Companies. The aforementioned resignations were put up to the CoC of the Company for their consideration in accordance with Section 28(1)(j) of the Code. However, CoC of the Company at its meeting held on November 20, 2019 considered the resignations tendered by the above directors and expressed a unanimous view that the resignations cannot be

Directors' Report

accepted and instructed the Resolution Professional to convey to the directors to continue with their duties and responsibilities as directors and provide all cooperation in the corporate insolvency resolution process, at least until the completion of the corporate insolvency resolution process of the Company.

In light of the above, it was duly communicated to the aforesaid directors of the Company that their resignations have not been accepted and they are advised to continue to perform their duties and responsibilities as the directors of the Company and provide all cooperation to Resolution Professional in the CIR process.

Accordingly, Shri Anil D Ambani, Smt. Chhaya Virani, Smt. Manjari Kacker, Smt. Ryna Karani and Shri Suresh Rangachar continues to be on the composition of the board of directors and the respective committees of the Company.

Auditors and Auditors' Report

M/s. Pathak H.D. & Associates LLP, Chartered Accountants, who were appointed as statutory auditors of the Company to hold office for a term of 5 (five) consecutive years at the 12th Annual General Meeting (AGM) of the Company held on September 27, 2016, would be completing their term of appointment upon conclusion of the ensuing 17th AGM of the Company.

Your directors, in their meeting held on June 26, 2021 recommended re-appointment of M/s. Pathak H.D. & Associates LLP, Chartered Accountants as the Statutory auditors of the Company for another term of 5 (five) years until the conclusion of 22nd AGM of the Company, subject to the approval of members at the ensuing AGM.

The Company has received letter from M/s. Pathak H.D. & Associates LLP, Chartered Accountants to the effect that their appointment, if made, would be within the prescribed limits under Section 141(3) of the Act and that they are not disqualified from being appointed as Statutory Auditors of the Company.

The Auditors in their report to the members have given a qualified opinion and the response of the Company with respect to it is as follows:

Attention is drawn on the standalone financial statements, regarding "Assets Held for Sale (AHS)" pertaining to Wireless Spectrum, Towers, Fibre and Media Convergence Nodes (MCNs)

along with liabilities continue to be classified as held for sale at the value ascertained at the end of March 31, 2018, and impact of the non payment of spectrum installments due to Department of Telecommunication (DOT). Non determination of fair value of Assets Held for Sale as on the reporting date is not in compliance with Ind AS 105 "Non-Current Assets Held for Sale and Discontinued Operations".

Attention is drawn on the standalone financial statements regarding admission of the Company and its four subsidiaries into Corporate Insolvency Resolution Process ("CIRP"), and pending determination of obligations and liabilities with regard to various claims submitted by the Operational/financial/other creditors and employees including interest payable on loans during CIRP. Auditors are unable to comment the accounting impact there of pending reconciliation and determination of final obligation. The Company accordingly has not provided interest on borrowings amounting to ₹ 3,916 crore (₹ 4,362 crore in case of consolidated) for the year ended March 31, 2021 and ₹ 11,174 crore (₹ 12,746 crore in case of consolidated) up to the previous financial year calculated based on basic rate of interest as per terms of loan. The Company further has not provided for foreign exchange gain amounting to ₹ 515 crore (₹ 630 crore in case of consolidated) for year ended March 31, 2021 and ₹ 2,116 crore (₹ 2,593 crore in case of consolidated) of foreign exchange loss up to the previous financial year. Had such interest and foreign exchange variation as mentioned above been provided, the reported loss for the year ended March 31, 2021 would have been higher by ₹ 3,401 crore (₹ 3,732 crore in case of consolidated) and Net worth of the Company would have been lower by ₹ 16,691 crore (₹ 19,071 crore in case of consolidated) as at March 31, 2021 and ₹ 13,290 crore (₹ 15,339 crore in case of consolidated) as at March 31, 2020. Non provision of interest and non recognition of foreign exchange variation is not in compliance with Ind AS 23 "Borrowing Costs" and Ind AS 21 "The Effects of Changes in Foreign Exchange Rates" respectively.

Attention is drawn on the standalone financial statement, regarding pending comprehensive review of carrying amount of all assets (including investments, receivables and balances lying under Goods & Service Tax) & liabilities and non provision for impairment of carrying value of the assets and write back of liabilities if any, pending completion of the CIRP. In the absence of comprehensive review as mentioned above for the carrying value of all the assets and liabilities, auditors are unable to comment that whether any adjustment is required in the carrying amount of such assets and liabilities and consequential impact, if any, on the reported losses for the year ended March 31, 2021. Non determination of fair value of financial assets & liabilities and impairment in carrying amount for other assets and liabilities are not in compliance with Ind AS 109 "Financial Instruments", Ind AS 36 "Impairment of Assets" and Ind AS 37 "Provisions, Contingent Liabilities & Contingent Assets".

Attention is drawn on the standalone financial statement, regarding non adoption of Ind AS 116 "Leases" effective from April 1, 2019 and the consequent impact thereof. The aforesaid accounting treatment is not in accordance with the relevant Indian Accounting Standard Ind AS 116.

Attention is drawn on the standalone financial statement, regarding continuous losses incurred by the Company, current liabilities exceeding its current assets, default in repayment of

Directors' Report

borrowings and default in payment of regulatory and statutory dues. This situation indicates that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. The accounts however have been prepared by the management on a going concern basis for the reason stated in the aforesaid note. Auditors are unable to obtain sufficient and appropriate audit evidence regarding management's use of the going concern basis of accounting in the preparation of the standalone financial statements, in view of ongoing CIRP, the outcome of which cannot be presently ascertained.

The observations and comments given by the Auditors in their report read together with notes on financial statements are self explanatory particularly Note No. 2.14, 2.30, 2.47, 2.48 and 2.51 (standalone financials) and Note No. 2.15, 2.35, 2.42, 2.51, 2.54, 2.57 and 2.58 (consolidated financials) and hence the same to be treated as explanation provided under Section 134 of the Act.

The audited financial statements are drawn up both on standalone and consolidated basis for the financial year ended March 31, 2021, in accordance with the requirements of the Ind-AS Rules.

As per the provisions of Clause (ca) of Sub-section (3) of Section 134 of the Act, the auditors of the Company have not reported any fraud under sub-section (12) of Section 143 of the Act.

Cost Auditors

Pursuant to the provisions of the Act and the Companies (Cost Records and Audit) Rules, 2014, the Resolution Professional, on the recommendation of directors in a meeting dated June 26, 2021 have appointed M/s. V. J. Talati & Co., Cost Accountants, as the Cost Auditors to conduct cost audit for the telecommunications businesses of the Company for the financial year ending March 31, 2022 and their remuneration is subject to ratification by the Members at the ensuing Annual General Meeting of the Company.

The Provisions of Section 148(1) of the Act are applicable to the Company and accordingly the Company has maintained cost accounts and records in respect of the applicable products for the year ended March 31, 2021.

Secretarial Standards

During the year under review, the Company has complied with the applicable Secretarial Standards issued by The Institute of Company Secretaries of India.

Secretarial Audit & Secretarial Compliance Report

Pursuant to the provisions of Section 204 of the Act read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Resolution Professional on the recommendation of Directors in the meeting held on November 28, 2020 had appointed M/s. Ashita Kaul & Associates, Company Secretaries in Practice to undertake the Secretarial Audit of the Company. There is no qualification, reservation or adverse remark made in their Secretarial Audit Report submitted to the Company. The Secretarial Audit Report is attached herewith as **Annexure A**.

Pursuant to Regulation 24A of the Listing Regulations, the Company has obtained Annual Secretarial Compliance Report from a Practicing Company Secretaries (PCS) on compliance of all applicable SEBI

Regulations and circulars/ guidelines issued there under and the copy of the same shall be submitted with the Stock Exchanges within the prescribed due date.

The observations and comments given by the Secretarial Auditor in their Report are self-explanatory and hence do not call for any further comments under Section 134 of the Act.

Annual Return

As required under Section 134(3)(a) of the Act, the Annual Return for the financial year 2020-21 is put up on the Company's website and can be accessed at [https://www.rcom.co.in/investor-relations-Annual Return](https://www.rcom.co.in/investor-relations-Annual%20Return).

Particulars of Employees and related disclosures

In terms of the provisions of Section 197(12) of the Act read with Rule 5(2) and 5(3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (the Rules), as amended, a statement showing the names and other particulars of the employees drawing remuneration in excess of the limits set out in the said Rules are provided in the Annual Report. Disclosures relating to the remuneration and other details as required under Section 197(12) of the Act read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 as amended, also forms part of this Annual Report.

However, having regard to the provisions of second proviso to Section 136(1) of the Act, the Annual Report, excluding the aforesaid information is being sent to all the members of the Company and others entitled thereto. Any member interested in obtaining the same may write to the Company Secretary and the same will be furnished on request.

Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo

As the Company does not carry on any manufacturing activity, being a telecommunications service provider, most of the information of the Company as required under Section 134(3) (m) of the Act read with Rule 8 of the Companies (Accounts) Rules, 2014 are not applicable. However, the information as applicable has been given in the **Annexure B** forming part of this Report.

Corporate Governance

The Company has adopted the "Reliance Group-Corporate Governance Policies and Code of Conduct" which sets out the systems, process and policies conforming to the international standards. The report on Corporate Governance as stipulated under Regulation 34(3) read with Para C of Schedule V of the Listing Regulations is presented in separate section forming part of this Annual Report.

A Certificate from, M/s. Ashita Kaul & Associates, Practicing Company Secretaries, conforming compliance to the conditions of Corporate Governance as stipulated under Para E of Schedule V of the Listing Regulations, is enclosed to this Report.

Directors' Report

Ombudspersons & Whistle Blower (Vigil Mechanism)

The Company has formulated an Ombudspersons & Whistle Blower (Vigil Mechanism) to address the genuine concern, if any of the directors and employees. The details of the same have been stated in the Report on Corporate Governance and the policy can also be accessed on the Company's website at www.rcom.co.in.

Risk Management

The Board of the Company had constituted a Risk Management Committee in their meeting held on 14th November, 2014 consisting of majority of directors and senior managerial personnel of the Company; however these mandatory provisions of Listing Regulations are not applicable to the Company. The Board of Directors of the Company has previously dissolved the Risk Management Committee in its meeting held on 3rd November, 2018. The Audit Committee of Directors looks after the functions of the Risk Management Committee.

The Company is currently under corporate insolvency resolution process ("CIR process") pursuant to the provisions of the Insolvency and Bankruptcy Code, 2016 and considering these developments including, in particular, the respective Resolution Professionals having taken over the management and control of the Company and its subsidiaries (Group) which are under CIR process *inter alia* with the objective of running them as going concerns. The Company continues to incur loss, current liabilities exceed current assets and the Group has defaulted in repayment of borrowings, payment of regulatory and statutory dues. The Auditors have drawn qualification in their Audit Report for the year ended March 31, 2021 that these events indicate material uncertainty on the Group's ability to continue as a going concern.

Further, the Company has a robust Business Risk Management framework to identify, evaluate business risks and opportunities. This framework seeks to create transparency, minimize adverse impact on the business objectives and enhances Company's competitive advantage. The business risk framework defines the risk management approach across the enterprise at various levels including documentation and reporting.

The risk framework has different risk models which helps in identifying risks trend, exposure and potential impact analysis at a Company level as also separately for business segments.

Compliance with provisions of Sexual Harassment of Women at workplace (Prevention, Prohibition and Redressal) Act, 2013

The Company is committed to uphold and maintain the dignity of women employees and it has in place a policy which provides for protection against sexual harassment of women at work place and for prevention and redressal of such complaints. During the year no such complaint was received.

The Company has also constituted an Internal Compliance Committee under the Sexual Harassment of Women at workplace (Prevention, Prohibition and Redressal) Act, 2013.

Corporate Social Responsibility

The Company has constituted Corporate Social Responsibility Committee in compliance with the provisions of Section 135 of the Act read with the Companies (Corporate Social Responsibility Policy) Rules 2014. The Corporate Social Responsibility Committee has formulated a Corporate Social Responsibility Policy (CSR policy) indicating the activities to be undertaken by the Company. However, Section 135 of the Companies Act,

2013 and rules made there under are not applicable to the Company for the Financial year 2020-21.

The CSR policy may be accessed on the Company's website at the link; <http://www.rcom.co.in/Rcom/about-us/investor-relations/corporate-governance.html>.

The CSR Committee as on March 31, 2021, comprised Smt. Manjari Kacker as Chairperson and Shri Punit Garg, Shri Vishwanath Devaraja Rao, Smt. Ryna Karani and Smt. Chhaya Virani as members.

Indian Telecom Industry

India continues to be the one of the largest telecommunications market in the world, with around 1201.20 Million subscribers. During FY 2020-21 we saw the consolidation of the Indian mobile telecommunications market into three private players, besides the two PSUs. India has transformed from multi-player hyper competitive market to an Oligopoly and possibly moving towards a duopoly. Given the legal and financial complications around selling of spectrum, pending AGR dues, and the ongoing tax disputes with the government authorities, the industry players balance sheet is stretched with unsustainable debt, continued hyper price competition and upcoming demands for high capex on account of 5G and fibre expansion.

The consolidation has also led to the coming of specialist B2B strengths into sharp focus. Now that Reliance Communications is a pure play B2B operator, the Company is able to better utilize its resources towards focused delivery of its services to the enterprise segment.

Industry statistics

- Total number of telephone subscribers (Wireless and Wireline) in India is 1201.20 million at the end of March 2021, against 1177.97 million at the end of March 2020.
- Wireless subscribers accounted for 98.25% of the overall telecom subscriber base.
- Wireless tele-density increased to 86.68% in March 2021, compared to 85.78% at the end of March 2020.
- The Internet subscriber base showed growth and at the end of March 2021 the total was at 778.09 million against 687.44 million in March 2020. Wireless Internet continued to remain the preferred medium of access and accounted for nearly 97% of the subscriber base.

Principle 2:

Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle.

- List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.**

Our Company provides B2B services, Internet Data Centre and Telecom Infrastructure through subsidiary companies. Another major challenge is to optimize the electricity use at the Data center. Normally, Data center operation itself involves enormous amount of electricity consumption measured by Power Usage Effectiveness (PUE). The huge electricity consumption has a negative impact on the environment and corporate operating costs. We have been identifying and implementing the technologies, mechanisms at all the data centers to improve the PUE.

Electromagnetic radiation from BTS antenna and noise pollution from usage of Diesel Generator may be considered as an environment concerns. Radiation and noise pollution are within the permissible limit, still we are closely monitoring the same and take preventive steps to reduce radiation and noise pollution.

- For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):**

The Company's services do not have any broad based impact on energy. Our Internet Data Center (IDC), normally, has a connected load of 5 MW which is being taken from the local grids. We have implemented the Energy Management System (ISO 50001 EnMS) at our largest data center in Mumbai. Spectrum is used for Electromagnetic radiation and Diesel is used in Diesel Generator as a resource. Electromagnetic radiation is measured in unit of RF power transmitted in watt per square meter and Noise pollution emitted from Diesel Generator is measured in terms of dB level.

- Does the company have procedures in place for sustainable sourcing (including transportation)? If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.**

Yes, our policy aims to have long term relationship with various vendors. We have detail procedures for finalization of prospective vendors, which includes techno commercial analysis, vendor's financial strength, market share, past track record etc. All vendors providing goods/ services have to comply with the local laws. While selecting a product, efforts are put on environment friendliness, low power consumption, EMF radiation monitoring / testing etc.

- Has the company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve their capacity and capability of local and small vendors?**

We support and encourage local vendors for ensuing positive impact of sourcing resources. The local vendors were used for small civil related jobs, fibre related services, sign boards, local supply of materials, material handling, housekeeping, etc. We have appointed local service providers whose job is to give after sales service to the customers. These service providers are given regular training so as to optimize their capacity and capabilities.

- Does the company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.**

Yes, the Company has well established process for disposal of Products Waste, e.g. Telecom End of Life Batteries though Battery OEMs and Electronics waste are being disposed off through scrap vendors after proper disposal certificates are being taken from the vendors.

Corporate Governance Report

Background:

Pursuant to an application filed by Ericsson India Pvt. Ltd before the Hon'ble National Company Law Tribunal, Mumbai Bench ("NCLT") in terms of Section 9 of the Insolvency and Bankruptcy Code, 2016 read with the rules and regulations framed thereunder ("Code"), the NCLT had admitted the application and ordered the commencement of corporate insolvency resolution process ("CIR process" or "CIRP") of the Reliance Communication Limited ("Company") vide its order dated May 15, 2018 ("Admission Order"). The NCLT had, pursuant to the Admission Order, appointed an interim resolution professional for the Company ("IRP") vide its order dated May 18, 2018. In terms of the Admission Order, *inter alia*, the management of the affairs of the Company was vested in the IRP.

Subsequently, the Hon'ble National Company Law Appellate Tribunal ("NCLAT"), while adjudicating upon an appeal preferred against the admission of the insolvency application against the Company, vide its order dated May 30, 2018, *inter alia*, stayed the Admission Order and allowed the management of the Company to function ("Stay Order"). On April 30, 2019, the NCLAT, upon allowing the director and shareholder of the Company to withdraw its aforesaid appeal, vacated all interim orders including the Stay Order. The NCLT vide order dated May 7, 2019 directed the IRP to proceed in the CIRP of the Company.

Thereafter, the committee of creditors of the Company resolved with the requisite voting share, to replace the IRP with the undersigned, as the resolution professional for the Company ("RP" or "Resolution Professional"). Subsequently, the NCLT has appointed Mr. Anish Niranjana Nanavaty as the RP for the Company vide its order dated June 21, 2019, which was published on June 28, 2019.

Accordingly, as per Section 17 of the Code, the powers of the board of directors of the Company stand suspended and the same are vested in and are exercised by the RP. However, while the powers of the board of directors stand suspended, the directors continue to hold their respective positions/ designations in the Company and are required to extend all assistance and cooperation to the RP as required in managing the affairs of the Company. Meetings of the directors and committees are called in compliance with the provisions of applicable laws governing the Company, where matters are discussed and the recommendations of the Directors are taken note of by the RP for the purpose of managing the operations of the Company as a going concern, ensure company remains in compliance and for good corporate governance.

Further, as per Regulation 15(2A) and (2B) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), the provisions specified in Regulations 17, 18, 19, 20 and 21 of the Listing Regulations shall not be applicable during the corporate insolvency resolution process of the Company and the roles and responsibilities of the board of directors and the committees, specified in the respective regulations of the Listing Regulations, shall be fulfilled by the RP.

In accordance with the provisions of the Code, various resolution plans in respect of the Company were received by the RP. The committee of creditors of the Company ("CoC"), in their meeting held on March 02, 2020, has approved a resolution plan submitted by UV Asset Reconstruction Company Limited

("Resolution Plan") which was subsequently submitted to the Hon'ble NCLT on March 6, 2020 in accordance with Section 30(6) of the Code. The same continues to remain sub-judice with the Hon'ble NCLT.

Corporate governance philosophy

The Company follows the highest standards of corporate governance principles and best practices by adopting the "Reliance Group – Corporate Governance Policies and Code of Conduct" as is the norm for all constituent companies in the group. These policies prescribe a set of systems and processes guided by the core principles of transparency, disclosure, accountability, compliances, ethical conduct and the commitment to promote the interests of all stakeholders. The policies and the code are reviewed periodically to ensure their continuing relevance, effectiveness and responsiveness to the needs of our stakeholders.

Governance Practices and Policies

The Company has formulated number of policies and introduced several governance practices as follows to comply with the applicable statutory and regulatory requirements with most of them introduced long before they were made mandatory.

The Securities and Exchange Board of India vide its circular no. SEBI / HO / MIRSD / DOS3 / CIR / P / 2019 / 30 dated February 11, 2019, with a view to address the difficulties in transfer of shares, faced by non-residents and foreign nationals, has decided to grant relaxations to non-residents from the requirement to furnish PAN and permit them to transfer equity shares held by them in listed entities to their immediate relatives subject to the following conditions:

- a. The relaxation shall only be available for transfers executed after January 1, 2016.
- b. The relaxation shall only be available to non-commercial transactions, i.e. transfer by way of gift among immediate relatives.
- c. The non-resident shall provide copy of an alternate valid document to ascertain identity as well as the non-resident status.

Non-Resident Indian members are requested to inform KFinTech, the Company's Registrar and Transfer Agent immediately on the change in the residential status on return to India for permanent settlement

Hold Securities in Consolidated form

Investors holding shares in multiple folios are requested to consolidate their holding in single folio. Holding of securities in one folio enables shareholders to monitor the same with ease.

Link for updating the PAN / Bank Details is provided on the website of the Company.

Electronic Payment Services

Investors should avail the Electronic Payment Services for payment of dividend as the same reduces risk attached to physical dividend warrants. Some of the advantages of payment through electronic credit services are as under:

- Avoidance of frequent visits to banks for depositing the physical instruments.
- Prompt credit to the bank account of the investor through electronic clearing.
- Fraudulent encashment of warrants is avoided.
- Exposure to delays / loss in postal service avoided.
- As there can be no loss in transit of warrants, issue of duplicate warrants is avoided.

Investor Information

Printing of bank account numbers, names and addresses of bank branches on dividend warrants provide protection against fraudulent encashment of dividend warrants. Members are requested to provide the same to the Company's RTA, KFin Technologies Private Limited (Kfintech) for incorporation on their dividend warrants.

Intimate mobile number

Shareholders are requested to intimate their mobile number and changes therein, if any, to Company's Registrar and Transfer Agent (RTA), if shares are held in physical form or to their DP if the holding is in electronic form, to receive communications on corporate actions and other information of the Company.

Register for SMS alert Facility

Investor holding shares in demat mode should register with Depository Participants for the SMS alert facility. Both Depositories viz. National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) alert investors through SMS of the debits and credits in their demat account.

Submit Nomination Form and avoid transmission hassle

Nomination helps nominees to get the shares transmitted in their favour without any hassles. Investors should get the nomination registered with the Company in case of physical holding and with their Depository Participants in case of shares are held in dematerialised form.

Form may be downloaded from the Company's website, www.rcom.co.in under the section 'Investor Relations'.

However, if shares are held in dematerialised form, nomination has to be registered with the concerned Depository Participants directly, as per the form prescribed by the Depository Participants.

Deal only with SEBI Registered Intermediaries

Investors should deal with SEBI registered intermediary so that in case of deficiency of services, investor may take up the matter with SEBI.

Corporate Benefits in Electronic Form

Investor holding shares in physical form should opt for corporate benefits like split / bonus etc. in electronic form by providing their demat account details to Company's RTA.

Register e-mail address

Investors should register their e-mail address with the Company / Depository Participants. This will help them in receiving all communications from the Company electronically at their e-mail address. This also avoids delay in receiving communications from the Company. Prescribed form for registration may please be downloaded from the Company's website.

Course of action for revalidation of dividend warrant for previous years

Shareholders may write to the Company's RTA, furnishing the particulars of the dividend not received, and quoting the folio number / DP ID and Client ID particulars (in case of dematerialised shares), as the case may be and provide bank details along with cancelled cheque bearing the name of the shareholder for updation of bank details and payment of unpaid

dividend. The RTA would request the concerned shareholder to execute an indemnity before processing the request. As per a circular dated April 20, 2018 issued by SEBI, the unencashed dividend can be remitted by electronic transfer only and no duplicate dividend warrants will be issued by the Company. The shareholders are advised to register their bank details with the Company / RTA or their DPs, as the case may be, to claim unencashed dividend from the Company.

Facility for a Basic Services Demat Account (BSDA)

SEBI has stated that all the depository participants shall make available a BSDA for the shareholders unless otherwise opted for regular demat account with (a) No Annual Maintenance charges if the value of holding is upto ₹ 50,000 and (b) Annual Maintenance charges not exceeding ₹ 100 for value of holding from ₹ 50,001 to ₹ 2,00,000. (Refer Circular CIR/MRD/DP/22/2012 dated August 27, 2012 and circular CIR/MRD/DP/20/2015 dated December 11, 2015).

Annual General Meeting

The 17th Annual General Meeting (AGM) is convened to be held on Saturday, September 25, 2021 at 11.30 A.M. (IST) through Video Conferencing (VC) / Other Audio Visual Means (OAVM).

E-voting

The Members can cast their vote online through remote e-voting from 10.00 A.M. (IST) on Tuesday, September 21, 2021 to 5.00 P.M. (IST) on Friday, September 24, 2021. At the end of remote e-voting period, the facility shall forthwith be blocked. However, the e-voting facility shall also be made available to the shareholders present at the meeting through VC/OAVM who have not cast their vote on resolution through remote e-voting.

The Members who have cast their votes by remote e-voting prior to the Meeting may also attend the Meeting but shall not be entitled to cast their votes again at the Meeting.

Pursuant to Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, effective from June 9, 2021, SEBI has revised the procedure for e-voting facilities to be provided by listed entities for individual shareholders holding security demat form. Members are requested to follow the procedure / instructions provided in the Notes to Notice for the Annual General Meeting pursuant to the aforesaid circular.

In our opinion and to the best of our information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in as considered necessary and explanations furnished to us by the Company & its officers, we hereby certify that none of the Directors on the Board of the Company as stated below for the Financial Year ending on 31st March, 2021 have been debarred or disqualified from being appointed or continuing as directors of companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs or any other Statutory Authority.

List of Directors of Reliance Communications Limited as on March 31, 2021:

Sr. No	Name Of the Director	DIN	Date of Appointment in the Company
1	Mr Anil D Ambani*	00004878	07/02/2006
2	Mr Punit Garg	00004407	02/10/2017
3	Mr. Vishwanath Devaraja Rao	08607657	19/11/2019
4	Mr Suresh Rangachar*	00020887	11/11/2017
5	Ms. Ryna Karani*	00116930	11/11/2017

7	Ms. Chhaya Virani*	06953556	11/11/2017

Ensuring the eligibility for the appointment / continuity of every Director on the Board is the responsibility of the management of the Company. Our responsibility is to express an opinion on these based on our verification. This Certificate is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

(*During Financial Year 2019-20, Shri Anil D Ambani, Smt. Manjari Kacker and Smt. Chhaya Virani, Directors tendered their resignation as Directors of the Company vide resignation letters dated 15th November, 2019 and Shri Suresh Rangachar and Smt. Ryna Karani resigned from their position as directors on 13th November, 2019 and 14th November, 2019 respectively. Further, Shri Anil D Ambani, Shri Suresh Rangachar and Smt. Manjari Kacker have also filed their respective DIR-11 forms with the Registrar of Companies. The Committee of Creditors of the Company ("CoC"), in its meeting held on 20th November, 2019 refused to accept the resignations tendered by directors and advised that the said directors be advised to continue with their duties and responsibilities as directors of the Company and provide all cooperation to the Resolution Professional during the Corporate Insolvency Resolution Process. Accordingly, the name of such directors continues to reflect in the composition of the board of directors and the respective committees of the Company.)

Further, the Resolution Professional has filed an application with the Hon'ble National Company Law Tribunal, Mumbai bench ("NCLT"), praying to direct Shri Anil D. Ambani and Shri Suresh Rangachar to continue as directors on the board of the Company and accordingly, declare the resignations tendered by them as null and void. The said application is pending for hearing at the NCLT.

Due to abovementioned events, the Company has not received annual disclosures as required under section 164(2) of the Companies Act, 2013 from Shri Anil D Ambani, Smt. Manjari Kacker, Smt. Ryna Karani, Smt. Chhaya Virani and Shri Suresh Rangachar, Directors of the Company.

(Reliance Communications Limited is under corporate insolvency resolution process pursuant to the provisions of the Insolvency and Bankruptcy Code, 2016, vide order of the Hon'ble National Company Law Tribunal, Mumbai Bench ("NCLT"), dated May 15, 2018. Its affairs, business and assets are being managed by the Resolution Professional, Mr. Anish Niranjana Nanavaty, appointed by the Hon'ble NCLT vide order dated June 21, 2019, which was published on the website of the NCLT on June 28, 2019.)

Reliance Communications Limited

Practising Company Secretary's Certificate Regarding Compliance of Conditions of Corporate Governance

To
The Members of
Reliance Communications Limited

We have examined the compliance of the conditions of Corporate Governance by Reliance Communications Limited ('the Company') for the year ended on March 31, 2021, as stipulated under regulations 22 to 27, clauses (b) to (i) of sub regulation (2) of regulation 46 and para C, D & E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('The Listing Regulations').

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the directors and the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations for the year ended on March 31, 2021.

As the Company is under CIR Process under IBC Code, 2016, therefore as per Regulation 15(2A) and (2B), of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the provisions as specified in Regulations 17, 18, 19, 20 and 21 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 shall not be applicable to the Company.

Further, the roles and responsibilities of the board of directors and committees as specified in Regulation 17, 18, 19, 20 and 21 are fulfilled by the Resolution Professional ('RP') of the Company.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

The certificate is solely issued for the purpose of complying with the aforesaid Regulations and may not be suitable for any other purpose.

Independent Auditors' Report

To the Members of Reliance Communications Limited

Report on the Audit of the Standalone Financial Statements

Corporate Insolvency Proceedings as per Insolvency and Bankruptcy Code, 2016 (IBC)

The Hon'ble National Company Law Tribunal, Mumbai Bench ("NCLT") admitted an insolvency and bankruptcy petition filed by an operational creditor against Reliance Communications Limited ("the Company") and appointed Resolution Professional (RP) who has been vested with management of affairs and powers of the Board of Directors with direction to initiate appropriate action contemplated with extant provisions of the Insolvency and Bankruptcy Code, 2016 and other related rules.

Qualified Opinion

We have audited the accompanying financial statements of **Reliance Communications Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, and the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (together "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of matters described in the Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Companies Act 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021 and its changes in equity and its loss (including total comprehensive loss) and its cash flows for the year ended on that date.

Basis for Qualified Opinion

- a. We draw attention to Note no. 2.14 & 2.30 of the standalone financial statements, "Assets Held for Sale (AHS)" regarding Wireless Spectrum, Towers, Fibre and Media Convergence Nodes (MCNs) alongwith liabilities continues to be classified as held for sale at the value ascertained at the end of March 31, 2018, for the reasons referred to in the aforesaid note and impact of the non payment of spectrum instalments due to Department of Telecommunication (DOT). Non determination of fair value of Assets Held for Sale as on the reporting date is not in compliance with Ind AS 105 "Non-Current Assets Held for Sale and Discontinued Operations". Accordingly, we are unable to comment on the consequential impact, if any, on the carrying amount of Assets Held for Sale and on the reported losses for the year ended March 31, 2021.
- b. We draw attention to Note no. 2.30 and 2.47 of the standalone financial statements regarding admission of the Company and its four subsidiaries into Corporate Insolvency Resolution Process ("CIRP"), and pending determination of obligations and liabilities with regard to various claims submitted by the Operational/financial/other creditors and employees including interest payable on loans during CIRP. We are unable to comment the accounting impact thereof

pending reconciliation and determination of final obligation.

The Company accordingly has not provided interest on borrowings amounting to Rs. 3,916 crore for year ended March 31, 2021 and Rs.11,174 crore up to the previous financial year calculated based on basic rate of interest as per terms of loan. The Company further has not provided for foreign exchange gain amounting to Rs. 515 crore for the year ended March 31, 2021 and foreign exchange loss (net) amounting to Rs. 2,116 crore up to the previous financial year. Had such interest and foreign exchange variation as mentioned above been provided, the reported loss for the year ended March 31, 2021 would have been higher by Rs. 3,401 crore and Net worth of the Company would have been lower by Rs. 16,691 crore as at March 31, 2021 and by Rs. 13,290 crore as at March 31, 2020 respectively. Non provision of interest and non-recognition of foreign exchange variation is not in compliance with Ind AS 23 "Borrowing Costs" and Ind AS 21 "The Effects of Changes in Foreign Exchange Rates" respectively.

- c. We draw attention to Note no. 2.30 of the standalone financial statements, regarding pending comprehensive review of carrying amount of all assets (including investments, receivables and balances lying under Goods & Service Tax) & liabilities and non provision for impairment of carrying value of the assets and write back of liabilities if any, pending completion of the CIRP. In the absence of comprehensive review as mentioned above for the carrying value of all the assets and liabilities, we are unable to comment that whether any adjustment is required in the carrying amount of such assets and liabilities and consequential impact, if any, on the reported losses for the year ended March 31, 2021. Non determination of fair value of financial assets & liabilities and impairment in carrying amount for other assets and liabilities are not in compliance with Ind AS 109 "Financial Instruments", Ind AS 36 "Impairment of Assets" and Ind AS 37 "Provisions, Contingent Liabilities & Contingent Assets".
- d. We draw attention to Note no. 2.51 of the standalone financial statements, regarding non adoption of Ind AS 116 "Leases" effective from April 1, 2019 and the consequent impact thereof. The aforesaid accounting treatment is not in accordance with the relevant Indian Accounting Standard Ind AS 116.
- e. We draw attention to Note no 2.30 of the standalone financial statements, regarding continuous losses incurred by the Company, current liabilities exceeding its current assets, default in repayment of borrowings and default in payment of regulatory and statutory dues. This situation indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. The accounts however have been prepared by the management on a going concern basis for the reason stated in the aforesaid note. We however are unable to obtain sufficient and appropriate audit evidence regarding management's use of the going concern basis of accounting in the preparation of the standalone financial statements, in view of ongoing CIRP, the outcome of which cannot be presently ascertained.

Independent Auditors' Report

The Network of the Company excludes the effect of qualification under (a), (c), (d) and (e) above, which are non-quantifiable as referred therein.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for qualified opinion.

Emphasis of Matter Paragraph

- a. We draw attention to Note no. 2.38.2(a) of the standalone financial statements, regarding provision of license fee and spectrum usage charges based on management estimates pending special audit from Department of Telecommunications, pursuant to the judgment of Hon'ble Supreme Court of India, vide its order dated October 24, 2019 and status of payment thereof which may undergo revision based on any development in the said matter.

Key Audit Matter

1. Revenue Recognition

The accuracy and completeness of revenue amounts recorded is an inherent industry risk. The revenue is categorised broadly into service and wholesale revenue. Service revenue mainly consists of income from fixed line, broadband, rentals and installations. Wholesale revenue comprises revenue from interconnection, external administration, capacity sales and from resellers.

We considered revenue recognition as a key audit matter as the amount involved is material to the financial statements and due to the complexity of the systems and processes used to record revenue. The accounting policy and relevant disclosures relating to revenue are set out in notes 1.12 and 2.24 respectively, to the standalone financial statements.

2. Valuation and disclosure of accrual estimates for legal claims, litigations, regulatory matters and contingencies and deposits against the same legal matters including provision of license fee and spectrum usage charges, pursuant to the judgment of Hon'ble Supreme Court of India, vide its order dated October 24, 2019

- b. We draw attention to Note no. 2.56 of the standalone financial statements as regards to the management's evaluation of impact of COVID - 19 on the future performance of the Company. The actual outcome of the assumptions and estimates may vary in future due to impact of pandemic.

Our opinion is not modified in respect of above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matters stated in our Basis for Qualified opinion paragraph we have determined the matters described below to be the key audit matters to be communicated in our report.

For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

How our audit addressed the Key Audit Matter

Our audit procedures included, amongst others, the following:

- Testing the end-to-end reconciliation from business support systems to billing and to the general ledger;
- Performing tests on the accuracy of customer bill generation process on a sample basis and testing of a sample of the credits and discounts applied to such customer bills;
- Performed substantive analytical procedures over the significant revenue streams;
- Involving verification of controls surrounding revenue invoicing;
- Assessed transactions taking place before and after year-end to ensure that revenue was recognised in the appropriate period;
- Performing specific procedures to test the accuracy and completeness of adjustments, and performing procedures to ensure that the revenue recognition criteria adopted by the Company is in line with the company's accounting policies.

Independent Auditors' Report

Key Audit Matter

The Company is involved as a party in legal proceedings, including regulatory and other governmental proceedings. The Company has also deposited substantial amounts with regulatory authorities against the demands in dispute, which has been classified as deposit.

This area is significant to our audit, since the accounting and disclosure for (contingent) legal liabilities is complex and judgmental (due to the difficulty in predicting the outcome of the matter and estimating the potential impact if the outcome is unfavourable), and the amounts Involved are, or can be, material to the financial statements as a whole. Further reference is made to Note no. 2.35 Contingent liabilities and note no. 2.38.2(a) on provision of Licence fees and Spectrum Usage Charges.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in Board's Report including Annexures to Board's Report, but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements do not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. When we read the report containing other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibility of Management and those charged with Governance for the Financial Statements

The standalone financial statements, which is the responsibility of the Company's Management is relied upon by the Resolution Professional based on the assistance provided by the Directors and taken on record by the Resolution Professional as fully described in Note no.2.57 of standalone financial statements. The Company's Management is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

How our audit addressed the Key Audit Matter

Our audit procedures included, amongst others, testing the effectiveness of the Company's internal controls around the identification and evaluation of claims/provisions, proceedings and investigations at different levels in the Company, and the recording and continuous re-assessment of the related (contingent) liabilities and provisions and disclosures. We inquired with both internal legal staff including Resolution Professional (RP) as well as with the Company's financial staff in respect of ongoing investigations or claims, proceedings and investigations, inspected relevant correspondence, inspected the minutes of the meetings of the Audit Committee and requested a confirmation from the group's in-house responsible officials and RP. Also the Company has obtained legal opinions in past against these disputes. For claims settled during the year, we vouched the payments, as appropriate and read the related orders to verify whether the settlements were properly accounted for.

We also assessed the adequacy of the Company's disclosure around legal claims, litigations, regulatory matters and contingencies as included in Note no. 2.35 Contingent liabilities.

We consider management's conclusion on the predicted outcome and estimation of potential impact reasonable and we assessed that the disclosures in Note no. 2.35 Contingent liabilities are reasonable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Directors/Resolution Professional (RP) is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management/ RP either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Management/RP is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

Independent Auditors' Report

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- a. Pursuant to applications filed by Ericsson India Pvt. Ltd. before the National Company Law Tribunal, Mumbai Bench ("NCLT") in terms of Section 9 of the Insolvency and Bankruptcy Code, 2016 read with the rules and regulations framed thereunder ("Code"), the NCLT had admitted the applications and ordered the commencement of corporate insolvency resolution process ("CIRP") of Reliance Communications Limited ("the Company") and two of its subsidiaries namely Reliance Infratel Limited (RITL) and Reliance Telecom Limited (RTL) (collectively, the "Corporate Debtors") vide its orders dated May 15, 2018. The committee of creditors ("CoC") of the Corporate Debtors, at the meetings of the CoC held on May 30, 2019, in terms of Section 22 (2) of the Code, resolved with the requisite voting share, to replace the Interim Resolution Professionals with the Resolution Professional ("RP") for the Corporate Debtors, which has been confirmed by the NCLT in its orders dated June 21, 2019 (published on the website of the NCLT on June 28, 2019).
- b. During the previous year Reliance Communication Infrastructure Limited (RCIL) a wholly owned subsidiary of the Company, had been admitted by NCLT for resolution process under the Code and Mr. Anish Nanavaty was appointed as the Resolution Professional by the NCLT.
- c. Further, during the year Reliance Tech Services Limited (RTSL) a wholly a wholly owned subsidiary of the Company, has been admitted by NCLT on August 4, 2020 for resolution process under the Code and Mr. Anjan Bhattacharya has been appointed as the Resolution Professional by the NCLT.
- d. The standalone financial statements of the Company shall be signed by the Chairperson or Managing Director or Whole Time Director or in absence of all of them, it shall be signed by any Director of the Company who is duly authorized by the Board of Directors to sign the financial statements. As mentioned in Note No 2.57 of the standalone financial statement, in view of the ongoing CIRP, the powers of the board of directors stand suspended and are exercised by the Resolution Professional.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) Except for the matters described in the Basis of Qualified opinion paragraph above, we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) Except for the possible effects of the matters described in the Basis of Qualified opinion paragraph above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- (c) The Balance Sheet, the Statement of Profit and Loss, the

Independent Auditors' Report

Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

- (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, except requirement of Ind AS 105 "Non-Current Assets Held for Sale and Discontinued Operations", Ind AS 23 "Borrowing Cost", Ind AS 21 "Effects of Changes in foreign exchanges", Ind AS 116 "Leases", Ind AS 109 "Financial Instruments", and Ind AS 37 "Provisions, Contingent Liabilities and Contingent Assets", with regard to matters described in the Basis of Qualified Opinion paragraph above.
- (e) The matter described under the basis for qualified opinion paragraph above and Qualified Opinion paragraph of 'Annexure B' to this report in our opinion, may have an adverse effect on functioning of the Company and on the amounts disclosed in financial statements of the Company;
- (f) On the basis of the written representations received from two directors of the Company as on March 31, 2021 taken on record by the Board of Directors and based on legal opinion obtained by the Company with regard to nonpayment of debenture holder's due, these two directors are not disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act. Further as mentioned in Note no. 2.50 of the standalone financial statements, other directors of the Company have resigned from the position of director, however their resignation has not been accepted for the reason stated in the said note and Company has not received declarations from these directors in this regard, accordingly we are unable to comment whether these directors are disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- (g) The qualification relating to maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.
- (h) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

- (i) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanation given to us, the managerial remuneration has been paid/provided in accordance with the requisite approval by shareholders as mandated by the provisions of section 197 read with schedule V of the Act.

The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.

- (j) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- The Company has disclosed the impact of pending litigations on its financial position in its standalone financial Statements – Refer note no. 2.35 to the standalone financial statements;
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Reliance Communications Limited

'Annexure A' to the Independent Auditor's Report - March 31, 2021

With reference to the Annexure A referred to in the Independent Auditors' Report to the Members of Reliance Communications Limited ('the Company') on the standalone financial statements for the year ended March 31, 2021, we report the following:

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) We are informed that the Company physically verifies its assets over a three year period. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this policy and on account of Covid 19 pandemic, the Company has physically verified some of the fixed assets on sample basis during the year which is not under electronic surveillance and no material discrepancies were identified on such physical verification.
 - (c) According to the information and explanations given to us, the title deeds of immovable properties, as disclosed in Note 2.01 & 2.14 of the standalone financial statements, are held in the name of the Company, except for the following where the Company is in the process of transferring the title deeds in its name as these were acquired through various schemes of arrangement entered in the earlier years:
- | Particulars | Freehold Land | Leasehold Land | Building |
|---|---------------|----------------|----------|
| No of cases | 359 | 14 | 376 |
| Gross block as at March 31, 2021 (Rs. in crore) | 133 | 12 | 245 |
| Net block as at March 31, 2021 (Rs. in crore) | 133 | 10 | 162 |
- ii. The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material and have been dealt with in books of account.

- iii. As per information and explanation provided to us and on the basis of verification of records of the Company, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. 'Annexure B' to the Independent Auditor's Report – March 31, 2021

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the internal financial controls with reference to standalone financial statements of Reliance Communications Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the Company's internal financial controls system with reference to standalone financial statements.

Meaning of Internal Financial controls with reference to standalone financial statements

A Company's internal financial controls with reference to standalone financial statements is a process designed to provide

reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A Company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis of Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the operating effectiveness of the Company's internal financial controls with reference to financial statements as at March 31, 2021:

- i. The Company's internal process with regard to confirmation and reconciliation of Balances of trade receivable, trade payables & other liabilities and loan & advances which are not providing for adjustments, which are required to be made to the carrying values of such assets and liabilities. (Read with Note no.2.30).
- ii. The Company's internal control process in respect of closure of outstanding entries in Bank Reconciliation Statements which are pending to be reconciled.
- iii. Delay in payment of statutory dues including Goods and Service Tax/Service Tax/ Value Added Tax / Tax Deducted at Source accounts and delays in filing of certain statutory returns during the year with the respective authorities.
- iv. The Company's internal financial control with regard to the compliance with the applicable Indian Accounting Standards and evaluation of carrying values of assets and liabilities and other matters, as fully explained in basis for qualified opinion paragraph of our main report, resulting in the Company not providing for adjustments, which are required to be made, to the standalone financial statements.

'Annexure B' to the Independent Auditor's Report - March 31, 2021

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control with reference to standalone financial statements, such that there is a reasonable possibility that a material misstatement of the Company's standalone financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects / possible effects of the material weaknesses described above under Basis for Qualified Opinion paragraph on the achievement of the objectives of the control criteria, the Company has, in all material respects an adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2021, based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal financial controls over financial statements issued by the ICAI.

We have considered material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company for the year ended March 31, 2021 and these material weaknesses affect our opinion on the standalone financial statements of the Company for the year ended March 31, 2021 [our audit report dated June 26, 2021, which expressed a qualified opinion on those standalone financial statements of the Company].

- (ii) Telecom Licenses are stated at cost as applicable less accumulated amortisation less impairment, if any.
- (iii) Indefeasible Rights of Connectivity (IRC) are stated at cost less accumulated amortisation.
- (iv) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- (v) Intangible assets, namely Entry Fees/ fees for Telecom Licenses and Brand License are amortised on the basis of Straight Line Method, over the balance period of Licenses. IRC and Software are amortised from the date of acquisition or commencement of commercial services, whichever is later.
- (vi) There are no intangible assets assessed with indefinite useful life. The life of amortisation of the intangible assets is as follows.
 - (a) Telecom Licenses – 12.5 to 20 years
 - (b) Brand License – 10 years
 - (c) Indefeasible Right of Connectivity – 15, 20 years
 - (d) Software – 5 years
- (vii) Amortization method, useful life and residual values are reviewed periodically at each reporting period.
- (viii) Any gain or loss on disposal of an item of Intangible Assets is recognised in the Statement of Profit and Loss.

1.06 Non-current assets held for sale and discontinued operations

Non current assets (or disposal group) are classified as assets held for sale when their carrying amount is to be recovered principally through a sale transaction. Non-current assets (or disposal group) classified as held for sale are measured at the lower of their carrying amount and/ or fair value less costs to sell. This condition is regarded as met only when the sale is highly probable and the asset (or disposal group) is available for immediate sale in its present condition, subject only to terms that are usual and customary for sale of such assets and sale is expected to be concluded within twelve months from the date of such classification.

Assets and liabilities classified as held for sale are presented separately in the balance sheet. A disposal group qualifies as discontinued operations if it is a component of the company that either has been disposed off or is classified as held for sale, and; represents a separate major line of business or geographical area of operations, or part of a single co-ordinated plan to dispose of a separate major line of business or geographical area of operations, or a subsidiary acquired exclusively with a view to resale. Non-current assets are not depreciated or amortised while they are classified as held for sale.

When the group is committed to sale plan involving loss of control of a subsidiary, all of the assets and liabilities of that subsidiary are classified as held for sale when the criteria described are met, regardless of whether the group will retain a non controlling interest in its former subsidiary after the sale.

Loss is recognised for any initial or subsequent write down of such non current assets (or disposal group) to fair value less costs to sell. A gain is recognised for any subsequent increase in fair value less costs to sell an asset (or disposal group) but not in excess of any cumulative loss previously recognised.

If the criteria for assets held for sale are no longer met, it ceases to be classified as held for sale and are measured at the lower of (i) its carrying amount before the asset was classified as held for sale, adjusted for any depreciation or any amortisation that would have been recognised had that asset not been classified as held for sale, and (ii) its recoverable amount at the date when the disposal group ceases to be classified as held for sale.

Significant Accounting Policies to Balance Sheet and Statement of Profit and Loss

A discontinued operation is a component of the entity that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single co-ordinated plan to dispose of such a line of business or area of operations, or is a Subsidiary acquired exclusively with a view to resale. The results of discontinued operations or presented separately in the Statement of Profit and Loss.

1.07 Impairment of Non Financial Assets

Intangible assets that have an indefinite useful life are tested annually for impairment or more frequently if events or changes in circumstances indicate that they may be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is increased/ reversed where there has been change in the estimate of recoverable value. The recoverable value is the higher of the assets' net selling price and value in use.

1.08 Inventories of Stores and Spares

Inventories of stores and spares are accounted for at cost and all other costs incurred in bringing the inventory to their present location and condition, determined on weighted average basis or net realizable value, whichever is less. Net realizable value is the estimated selling price in the ordinary course of business less estimated costs necessary to make the sale.

1.09 Employee Benefits

Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. These benefits include compensated absences such as paid annual leave and sickness leave. The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by the employees are recognised as an expense during the period.

Long term employee benefits

(i) Defined contribution plan

The Company's contribution towards Employees' Superannuation Plan is recognised as an expense during the period in which it accrues.

(ii) Defined benefit plans

Provident Fund

Provident Fund contributions are made to a Trust/Regional Provident Fund Commissioner (RPFC) administered by the Trustees/other recognised fund. Interest payable to the Provident Fund members, shall not be at a rate lower than the statutory rate. Liability is recognised for any shortfall in the income of the fund vis-à-vis liability of the interest as per statutory rates to the members. The Company's contribution towards Employees' Provident Fund is recognised as an expense during the period in which it accrues (Refer note 2.41).

Gratuity Plan

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their services in the current and prior periods; that benefit is discounted to determine its present value, mortality rate and the fair value of plan assets is deducted. Mortality rate is based on publicly available mortality table in India.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method.

Obligation is measured at present value of the estimated future cash flows. Discount rates used for determining present value of obligation under the defined benefit plan, are based on market yield of Government Securities as at the balance sheet date that have terms approximating to the terms of the related obligation.

Remeasurement which comprise of actuarial gain and losses, the return of plan assets (excluding interest) and the effect of asset ceiling (if any, excluding interest) are recognised in OCI.

Plan Assets of Defined Benefit Plans have been measured at fair value.

(iii) Other Long term employment benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the defined benefit obligation

Significant Accounting Policies to Balance Sheet and Statement of Profit and Loss

at the balance sheet date, determined based on actuarial valuation using Projected Unit Credit Method. Discount rates used for determining the present value of the obligation under the defined benefit plan, are based on the market yields of Government Securities as at the Balance Sheet date. Remeasurement gain and losses are recognised in the Statement of Profit and Loss in the period in which they arise.

1.10 Borrowing Cost

Borrowing costs attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets upto the commencement of commercial operations. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Other borrowing costs are recognised as an expense in the year in which they are incurred.

1.11 Foreign Currency Transactions

- (i) Transactions denominated in foreign currencies are recorded at the exchange rates prevailing at the time of the transaction.
- (ii) Monetary items denominated in foreign currencies at the year end are restated at the year end rates.
- (iii) Non Monetary foreign currency items are carried at cost (i.e. translated using the exchange rates at the time of initial transactions).
- (iv) Exchange difference on monetary items is recognised in the Statement of Profit and Loss in the period in which they arises except for;
 - (a) Exchange difference on foreign currency borrowings relating to depreciable capital asset is included in cost of assets.
 - (b) Exchange difference on foreign currency transactions, on which receipt and/ or payments is not planned, initially recognised in OCI and reclassified from equity to profit and loss on repayment of the monetary items.
- (v) Accounting of transactions that include the receipt or payment of advance consideration in a foreign currency the date of transaction, for the purpose of determining the exchange rate, is the date of initial recognition of the non monetary prepayment asset or deferred income liability. If there are multiple payments or receipts in advance, a date of transaction is established for each payment or receipt.
- (vi) All long term foreign currency monetary items consisting of loans taken before March 31, 2016 and which relate to the acquisition of depreciable capital assets at the end of the period/ year are restated at the rate prevailing at the balance sheet date. Exchange difference including attributable to the interest arising as a result is added to or deducted from the cost of the assets as per notification dated December 29, 2011 and August 9, 2012 issued by the Ministry of Company Affairs (MCA), Government of India and depreciated over the balance life of the capital asset. Exchange difference on other long term foreign currency loans is accumulated in "Foreign Currency Monetary Item Translation Difference Account (FCMITDA)" which will be amortized over the balance period of monetary assets or liabilities.

1.12 Revenue Recognition

- (i) Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable.
- (ii) Revenue from Contracts with Customers

The Company has applied the practical expedient in Ind AS 115, "Revenue from Contracts with Customers" with effect from April 1, 2018, using the cumulative effect method. Revenue is recognised when control over goods or services is transferred to a customer. A customer obtains control when he has the ability to direct the use of and obtain the benefits from the good or service, there is transfer of title, supplier has right to payment etc. with the transfer of risk and rewards now being one of the many factors to be considered within the overall concept of control.

The Company determines whether revenue should be recognised 'over time' or 'at a point in time'. As a result, it is required to determine whether control is transferred over time. If not, only then revenue be recognised at a point in time, or else over time. The Company also determines if there are multiple distinct promises in a contract or a single performance obligation (PO). These promises may be explicit, implicit or based on past customary business practices. The consideration gets allocated to multiple POs and revenue recognised when control over those distinct goods or services is transferred.

The entities may agree to provide goods or services for consideration that varies upon certain future events which may or may not occur. This is variable consideration, a wide term and includes all types of negative and positive adjustments to the revenue. This could result in earlier recognition of revenue compared to current practice – especially impacting industries where revenue is presently not recorded until all contingencies are resolved. Further, the entities will have to adjust the transaction price for the time value of money. Where the collections from customers are deferred the revenue will be lower than the contract price, and in case of advance collections, the effect will be opposite resulting in revenue exceeding the contract price with the difference accounted as a finance expense.

Significant Accounting Policies to Balance Sheet and Statement of Profit and Loss

- (iii) The Company sells rights of use (ROUs) that provide to the customers with network capacity, typically over a period of 5 to 20 years without transferring legal title or giving an option to purchase network capacity. Capacity services revenues are accounted as operating lease and recognised in the Company's income statement over the life of the contract. Bills raised on the customers/ payments received from the customers for long term contracts and for which revenue is not recognised are included in deferred revenue. Revenue on non cancellable ROUs are recognised as licensing income over the period of the contract.
- (iv) Revenue is recognised as and when the services are provided on the basis of actual usage of the Company's network. Revenue on upfront charges for services with lifetime validity and fixed validity periods are recognised over the estimated useful life of the subscribers and specified fixed validity period, as appropriate. The estimated useful life is consistent with estimated churn of the subscribers.
- (v) Interest income on investment is recognised on time proportion basis. Interest income is accounted using the applicable Effective Interest Rate (EIR), which is the rate that exactly discounts estimated future cash receipts over the expected life of the financial assets to that asset's net carrying amount on initial recognition. Dividend is considered when right to receive is established. The Company recognises income from the units in the Fixed Income Schemes of Mutual Funds where income accrued is held till declaration or payment thereof for the benefit of the unit holders.

1.13 Taxes on Income and Deferred Tax

Income Tax comprises of current and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent that it relates to a business combination or to an item recognised directly in equity or OCI.

Provision for income tax is made on the basis of taxable income for the year at the current rates. Tax expense comprises of current tax and deferred tax at the applicable enacted or substantively enacted rates. Current tax represents amount of Income Tax payable/ recoverable in respect of taxable income/ loss for the reporting period. Deferred tax represents the effect of temporary difference between carrying amount of assets and liabilities in the financial statement and the corresponding tax base used in the computation of taxable income. Deferred tax liabilities are generally accounted for all taxable temporary differences. Deferred tax asset is recognised for all deductible temporary differences, carried forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which such deductible temporary differences can be utilised.

MAT (Minimum Alternate Tax) is recognized as an asset only when and to the extent it is probable evidence that the Company will pay normal income tax and will be able to utilize such credit during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the Statement of Profit and loss and is included in Deferred Tax Assets. The Company reviews the same at each balance sheet date and if required, writes down the carrying amount of MAT credit entitlement to the extent there is no longer probable that Company will be able to absorb such credit during the specified period.

1.14 Government Grants

Subsidies granted by the Government for providing telecom services in rural areas are recognised as other operating income in accordance with relevant terms and conditions of the scheme and agreement.

1.15 Provisions including Asset Retirement Obligation (ARO) and Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Provisions are determined by discounting expected future cash flows at the pre tax rate that reflects current market assumptions of time value of money and risk specific to the liability. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Asset Retirement Obligation (ARO) relates to removal of electronics equipments when they will be retired from its active use. Provision is recognised based on the best estimate, of the management, of the eventual costs (net of recovery), using discounted cash flow, that relates to such obligation and is adjusted to the cost of such assets. Estimated future costs of decommissioning are reviewed annually and adjusted as appropriate. Changes in the estimated future costs or in the discount rate applied are added to or deducted from the cost of the asset. Contingent Assets are neither recognised nor disclosed in the financial statements of the Company.

1.16 Earning per Share

In determining Earnings per Share, the Company considers net profit after tax and includes post tax effect of any exceptional item. Number of shares used in computing basic earnings per share is the weighted average number of the shares, excluding the shares owned by the Trust, outstanding during the period. Dilutive earning per share is computed and disclosed after adjusting effect of all dilutive potential equity shares, if any except when result will be anti - dilutive. Dilutive potential equity Shares are deemed converted as at the beginning of the period, unless issued at a later date.

Significant Accounting Policies to Balance Sheet and Statement of Profit and Loss

1.17 Employee Stock Option Scheme

In respect of stock options granted pursuant to the Company's Employee Stock Option Scheme, fair value of the options is treated as discount and accounted as employee compensation cost over the vesting period. Employee compensation cost recognised earlier on grant of options is reversed in the period when the options are surrendered by any employee or lapsed as per the terms of the scheme.

1.18 Treasury Equity

The Company has created an Employee Stock Option Scheme Trust (ESOS Trust) for providing share-based payment to its employees. The Company uses ESOS Trust as a vehicle for distributing shares to employees under the employee remuneration schemes. The ESOS Trust buys shares of the Company from the market, for giving shares to employees. The Company treats ESOS Trust as its extension and shares held by ESOS Trust are treated as Treasury Equity.

Own equity instruments that are reacquired (Treasury Equity) are recognised at cost and deducted from equity. No gain or loss is recognised in Statement of Profit or Loss, on purchase, sale, issue or cancellation of the Company's own equity instruments. Any difference between carrying amount and consideration, if reissued, is recognised in equity.

1.19 Measurement of Fair value of financial instruments

The Company's accounting policies and disclosures require measurement of fair values for the financial instruments. The Company has an established control framework with respect to measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses evidence obtained from third parties to support the conclusion that such valuations meet the requirements of Ind AS, including level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If inputs used to measure fair value of an asset or a liability fall into different levels of fair value hierarchy, then fair value measurement is categorised in its entirety in the same level of fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfers between levels of fair value hierarchy at the end of the reporting period during which the change has occurred (Note 2.36.1) for information on detailed disclosures pertaining to the measurement of fair values.

1.20 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign exchange forward contracts.

Financial Assets

(i) Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through Statement of Profit and Loss, transaction costs that are attributable to the acquisition of the financial asset.

(ii) Subsequent measurement :

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Financial Assets measured at amortised cost:

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- Asset is held within a business model whose objective is to hold assets for collecting contractual cash flows.
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is

Significant Accounting Policies to Balance Sheet and Statement of Profit and Loss

calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. EIR amortisation is included in finance income in the Statement of Profit and Loss. Losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

Financial Assets measured at fair value through other comprehensive income (FVTOCI):

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets.
- b) The contractual cash flows of the assets represent SPPI: Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in Other Comprehensive Income is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method

Financial Assets measured at fair value through profit or loss (FVTPL):

Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch')

Equity investments :

All equity investments in scope of Ind-AS 109, "Financial Instruments" are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the company decides to classify the same either as at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition which is irrevocable. If the company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income. There is no recycling of the amounts from Other Comprehensive Income to profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

(iii) Derecognition of Financial Assets

A financial asset is primarily derecognised when: a) Rights to receive cash flows from the asset have expired, or b) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

(iv) Impairment of Financial Assets

The Company assesses on a forward looking basis the Expected Credit Losses (ECL) associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in the credit risk. In case of significant increase in credit risk, life time ECL is used; otherwise twelve month ECL is used. As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables, as permitted by Ind AS 109. Provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

Financial Liabilities

(i) Initial recognition and measurement

All financial liabilities are recognised initially at fair value, in the case of loans, borrowings and payables, net of directly attributable transaction costs. Financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

(ii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described herein:

Financial liabilities at fair value through Statement of Profit or Loss: Financial liabilities at fair value through Profit or Loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial Liabilities measured at Amortised Cost: After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Derecognition of Financial Liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

1.21 Use of Estimates

The preparation and presentation of Financial Statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities and disclosure of contingent liabilities on the date of the Financial Statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates is recognised in the period in which the results are known/ materialised. Estimates and underlying assets are reviewed on periodical basis. Revisions to accounting estimates are recognised prospectively.

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. The management also needs to exercise judgment in applying the accounting policies.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Critical estimates and judgments

The Company has based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

The areas involving critical estimates or judgments pertaining to useful life of property, plant and equipment including intangible asset (Note 2.01 and Note 2.02), current tax expense and tax payable, recognition of deferred tax assets for carried forward tax losses (Note 2.29), fair value of unlisted securities (Note 2.07), impairment of trade receivables and other financial assets (Note 2.08), assets held for sale (Note 2.14), liabilities held for sale (Note 2.14) and measurement of defined benefit obligation (Note 2.41). Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

- (i) Useful life of Property, Plant and Equipment including intangible asset: Residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.
- (ii) Taxes: The Company provides for tax considering the applicable tax regulations and based on probable estimates. Management periodically evaluates positions taken in the tax returns giving due considerations to tax laws and establishes provisions in the event if required as a result of differing interpretation or due to retrospective amendments, if any. The recognition of deferred tax assets is based on availability of sufficient taxable profits in the Company against which such assets can be utilized.
- (iii) Fair value measurement and valuation process: The Company measured financial assets and liabilities, if any, at fair value for financial reporting purposes.
- (iv) Trade receivables and Other Financial Assets: The Company follows a 'simplified approach' (i.e. based on lifetime

Significant Accounting Policies to Balance Sheet and Statement of Profit and Loss

Expected Credit Loss ("ECL")) for recognition of impairment loss allowance on Trade receivables. For the purpose of measuring lifetime ECL allowance for trade receivables, the Company estimates irrecoverable amounts based on the ageing of the receivable balances and historical experience. Further, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively. Individual trade receivables are written off when management deems them not to be collectable.

- (v) Defined benefit plans (gratuity benefits): The Company's obligation on account of gratuity and compensated absences is determined based on actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, these liabilities are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter subject to frequent changes is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

The mortality rate is based on publicly available mortality tables in India. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

- (vi) Non-financial assets are reviewed for impairment, whenever events or changes in circumstances indicate that the carrying amount of such assets may not be recoverable. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any.
- (vii) Determination of net realisable value for Assets held for Sale and related liabilities.
- (viii) Provisions and contingent liabilities are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
- (ix) The Company has provided liability against License & Spectrum Fee dues along with interest and penalty, for the demands raised by DoT considering Non-Telecom income till FY 2014-15 and for the balance years, for which demand have not been raised by DoT, the Company has computed estimated liability on Non-Telecom revenue from FY 2015-16 onwards along with interest and penalty thereof.

1.22 Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprise of cash on hand, demand deposits with Banks, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Going Concern

Pursuant to an application filed by Ericsson India Pvt. Ltd before the National Company Law Tribunal, Mumbai Bench ("NCLT") in terms of Section 9 of the Insolvency and Bankruptcy Code, 2016 read with the rules and regulations framed thereunder ("Code"), the NCLT had admitted the application and ordered the commencement of corporate insolvency resolution process ("CIRP") of Reliance Communications Limited ("Corporate Debtor", "the Company") vide its order dated May 15, 2018. The NCLT had appointed Mr. Pardeep Kumar Sethi as the interim resolution professional for the Corporate Debtor vide its order dated May 18, 2018. However, the Hon'ble National Company Law Appellate Tribunal ("NCLAT") by an order dated May 30, 2018 had stayed the order passed by the Hon'ble NCLT for initiating the CIRP of the Corporate Debtor and allowed the management of the Corporate Debtor to function. In accordance with the order of the Hon'ble NCLAT, Mr. Pardeep Kumar Sethi handed over the control and management of the Corporate Debtor back to the erstwhile management of the Corporate Debtor on May 30, 2018. Subsequently, by order dated April 30, 2019, the Hon'ble NCLAT allowed stay on CIRP to be vacated. On the basis of the orders of the Hon'ble NCLAT, Mr. Pardeep Kumar Sethi, wrote to the management of the Corporate Debtor on May 02, 2019 requesting the charge, operations and management of the Corporate Debtor to be handed over back to IRP. Therefore, Mr. Pardeep Kumar Sethi had in his capacity as IRP taken control and custody of the management and operations of the Corporate Debtor from May 02, 2019. Subsequently, the committee of creditors of the Corporate Debtor pursuant to its meeting held on May 30, 2019 resolved, with requisite voting share, to replace the existing interim resolution professional, i.e. Mr. Pardeep Kumar Sethi with Mr. Anish Niranjana Nanavaty as the resolution professional for the Corporate Debtor in accordance with Section 22(2) of the Code. Subsequently, upon application by the CoC in terms of Section 22(3) of the Code, the NCLT appointed Mr. Anish Niranjana Nanavaty as the resolution professional for the Corporate Debtor ("RP") vide its order dated June 21, 2019, which was published on June 28, 2019 on the website of the NCLT. Accordingly, the IRP handed over the matters pertaining to the affairs of the Corporate Debtor to the RP as on June 28, 2019 who assumed the powers of the board of directors of the Corporate Debtor and the responsibility of conducting the CIRP of the Corporate Debtor.

Further, pursuant to the meeting of the committee of creditors of the Corporate Debtor dated March 2, 2020, a resolution plan, submitted by a resolution applicant in respect of the Corporate Debtor, has been approved by the committee of creditors. The application under Section 31 of the Code filed by the RP for approval of resolution plan is currently pending adjudication before the NCLT.

During the previous year, the CIRP in respect of the Corporate Debtor and its subsidiaries; Reliance Telecom Limited (RTL) and Reliance Infratel Limited (RITL) has been re-commenced, and interim resolution professionals had been appointed in respect of the aforesaid companies. Subsequently, appointment of Mr. Anish Niranjana Nanavaty as the Resolution Professional (RP) of the Corporate Debtor and its subsidiaries has been confirmed by the NCLT vide its order dated June 21, 2019 which was published on June 28, 2019 on the NCLT's website.

Notes on Accounts to Financial Statements

Further, during the previous year, Reliance Communications Infrastructure Limited (RCIL), a wholly owned subsidiary of the Corporate Debtor, had also been admitted by NCLT for resolution process under the Code and Mr. Anish Niranjana Nanavaty was appointed as the Resolution Professional of RCIL vide its order dated September 25, 2019.

In the meantime, the NCLT, Mumbai Bench, vide order dated December 3, 2020, has approved the resolution plan submitted by Reliance Projects and Property Management Services Limited, in respect of RITL, a step-down subsidiary of the Corporate Debtor. Upon approval of the resolution plan of RITL, Mr. Anish Niranjana Nanavaty has ceased to be the resolution professional of RITL, and RITL is currently under the supervision of a Monitoring Committee constituted under the provisions of the approved resolution plan comprising of two nominees/representatives of approving financial creditors, two nominees of the RA and Mr. Anish Niranjana Nanavaty (as the Insolvency Professional). The approved resolution plan is yet to be implemented.

Certain lenders had appointed an auditor for conducting forensic audit on the affairs of the Corporate Debtor, RTL and RITL, and a forensic audit report has been purportedly issued by the auditor to such lenders (however, a copy of the report has not been provided to the relevant corporate debtors or their RP/erstwhile RP as it was a report prepared only for the benefit of the lenders). An application has been filed by Reliance Projects and Property Management Services Limited, the successful resolution applicant of RITL before the NCLT, Mumbai Bench seeking inter alia copies of the forensic audit report on the basis of which certain banks have declared the accounts of RITL (and that of the Corporate Debtor and RTL) as "fraud" in terms of the Master Directions on Frauds dated July 01, 2018 issued by the Reserve Bank of India, and other information and documents in respect thereof. RITL has not been arraigned as a party to the said application. The matter is currently sub-judice before the NCLT.

Certain applications had been filed by Doha Bank and other banks before the NCLT, Mumbai Bench challenging the constitution of the CoC of RITL basis certain corporate guarantees issued by RITL in respect of facilities availed by the Corporate Debtor, allegedly without consent of the applicant lenders. The NCLT vide order dated March 2, 2021 has partly allowed the appeal and directed "R2 to R7 are not recognised as Financial Creditors of the Corporate Debtor. R1 (RP) is directed to re-constitute the CoC..." An appeal has been filed by certain lenders against the order of the NCLT before NCLAT. On April 12, 2021, the NCLAT has stayed the operation of the impugned order until next date. The matter remains sub-judice before the NCLAT.

An application had been filed by Doha Bank before the NCLT, Mumbai Bench challenging the decision of the RP of RITL of admission of claims of certain indirect lenders in the CIRP of RITL, on the basis of deed of hypothecation. The NCLT has, vide order dated March 2, 2021, dismissed the application. An appeal has been filed by Doha Bank against the order of the NCLT before the NCLAT, which is currently sub-judice.

Pursuant to strategic transformation programme, as a part of asset monetization and resolution plan of the Company, the Company and its subsidiary companies; RTL and RITL, with the permission of and on the basis of suggestions of the lenders, had entered into definitive binding agreements with Reliance Jio Infocomm Limited (RJio) for monetization of certain specified assets on December 28, 2017 for sale of Wireless Spectrum, Towers, Fibre and Media Convergence Nodes (MCNs). During an earlier year, the said asset sale agreements were terminated by mutual consent on account of various factors and developments including inter alia non receipt of consents from lenders and permission/ approvals from Department of Telecommunication.

On completion of the corporate insolvency resolution process, the Corporate Debtor will carry out a comprehensive review of all the assets including investments and balances lying in Goods and Service Tax, liabilities and accordingly provide for impairment of assets and write back of liabilities, if any.

Considering these developments including, in particular, the RP having taken over the management and control of the Corporate Debtor and its three subsidiaries (Group) inter alia with the objective of running them as going concerns, the standalone financial statements continue to be prepared on going concern basis. It is clarified that RITL is currently under the supervision of a Monitoring Committee. However, since the Corporate Debtor continues to incur loss, current liabilities exceed current assets and Corporate Debtor has defaulted in repayment of borrowings, payment of regulatory and statutory dues, these events indicate that material uncertainty exists that may cast significant doubt on Corporate Debtor's ability to continue as a going concern.

Note: 2.31

During the year, Reliance Tech Services Limited (RTSL), a wholly owned subsidiary of the Corporate Debtor, has been admitted by NCLT on August 04, 2020 for corporate insolvency resolution process under the Code and Mr. Anjan Bhattacharya had been appointed as the Interim Resolution Professional (IRP) and subsequently as the Resolution Professional (RP) by the Hon'ble NCLT. The resolution professional of RTSL has filed an application with NCLT on May 04, 2021 for initiation of liquidation proceedings in respect of RTSL. The necessary effect in the financial statements of RTSL and the consequential impact in the financial statements of the Corporate Debtor will be given basis the decision of the NCLT on the application.

2.36.1 Financial Instruments

The fair value of financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between the willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to the short term maturities of these instruments

Financial Instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rate and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables.

Fair value hierarchy

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 – Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The carrying values of the financial instruments by categories were as follows:

2.36.2 Financial Risk Management Objectives and Policies

Activities of the Company expose it to a variety of financial risks: market risk, credit risk and liquidity risk.

The Company's financial liabilities comprise of borrowings, trade payable and other liabilities to manage its operation and the financial assets include trade receivables, deposits, cash and bank balances, other receivables etc. arising from its operation.

Corporate Insolvency Resolution Process ("CIR Process") has been initiated in case of the Company and three of its subsidiaries under the Provisions of the Insolvency and Bankruptcy Code, 2016 (the Code). Pursuant to the order, the management of affairs of the Company and powers of board of directors of the Company stand vested with the Resolution Professional ("RP") appointed by the NCLT. The framework and the strategies for effective management will be established post implementation of Resolution Plan.

Notes on Accounts to Financial Statements

Presently, the financial management activities are restricted to management of current assets and liabilities of the Company and the day to day cashflow and its associated risks are as under:

Market risk

The Company also operates internationally and hence, a portion of the business is transacted in several currencies. Consequently, the Company is exposed to foreign exchange risk to the extent that there is mismatch between the currencies in which its sales and services, purchases from overseas suppliers and borrowings in various foreign currencies. Market Risk is the risk that changes in market prices such as foreign exchange rates, interest rates will affect income or value of its holding financial assets/ instruments. The exchange rate between rupee and foreign currencies has changed substantially in recent years and may fluctuate significantly in the future.

As a result operations of the Company are adversely affected as rupee appreciates/ depreciates against US Dollar. Since the Company is under CIR Process, it is not required to meet any loan or interest obligation till the resolution plan is implemented. As the overall obligation and liabilities shall be determined during CIR Process, foreign currency loans are stated at exchange rate as at March 31, 2018.

Sensitivity Analysis

Not relevant till the time resolution plan is finalised.

Interest Rate Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates, in cases where the borrowings are measured at fair value through profit or loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates. Since the Company is under CIR Process, it could not meet interest obligation during the year and shall be finalised when resolution plan is implemented.

Exposure to interest rate risk/ Sensitivity Analysis

Not relevant till the time resolution plan is finalised.

Derivative financial instruments

The Company does not hold derivative financial instruments

The company offsets a financial asset and a financial liability when it currently has a legally enforceable right to set off the recognized amounts and the company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Credit risk

Credit risk refers to the risk of default on its obligation by the customer/ counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is carrying value of respective financial assets.

Trade receivables and unbilled revenue are typically unsecured and are derived from revenue earned from the customers. Credit risk has always been managed by each business segment through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company uses expected credit loss (ECL) model to assess the impairment loss or gain. ECL methodology depends on whether there is any significant increase in credit risk. In case of significant increase in credit risk, life time ECL is used; otherwise twelve month ECL is used. The Company uses a provision matrix to compute the expected credit loss allowance for trade receivables and unbilled revenues. The provision matrix takes into account available external and internal credit risk factors such as default risk of industry, credit default swap quotes, credit ratings from international credit rating agencies and historical experience for the customers.

Reliance Communications Limited

Notes on Accounts to Financial Statements

Credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks and financial institutions with high credit ratings assigned by international and/or domestic credit rating agencies. Investments primarily include investment in quoted bonds issued by Government and certificates of deposit which are funds deposited at a bank for a specified time period.

Liquidity risk

The Company is under CIR Process. The Company depends upon timely receipt from sales and delay in sales realisation as well as vendor payments can severely impact the current level of operation. Liquidity crises had led to default in repayment of principal and interest to lenders. Since the Company is under CIR Process, it is not required to meet any loan or interest obligation till the resolution plan is implemented.

Liquidity risk is the financial risk that is encountered due to uncertainty resulting in difficulty in meeting its obligations. An entity is exposed to liquidity risk if markets on which it depends are subject to loss of liquidity for any reason; extraneous or intrinsic to its business operations, affecting its credit rating or unexpected cash outflows. A position can be hedged against market risk but still entail liquidity risk. Prudence requires liquidity risk to be managed in addition to market, credit and other risks as it has tendency to compound other risks. It entails management of asset, liabilities focused on a medium to long-term perspective and future net cash flows on a day-by-day basis in order to assess liquidity risk.

Liquidity Periodic budget and rolling forecasts shall be determined during CIR process.

Exceptional Items

2.38.1 Relating to Continuing Operations

- (a) During an earlier year, the Company was in the process of finalising and implementing its asset monetization and debt resolution plan, comprising the Company's real estate development plan and restructuring of Debt. Accordingly as required by the lenders and also to safeguard the development of real estate and the business taken up by RRL, it was felt necessary that control of RRL be conferred on ADA Group. However, in view of the monetization plan having failed and the resumption of the corporate insolvency resolution process, the control of RRL has now been transferred from ADA Group to the Company. However RP has highlighted that the Company shall not be responsible for any actions undertaken by ADA Group in control of RRL prior to the vesting of control of RRL with the Company. During the previous year, pursuant to amendment of the Articles of Association in the Extra Ordinary General Meeting of Reliance Realty Limited (RRL), held on December 10, 2019, the control of RRL, a subsidiary of the Corporate Debtor, was conferred on the Company, with effect from December 10, 2019. Consequently RRL Investments previously fair valued was recorded at cost. Impact on profitability for the year ended March 31, 2020 is ₹ 8,964 crore loss represented as exceptional items as part of continuing operations.
- (b) During the previous year, GCX Limited, a step down subsidiary of the Corporate Debtor, along with its subsidiaries/affiliates (collectively, "GCX") had filed for voluntary pre-packaged restructuring under Chapter 11 of the US Bankruptcy Code before Delaware court, USA. Objections were filed on behalf of the Corporate Debtor which were not accepted by the court. The plan filed by GCX had been confirmed by the court on December 4, 2019.

The Plan, as confirmed, provides that the old equity interests in the Debtors would be extinguished and the new ownership would pass to the participating Note holders on the "Effective Date" of the Plan. It provided that certain transactions needed to occur and various regulatory approvals needed to be obtained before the Debtors would file a Notice of Effective Date (i.e., a notice declaring that, as of the stated date, the Plan had become effective). Impact on profitability is ₹ Nil and ₹ 6,250 crore for the year ended March 31, 2021 and year ended March 31, 2020 respectively and has been represented as part of Exceptional Items.

Pursuant to the order dated February 25, 2020, the court had granted a motion filed by GCX Limited along with the other debtors aimed at addressing the issues they have been having in completing the steps to make their plan effective inter alia seeking approval for process whereby a bifurcation had been created wherein debtors not requiring regulatory approvals could complete their processes and arrive at effective date, while others could wait for occurrence of their effective date upon fulfillment of regulatory approvals. Accordingly, on April 14, 2020, a notice has been issued intimating occurrence of "Effective Date" of certain "non-regulated debtors" while the "Effective Date of the Plan with respect to Debtors GCX Limited, FLAG Telecom Network USA Limited, Reliance Globalcom Limited, and Vanco US, LLC (collectively, the "Regulated Debtors") is expected to occur at a later date". The court confirmed the aforesaid and entered order on April 21, 2020.

A notice of occurrence of Effective Date for the Regulated Debtors dated December 31, 2020 has been issued by counsel to GCX (and served on Corporate Debtor). The said notice inter alia provides that the Effective Date of the Plan for the Regulated Debtors has occurred on December 31, 2020.

In light of the aforesaid development, the Plan having now being effective in respect of the Regulated Debtors and the Non-Regulated Debtors, the Corporate Debtor has been divested of its indirect equity interest in GCX and there is no impact on the financial statements of the Corporate Debtor.

2.38.2 Relating to Discontinued Operations

- (a) The Hon'ble Supreme Court of India, vide its order dated October 24, 2019 had dismissed the petition filed by the telecom operators and agreed with the interpretation of the Department of Telecommunications (DoT) to the definition of Adjusted Gross Revenue (AGR) under the license.

On September 01, 2020, the Supreme Court pronounced the judgment in the AGR matter ("**SC Judgement**"). It has framed various questions in respect of companies under insolvency and in respect of such questions, the Court has held that the same should be decided first by the NCLT by a reasoned order within 2 months, and that it has not gone into the merits in this decision.

The RP of the Corporate Debtor and Reliance Telecom Limited (RTL) had filed intervention applications before the NCLAT in the appeal filed by the Department of Telecommunications against the resolution plan approval orders of the Aircel companies (wherein the NCLAT was adjudicating on the questions framed by the Hon'ble Supreme Court in the SC Judgement). The RP had also filed written legal submissions in this regard with the NCLAT. The Hon'ble NCLAT has pronounced its judgement dated April 13, 2021 setting out its findings on the questions framed in the SC Judgement. The RP has filed appeals in respect of the Corporate Debtor and RTL against the judgement of the NCLAT before the Supreme Court, which are currently sub judice. Further, in the SC Judgement, reiterating that AGR dues as per original decision should be paid, the Hon'ble Supreme Court had directed that DoT should complete the assessment in cases

Notes on Accounts to Financial Statements

where demand had not been raised and raise demand if it has not been raised, to examine the correctness of self-assessment and raise demand, if necessary, after due verification. In case demand notice has not been issued, DoT should raise the demand within six weeks from date of judgement. The Corporate Debtor has not received any such demand in this regard till date.

The DoT had during the pendency of the various proceedings simultaneously directed Special Audit in relation to the computation of License fee, Spectrum fee, applicable interest and penalties thereon, which is under progress for the financial year 2015-16 onwards. In this regard, the Corporate Debtor had provided for estimated liability aggregating to ₹ 27,821 crore up to the previous year ended March 31, 2020 and has provided additional charge of ₹ 4,241 crore during the year ended March 31, 2021 and represented as exceptional items relating to discontinued operations which may undergo revision based on demands from DoT and/ or any developments in this matter.

Considering various factors including admission of the Corporate Debtor and its subsidiary RTL to resolution process under the Code and the moratorium applicable under Code, discharge of the aforesaid liability will be dealt with in accordance with the Code (subject to orders in the relevant judicial proceedings).

- (b) Assets held for sale including Wireless Spectrum, Towers, Fibre and Media Convergence Nodes (MCNs) continue to be classified as held for sale at the value ascertained at the end of March 31, 2018, along with liabilities and disclosed separately as discontinued operations in line with Ind AS 105 "Non-current Assets Held for Sale and Discontinued Operations".

Note:2.39

Recovery of the Expenses

Expenses are net of recoveries for common cost from; RITL, a subsidiary of RCIL includes ₹ Nil (Previous Year ₹ 11 Crores) for Salaries and ₹ 12 crore (Previous year ₹ 3 crore) for Sales and General and Administration Expenses. RRL ₹ 2 crore (Previous Year ₹31,50,537), GIDC, a Subsidiary of the Company includes Insurance ₹ 1 crore (Previous year ₹ Nil), CPL, a subsidiary of the company includes Insurance ₹ 12,32,155 (Previous year ₹ Nil), RTSL, a subsidiary of the company includes Insurance ₹ 2,79,533 (Previous year ₹ Nil) and RCIL, a subsidiary of the company includes Insurance ₹ 3,75,393 (Previous year ₹ Nil).

Note:2.40

Corporate Social Responsibility

The Company is not required to spend towards Corporate Social Responsibility (CSR) as per Section 135 of the Companies Act, 2013, since there is no average profit in the last 3 years calculated as per the provisions of the Act.

Note 2.41

Employee Benefits

Gratuity: In accordance with the applicable Indian laws, the Company provides for the gratuity, a defined benefit retirement plan (Gratuity Plan) for all employees. The Gratuity Plan provides a lump sum payment to vested employees, at retirement or termination of employment, an amount based on respective employee's last drawn salary and for the years of employment with the Company.

The gratuity plan is governed by the Payment of Gratuity Act, 1972 (Gratuity Act). The Company is bound to pay the statutory minimum gratuity as prescribed under Gratuity Act. There are no minimum funding requirements for a gratuity plan in India. The Company's philosophy is to fund the benefits based on its own liquidity and tax position as well as level of underfunding of the plan vis-à-vis settlements. The management is responsible for the overall governance of the plan. The management has outsourced the investment management of the fund to insurance company which in turn manages these funds as per the mandate provided to them by the trustees and applicable insurance and other regulations.

The Company operates its gratuity and superannuation plans through separate trusts which is administered and managed by the Trustees. As on March 31, 2021 and March 31, 2020, the contributions towards superannuation plans have been invested in Insurer Managed Funds.

The plan is in the nature of a defined benefit plan which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, there is a risk for the Company that any significant change in salary growth or demographic experience or inadequate returns on underlying plan assets can result in an increase in cost of providing these benefits to employees in future.

The defined benefit plan exposes the Company to actuarial risks such as longevity risks, interest risk and market (Investment) risk.

Note 2.44

Employee Stock Option Schemes

The Company was operating Employee Stock Option Plans; ESOS Plan 2008 and ESOS Plan 2009, which covered eligible employees of the Company and its Subsidiaries. ESOS Plan 2008 was operational till March 31, 2017 whereas ESOS Plan 2009 was operational till January 16, 2019. ESOS Plans were administered through an ESOS Trust. The Vesting of the Options was on the expiry of one year from the date of Grant as per Plan under the respective ESOS(s). In respect of Options granted, the accounting value of Options (based on market price of the share on the date of the grant of the Option) was accounted as deferred employee compensation, which was amortised on a straight line basis over the Vesting Period. Each Option entitles the holder thereof to apply for and be allotted/ transferred one Equity Share of the Company of ₹ 5 each upon payment of the Exercise Price during the Exercise Period. The maximum Exercise Period was 10 years from the date of Grant of Options.

Notes on Accounts to Financial Statements

The Company has established a Trust for the implementation and management of ESOS for the benefit of its present and future employees. Advance of ₹ 387 crore (Previous year ₹ 387 crore) has been granted to the Trust and the said amount has been utilized by the Trust for purchasing ₹ 2.13 crore (Previous year ₹ 2.13 crore) Equity Shares during the earlier years. The fall in the value of these underlying shares on account of market volatility and loss, if any, can be determined upon sale of shares by Trust.

Note 2.47 Non Provision of Interest and foreign Exchange Variation on Borrowings

Considering various factors including admission of the Corporate Debtor and its three subsidiaries; RTL, RITL and RCIL to CIRP under the Code, there are various claims submitted by the operational creditors, the financial creditors, employees and other creditors. The overall obligations and liabilities including obligation for interest on loans and the principal rupee amount in respect of loans including foreign currency denominated loans shall be determined during the CIRP and accounting impact if any will be given on completion of CIRP. Further, prior to May 15, 2018, the Corporate Debtor was under Strategic Debt Restructuring (SDR) and asset monetization and debt resolution plan was being worked out. The Corporate Debtor has not provided Interest of ₹ 3,916 crore calculated based on basic rate of interest as per terms of loan for the year ended March 31, 2021 respectively and foreign exchange Gain aggregating to ₹ 515 crore for the year ended March 31, 2021 respectively. Had the Corporate Debtor provided Interest and foreign exchange variation, the Loss would have been higher by ₹ 3,401 crore for the year ended March 31, 2021. The Net worth of the Company as on March 31, 2021 and as on March 31, 2020 would have been lower by ₹ 16,691 crore and ₹ 13,290 crore respectively. The Auditors have drawn qualification for non provision of interest and foreign exchange variations in their Audit Report for the year ended March 31, 2021. During the previous years, Interest of ₹ 11,174 crore and foreign exchange loss (net) aggregating to ₹ 2,116 crore were not provided.

Note on Disqualification of Directors

During the previous year, Shri Anil D Ambani, Smt. Manjari Kacker, Smt. Ryna Karani, Smt. Chhaya Virani and Shri Suresh Rangachar, Directors tendered their resignation as Directors of the Company, however the Committee of Creditors of the Company ("CoC"), in its meeting held on 20th November, 2019 refused to accept the resignations tendered by above mentioned directors and instructed the Resolution Professional to convey to the directors to continue with their duties and responsibilities as directors and provide all cooperation in the corporate insolvency resolution process, at least until the completion of the corporate insolvency resolution process of the Company. In light of the above, it was duly communicated to the aforesaid directors of the Company that their resignations have not been accepted and they were advised to continue to perform their duties and responsibilities as the directors of the Company and provide all cooperation to Resolution Professional in the corporate insolvency resolution process. Accordingly, Shri Anil D Ambani, Smt. Chhaya Virani, Smt. Manjari Kacker, Smt. Ryna Karani and Shri Suresh Rangachar continues to be on the composition of the board of directors and the respective committees of the Company. Due to above mentioned events, the Company has not received necessary annual disclosures as required under section 164(2) and Section 184(1) of the Companies Act, 2013 from Shri Anil D Ambani, Smt. Chhaya Virani, Smt. Ryna Karani, Smt. Manjari Kacker and Shri Suresh Rangachar, Directors of the Company. As per legal opinion obtained by the Company, none of the Directors were disqualified under section 164(2) of the Companies Act 2013 for default in payment of interest and principal of debentures.

Lease:

The assets of the Company are held for sale as per Ind AS 105 and accordingly lease agreements are considered to be short term in nature and Ind AS 116 has not been applied.

Note 2.52

The Corporate Debtor has been served with copies of writ petitions filed by Mr. Punit Garg and certain others, being directors of the Corporate Debtor and its subsidiaries before the Hon'ble High Court of Delhi, challenging the provisions of the RBI Master Directions on Frauds- Classification and Reporting by commercial banks and select FIs bearing No. RBI/ DBS/ 2016-17/ 28 DBS. CO. CFMC. BC. No. 1/ 23.04.001/ 2016-17 dated July 1, 2016 ("Circular") and the declaration by certain banks classifying the loan accounts of the Company, Reliance Infratel Limited ("RITL") and Reliance Telecom Limited ("RTL") being fraudulent in terms of the Circular.

The Corporate Debtor, RITL and RTL have been represented through their advocates and accepted notice in the petitions. The respective respondent-banks have been directed, on various dates of hearing, to maintain status quo until the next date of hearing by the High Court. The said petitions have been listed on various dates and are presently sub judice before the Hon'ble High Court of Delhi. Since the matter is pending before the Hon'ble High Court of Delhi, presently there is no impact of such declaration by the banks, in the standalone financial statements.

Note 2.53

During the year ended March 31, 2021 and subsequent to the year end, a bank has served notice intimating about the classification of the Corporate Debtor and certain directors as willful defaulters in terms of applicable RBI regulations. The Corporate Debtor has responded back to the bank highlighting that the proceedings and the classification of the Corporate Debtor as a willful defaulter is barred during the prevailing moratorium under section 14 of the Insolvency and Bankruptcy Code, 2016 (Code) and requested the bank to withdraw the notice of classification as a willful defaulter. No further response has been received by the bank since then.

Further, during the year ended March 31, 2021, a bank has issued show cause notice to the Corporate Debtor and certain subsidiaries and certain directors seeking reasons as to why the Corporate Debtor and its subsidiaries should not be classified as willful defaulter. The Corporate Debtor and its subsidiaries have responded to the show cause notice. The Corporate Debtor in its response has highlighted that the proceedings and the classification of the Corporate Debtor as a wilful defaulter is barred during the prevailing moratorium under section 14 of the Code and requested the bank to withdraw the notice. No further response has been received by the bank since then. Since the matter is pending before the banks, presently there is no impact of such notices issued by banks, in the standalone financial Statement.

Note 2.54

The Company is engaged in the business of providing infrastructural facilities as per Section 186 (11) read with Schedule VI of the Act. Accordingly, Section 186 of the Act is not applicable to the Company.

Note 2.55

The Indian Parliament has approved the Code on Social Security, 2020, which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Corporate Debtor will assess the impact once the subject rules under the Code are notified and will give appropriate impact in the financial statements when the Code becomes effective.

Note 2.56

Note on Covid -19 Impact

Vide notification dated March 24, 2020 issued by Ministry of Home Affairs, a nation-wide lockdown was announced to contain COVID-19 outbreak. Further, various state governments have issued orders from time to time extending lockdowns and other restrictions. COVID-19 has impacted businesses globally and in India. Telecommunication services, being essential services, had been exempted and permitted to continue operation during the period of lockdown. The Corporate Debtor has continued to provide services to its Enterprise customers without any interruptions and honour commitments, despite facing all odds during lockdown.

The Corporate Debtor has been monitoring the situation closely and has taken proactive measures to comply with various directions / regulations / guidelines issued by Government of India, various state governments and local bodies to ensure safety of workforce across all its offices.

Further, the resurgence had led to imposition of various restrictions and lockdowns in various states. Accordingly, there exists uncertainty over the impact of the pandemic on future business performance of the Corporate Debtor, and the extent of effect of the pandemic will depend, among other things, on any action to contain its spread or mitigate its impact, whether government mandated or elected by the Corporate Debtor. However, in view of telecommunication services being considered as essential activity, the Corporate Debtor has continued to provide services to its Enterprise customers without any interruptions and honour commitments, despite facing all odds during lockdown and the Corporate Debtor has continued its assessment of likely adverse impact on economic environment in general and financial risks on account of COVID19.

As the Corporate Debtor is undergoing CIRP, it is relevant to note that the period of lockdown has been exempted from the calculation of the timeline of CIRP as per the order of the NCLAT in Suo Moto – Company Appeal (AT) (Insolvency) No. 01 of 2020 dated March 30, 2020.

Note 2.57

Independent Auditors' Report

To the Members of Reliance Communications Limited

Report on the Audit of the Consolidated Financial Statements

Corporate Insolvency Proceedings as per Insolvency and Bankruptcy Code, 2016 (IBC)

The Hon'ble National Company Law Tribunal, Mumbai Bench ("NCLT") admitted an insolvency and bankruptcy petition filed by an operational creditor against Reliance Communications Limited ("the Holding Company") and its four subsidiaries, appointed Resolution Professional (RP) who has been vested with management of affairs and powers of the Board of Directors with direction to initiate appropriate action contemplated with extant provisions of the Insolvency and Bankruptcy Code, 2016 and other related rules.

Qualified Opinion

We have audited the accompanying consolidated financial statements of **Reliance Communications Limited** ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its associates, which comprise the Consolidated Balance Sheet as at March 31, 2021, and the Consolidated Statement of Profit and Loss, the Consolidated Statements of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information ("the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of matters described in the Basis for Qualified Opinion section of our report, the aforesaid consolidated financial statements give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Companies Act 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2021, the consolidated changes in equity, the consolidated loss (including consolidated total comprehensive loss) and its consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

a) We draw attention to Note no 2.15 & 2.35 of the consolidated financial statements regarding, "Assets Held for Sale (AHS)" regarding Wireless Spectrum, Towers, Fibre and Media Convergence Nodes (MCNs) along with liabilities continues to be classified as held for sale at the value ascertained at the end of March 31, 2018, for the reasons referred to in the aforesaid note and impact of the non payment of spectrum instalments due to Department of Telecommunication (DOT). Non determination of fair value of Assets Held for Sale as on the reporting date is not in compliance with Ind AS 105 "Non Current Assets Held for Sale and Discontinued Operations". Accordingly, we are unable to comment on the consequential impact, if any, on the carrying amount of Assets Held for Sale and on the reported losses for the year ended March 31, 2021.

b) We draw attention to Note no. 2.52 of the consolidated financial statements regarding admission of the Holding Company and its four subsidiaries into Corporate Insolvency Resolution Process ("CIRP") and pending determination of obligations and liabilities including various claims submitted by the Operational/financial/ other creditors and employees including interest payable on loans during CIRP. We are unable to comment the accounting impact thereof pending reconciliation and determination of final obligation.

The Holding Company and some of its subsidiaries have not provided interest on borrowings amounting to Rs. 4,362 crore for the year ended March 31, 2021 and Rs. 12,746 crore up to the previous financial year based on the basic rates of interest as per the terms of the borrowings. The Holding Company and some of its subsidiaries further has not debited / credited for foreign exchange gain amounting to Rs. 630 crore for the year ended March 31, 2021 and Rs. 2,593 crore foreign exchange loss up to the previous financial year. Had such interest and foreign exchange variation as mentioned above been provided, the reported loss for the year ended March 31, 2021 would have been higher by Rs. 3,732 crore and the Net worth of the Group would have been lower by Rs. 19,071 crore as at March 31, 2021 and Rs. 15,339 crore as at March 31, 2020. Non provision of interest and non recognition of foreign exchange variation (gain) / loss is not in compliance with Ind AS 23 "Borrowing Costs" and Ind AS 21 "The Effects of Changes in Foreign Exchange Rates" respectively.

c) We draw attention to Note no 2.35 of the consolidated financial statements, regarding the pending comprehensive review of all assets (including investments, receivables and balances lying in Goods and Service Tax) & liabilities, impairment of goodwill on consolidation and non provision for impairment of carrying value of assets and write back of liabilities if any, has not been made in the books of account by the Group pending completion of the CIRP. In the absence of comprehensive review as mentioned above for the carrying value of all other assets and liabilities, we are unable to comment that whether any adjustment is required in the carrying amount of such assets and liabilities and consequential impact, if any, on the reported losses for the quarter and the year ended March 31, 2021. Non determination of fair value of financial assets & liabilities and impairment in carrying amount of other assets & liabilities are not in compliance with Ind AS 109 "Financial Instrument", Ind AS 36 "Impairment of Assets" and Ind AS 37 "Provisions, Contingent Liabilities & Contingent Assets".

d) We draw attention to Note no 2.40 of the consolidated financial statements, regarding non adoption of Ind AS 116 i.e. "Leases" effective from April 01, 2019 and the impact thereof. The Holding Company and some of its subsidiaries have not applied Ind AS 116. The aforesaid accounting treatment is not in accordance with the relevant Ind AS 116.

e) We draw attention to Note no 2.35 & 2.43.1(b) of the consolidated financial statements regarding termination of definitive binding agreement for monetization of assets of the Holding Company and two of its subsidiaries namely RTL & RITL and the ongoing CIRP, the outcome of which

Independent Auditors' Report

cannot be presently ascertained. Holding Company's subsidiary namely Reliance Communication Infrastructure Limited (RCIL) and Reliance Tech Services Limited (RTSL) has also been admitted under Code with effect from September 25, 2019 and August 4, 2020 respectively. The Group has continued to incur losses, its current liabilities exceed current assets and has defaulted in repayment of its borrowings and payment of statutory dues. Further, auditors of material subsidiaries of the Holding Company have qualified their reports with respect to Going Concern of the company's on account of reasons mentioned above.

This situation indicates that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. The accounts, however, have been prepared by the management on a going concern basis for the reason stated in the aforesaid note. However we are unable to obtain sufficient and appropriate audit evidence regarding management's use of the going concern basis of accounting in the preparation of the financial results, in view of ongoing CIRP, the outcome of which cannot be presently ascertained.

- f) We draw attention to Note no. 2.59 of the consolidated financial statements regarding unbilled revenue recognized by one of the Holding Company's subsidiary amounting to Rs. 917 crore with respect to services provided, which has not been billed by the subsidiary for the reasons mentioned in the aforesaid note. We are unable to comment on the ultimate outcome of reconciliation and its impact on the revenue recognized during the year and in earlier years and its realisation.
- g) We draw attention to Note No 2.58 of the consolidated financial statements regarding non receipt of balance confirmation from balance with Industrial and Commercial Bank of China in Fixed Deposit account amounting to Rs. 31.62 crore as at March 31, 2021 in respect of one of the Holding Company's Subsidiary. Pending receipt of balance confirmation as on reporting date, we are unable to comment on the consequential impact if any, on the consolidated financial statements of the Group.

The Network of the Group excludes the effect of qualification under (a), (c), (d), (e), (f) and (g) above, which are non-quantifiable as referred therein

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Group and its associates in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to

our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter Paragraph

- a) We draw attention to Note no. 2.43.2(a) of the consolidated financial statements, regarding provision of license fee and spectrum usage charges by the Holding Company and one of its subsidiary, based on management estimates pending special audit from Department of Telecommunications, pursuant to the judgment of Hon'ble Supreme Court of India, vide its order dated October 24, 2019 and status of payment thereof which may undergo revision based on any development in the said matter.
- b) We draw attention to Note no. 2.63 of the consolidated financial statements, as regards to the management evaluation of impact of COVID - 19 on the future performance of the Group. The actual outcome of the assumptions and estimates may vary in future due to impact of pandemic.

Our Opinion is not modified in respect of the above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current year. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matters stated in our Basis for Qualified Opinion paragraph we have determined the matters described below to be the key audit matters to be communicated in our report.

For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures performed by us, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Independent Auditors' Report

Key Audit Matter	How our audit addressed the Key Audit Matter
1. Revenue Recognition	
<p>The accuracy and completeness of revenue amounts recorded by the Group is an inherent industry risk. The revenue of the Group is categorised broadly into service and wholesale revenue. Service revenue mainly consists of income from fixed line, broadband, rentals and installations. Wholesale revenue comprises revenue from interconnection, external administration, capacity sales and from resellers.</p>	<p>Our audit procedures included, amongst others, the following:</p> <ul style="list-style-type: none"> • Testing the end-to-end reconciliation from business support systems to billing and to the general ledger; • Performing tests on the accuracy of customer bill generation process on a sample basis and testing of a sample of the credits and discounts applied to such customer bills;
<p>We considered revenue recognition as a key audit matter as the amount involved is material to the consolidated financial statements and due to the complexity of the systems and processes used to record revenue. The accounting policy and relevant disclosures relating to revenue are set out in notes 1.3(m) and 2.27 respectively, to the consolidated financial statements.</p>	<ul style="list-style-type: none"> • Performed substantive analytical procedures over the significant revenue streams; • Involving verification of controls surrounding revenue invoicing; • Assessed transactions taking place before and after year-end to ensure that revenue was recognised in the appropriate period; • Performing specific procedures to test the accuracy and completeness of adjustments, and performing procedures to ensure that the revenue recognition criteria adopted by the Group is in line with the group's accounting policies.
2. Valuation and disclosure of accrual estimates for legal claims, litigations, regulatory matters and contingencies and deposits against the same legal matters including provision of license fee and spectrum usage charges, pursuant to the judgment of Hon'ble Supreme Court of India, vide its order dated October 24, 2019	
<p>The Group is involved as a party in legal proceedings, including regulatory and other governmental proceedings. The Group has also deposited substantial amounts with regulatory authorities against the demands in dispute, which has been classified as deposit.</p> <p>This area is significant to our audit, since the accounting and disclosure for (contingent) legal liabilities is complex and judgmental (due to the difficulty in predicting the outcome of the matter and estimating the potential impact if the outcome is unfavourable), and the amounts Involved are, or can be, material to the consolidated financial statements as a whole. Further reference is made to Note no 2.39 Contingent liabilities and Note No 2.43.2(a) on provision of Licence fees and Spectrum Usage Charges.</p>	<ul style="list-style-type: none"> • Our audit procedures included, amongst others, testing the effectiveness of the Group's internal controls around the identification and evaluation of claims/provisions, proceedings and investigations at different levels in the group, and the recording and continuous re-assessment of the related (contingent) liabilities and provisions and disclosures. We inquired with both internal legal staff including Resolution Professional (RP) as well as with the company's financial staff in respect of ongoing investigations or claims, proceedings and investigations, inspected relevant correspondence, inspected the minutes of the meetings of the Audit Committee and requested a confirmation from the group's in-house responsible officials and RP. • Also, the Group has obtained legal opinions in past against these disputes. For claims settled during the year, we vouched the payments, as appropriate, and read the related orders to verify whether the settlements were properly accounted for. • We also assessed the adequacy of the disclosure around legal claims, litigations, regulatory matters and contingencies as included in Note No. 2.39 Contingent liabilities. • We consider management's conclusion on the predicted outcome and estimation of potential impact reasonable and we assessed that the disclosures in Note No 2.39, Contingent liabilities are reasonable.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in Board's Report including Annexures to Board's Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. When we read the report containing other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibility of Management and Those Charged with Governance for the Consolidated Financial Statements

The consolidated financial statements, which is the responsibility of the Holding Company's Management and is relied upon by the Resolution Professional based on the assistance provided by the Directors and taken on record by the Resolution Professional as fully described in Note No 2.64 of the consolidated financial statements. The Holding Company's Management are responsible for the preparation and presentation of these consolidated financial statements that give a true and fair view of the net loss and other comprehensive loss and other financial information of the Group including its associates in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India. The respective Management/Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors/Resolution Professional/Monitoring Committee of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the

going concern basis of accounting unless the respective Board of Directors/Resolution Professional/Monitoring Committee either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors/Resolution Professional/Monitoring Committee of the companies included in the Group and of its associates is responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors / Resolution Professional/ Monitoring Committee.
- Conclude on the appropriateness of Board of Directors / Resolution Professional / Monitoring Committee use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.

Independent Auditors' Report

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial statements/financial information of the entities within the Group and its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a Statements that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

1. Pursuant to applications filed by Ericsson India Pvt. Ltd. before the National Company Law Tribunal, Mumbai Bench ("NCLT") in terms of Section 9 of the Insolvency and Bankruptcy Code, 2016 read with the rules and regulations framed thereunder ("Code"), the NCLT had admitted the applications and ordered the commencement of corporate insolvency resolution process ("CIRP") of Reliance Communications Limited ("the Holding Company") and two of its subsidiaries namely Reliance Infratel Limited (RITL) and Reliance Telecom Limited (RTL) (collectively, the "Corporate Debtors") vide its orders dated May 15, 2018. The committee of creditors ("CoC") of the Corporate Debtors, at the meetings of the CoC held on May 30, 2019, in terms of Section 22 (2) of the Code, resolved with the requisite voting share, to replace the Interim Resolution Professionals with the resolution professional ("RP") for the Corporate Debtor, which has been confirmed by the NCLT in its orders dated June 21, 2019 (published on the website of the NCLT on June 28, 2019). In case of RITL, NCLT has approved the resolution plan on December 03, 2020 and accordingly a Monitoring committee has been formed.
2. Further, Pursuant to an application filed by State Bank of India before the National Company Law Tribunal, Mumbai Bench ("NCLT") in terms of Section 7 of the Insolvency and Bankruptcy Code, 2016 read with the rules and regulations framed thereunder ("Code"), the NCLT had admitted the application and ordered the commencement of corporate insolvency resolution process ("CIRP") of the its subsidiary namely Reliance Communications Infrastructure Limited (RCIL) vide its order dated September 25, 2019 which has been received by the IRP (as defined hereinafter) on September 28, 2019 ("CIRP Order"). The NCLT has appointed Mr. Anish Niranjan Nanavaty as the interim resolution professional for RCIL ("IRP") vide the CIRP Order who has been confirmed as the resolution professional of RCIL ("RP") by the committee of creditors.
3. Further, during the year, Reliance Tech Services Limited (RTSL), a wholly owned subsidiary of the Holding Company, has been admitted by NCLT on August 04, 2020 for CIRP under the Code and Mr. Anjan Bhattacharya has been appointed as the Resolution Professional by the Hon'ble NCLT.
4. The consolidated financial statements of the Holding Company shall be signed by the Chairperson or Managing Director or Whole Time Director or in absence of all of them, it shall be signed by any Director of the Company who is duly authorized by the Board of Directors to sign the consolidated financial statements. As mentioned in Note No. 2.64 of the consolidated financial statements, in view of the ongoing CIRP, the powers of the board of directors stand suspended and are exercised by the RP.
5. We did not audit the financial statements / financial information of twelve subsidiaries, whose financial statements / financial information reflect total assets of Rs. 2,344 crore as at March 31, 2021, total revenues of Rs. 9 crore and net cash outflows amounting to Rs. 1 crore for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit/(loss) of Rs. (1) crore for the year ended March 31, 2021, as considered in the consolidated financial statements, in respect of two associates, whose financial statements / financial information have not been audited by us. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associates, is based solely on the reports of the other auditors.
6. We did not audit the financial statements / financial information of sixteen subsidiaries, whose financial statements / financial information reflect total assets of Rs. 3,657 crore as at March 31, 2021, total revenues of Rs. 3 crore and net cash outflows amounting to Rs. 2 crore for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, and our report in terms

Independent Auditors' Report

of sub-section (3) of Section 143 of the Act in so far as it relates to the aforesaid subsidiaries and associates, is based solely on such unaudited financial statements / financial information. In our opinion and according to the information and explanations given to us by the Management, these financial statements / financial information are not material to the Group

Our Opinion on the consolidated financial statements, and our report on other Legal and Regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and financial statements or information certified by the respective management.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate financial statements of such subsidiaries and associates as were audited by other auditors, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:

- (a) Except for the matters described in the Basis of Qualified Opinion paragraph, we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) Except for the possible effects of the matters described in the Basis of Qualified opinion paragraph above, in our opinion, proper books of account as required by law have been kept so far it appears from our examination of those books and the reports of other auditors
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Statements of Cash Flows and the Consolidated Statements of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, except requirement of Ind AS 105 "Non-Current Assets Held for Sale and Discontinued Operations", Ind AS 23 "Borrowing Cost", Ind AS 21 "Effects of Changes in foreign exchanges", Ind AS 116 "Leases", Ind AS 109 "Financial Instruments", Ind AS 36 "Impairment of Assets", Ind AS 37 "Provisions, Contingent Liabilities and Contingent Assets", with regard to matters described in the Basis of Qualified Opinion paragraph above.
- (e) Matters described under the Basis for Qualified Opinion paragraph above and Qualified Opinion paragraph of 'Annexure A' to this report in our opinion, may have an adverse effect on functioning of the Group and on the amounts disclosed in consolidated financial statements of the Group;

- (f) The qualification relating to maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.

- (g) On the basis of the written representations received from two directors of the Holding Company as on March 31, 2021 taken on record by the Board of Directors of the Holding Company and based on legal opinion obtained by the Holding Company with regard to non payment of debenture holder's due and the reports of statutory auditors of its subsidiary companies and associate companies incorporated in India, these two directors are not disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act. Further as mentioned in Note no. 2.55 of the consolidated financial statements, the directors of the Holding Company have resigned from the position of director, however their resignation has not been accepted for the reason stated in the said note and the Holding Company has not received declaration from these directors in this regard, accordingly we are unable to comment whether these directors are disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.

In case of certain subsidiaries incorporated in India, those companies have not received declaration from one of the director in terms of section 164(2) of the Act (Refer Note 2.55 of the consolidated financial statements), accordingly we are unable to comment whether the said director is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.

- (h) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies and associate companies incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanation given to us, and based on the reports of the statutory auditors of such subsidiary companies and associate companies incorporated in India which were not audited by us, the managerial remuneration paid/provided by the Holding Company, its subsidiary companies and associate companies to its directors is in accordance with the requisite approval, where applicable, by shareholders as mandated by the provision of section 197 read with schedule V of the Act, except for in case of a subsidiary viz. RCIL wherein RCIL is in the process of appointment of a Whole Time Director / Managing Director / Manager in accordance with the requirements of the provision of Section 203 of the Act.

- (j) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration

Independent Auditors' Report

of the reports of the other auditors on separate financial statements of the subsidiaries and associates, as noted in the 'Other Matters' paragraph:

- i. The consolidated financial statements have disclosed the impact of pending litigations on its consolidated financial position of the Group and its associates – Refer Note 2.39 to the consolidated financial statements;
- ii. The Group and its associate companies did not have any material foreseeable losses on long-term contracts including derivative contracts; and

- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies and associate companies incorporated in India during the year ended March 31, 2021.

'Annexure A' to the Independent Auditor's Report – March 31, 2021

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

In conjunction with our audit of the consolidated financial statements of the Holding Company as of and for the year ended March 31, 2021, we have audited the internal financial controls with reference to the consolidated financial statements of Reliance Communications Limited ("the Holding Company") and its subsidiaries ("Group") and its associate companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Directors/ Resolution Professional (RP)/Board of Directors of the Holding Company, its subsidiaries and associates which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal financial control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company, its subsidiaries and associates, which are companies incorporated in India, internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the consolidated financial statements included obtaining an understanding of internal financial controls with reference to financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their

reports referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our qualified opinion on the internal financial controls system with reference to the consolidated financial statements.

Meaning of Internal Financial Controls with reference to consolidated financial statements

A Group's internal financial controls with reference to the consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A Group's internal financial control with reference to the consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the group are being made only in accordance with authorizations of management and directors of the Group; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Group's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to the consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to the consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to the consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis of Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the operating effectiveness of the Holding Company and some of its subsidiary companies internal financial controls with reference to financial statements as at March 31, 2021:

- i. In case of the Holding Company and some of its subsidiaries internal process with regard to confirmation and reconciliation of Balances of trade receivable, trade payables and other liabilities and loan & advances which are not providing for adjustments, which are required to be made to the carrying values of such assets and liabilities. (Read with Note no.2.35).
- ii. In case of the Holding Company and some of its subsidiaries the internal control process in respect of closure of outstanding entries in Bank Reconciliation Statements which are pending to be reconciled.

'Annexure A' to the Independent Auditor's Report - March 31, 2021

- iii. The Holding Company and some of its subsidiaries have delayed in payment of statutory dues including Goods and Service Tax/Service Tax/ Value Added Tax / Tax Deducted at Source accounts and delays in filing of certain statutory returns during the year with the respective authorities.
- iv. The Group's internal financial control with regard to the compliance with the applicable Indian Accounting Standards and evaluation of carrying values of assets and liabilities and other matters, as fully explained in basis for qualified opinion paragraph of our main report, resulting in the Group not providing for adjustments, which are required to be made, to the consolidated financial statements.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial statements, such that there is a reasonable possibility that a material misstatement of the Group's financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors, as referred to in other matters paragraph below, except for the effects / possible effects of the material weaknesses described above under Basis for Qualified Opinion paragraph on the achievement of the objectives of the control criteria, the Holding Company, its subsidiaries and associates, which are incorporated in India, has, in all material respects an adequate internal financial controls system with reference to consolidated financial statements and such internal financial controls over financial statements were operating effectively as at March 31, 2021, based on the internal control over financial statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal financial controls over financial statements issued by the ICAI.

We have considered material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the consolidated financial statements of the group for the year ended March 31, 2021 and these material weaknesses affect our opinion on the consolidated financial statements of the Group for the year ended March 31, 2021 [our audit report dated June 26, 2021, which expressed a qualified opinion on those consolidated financial statements of the group].

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to these consolidated financial statements of the Holding Company, in so far as it relates to separate financial statements of 12 subsidiaries and 2 associates, which are companies incorporated in India, is based on the corresponding reports of the auditors of such subsidiaries and associates incorporated in India.

Significant Accounting Policies to the Consolidated Financial Statements

1 General Information and Significant Accounting Policies

1.1 General Information

Reliance Communications Limited ("RCOM" or "the Company"), is registered under the Companies Act, 1956, having Registered Office at H Block, 1st Floor, Dhirubhai Ambani Knowledge City, Navi Mumbai 400710 and its securities are listed on the BSE Limited and the National Stock Exchange of India Limited.

RCOM has established pan India, next generation, digital network that is capable of supporting the best of class services spanning the entire communications value chain. RCOM and its subsidiaries own and operate the world's largest next generation IP enabled connectivity infrastructure, comprising of fibre optic cable systems in India and globally.

Corporate Insolvency Resolution Process ("CIR Process") has been initiated in case of the Company and four of its subsidiaries under the Provisions of the Insolvency and Bankruptcy Code, 2016 (the Code). Pursuant to the order, the management of affairs and powers of board of directors of the Company and three of its subsidiaries stands vested with the Interim Resolution Professional ("IRP") appointed by the NCLT. In case of one subsidiary, the the management of affairs and powers of board of directors stands vested with the Monitoring Committee.

1.2 Principles of Consolidation

The Consolidated Financial Statements relate to the Company, all of its subsidiary companies and associates (hereinafter collectively referred to as "the Group"). The Company controls an entity when it is exposed to or has rights to variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Associates are those entities in which the Group has significant influence, but not control or joint control, over the financial and operating policies. A joint venture is an arrangement in which the Group has joint control, whereby the Group has rights to the net assets of the arrangement, rather than rights to its assets and obligations for its liabilities. Interest in associates and the joint venture are accounted for using the equity method. The financial statements of entities are included in the consolidated financial statements from the date on which control commences and until the date on which control ceases. The Consolidated Financial Statements have been prepared on the following bases.

- (a) The financial statements of the Company and its subsidiaries are consolidated by combining like items of assets, liabilities, incomes and expenses and cash flows after fully eliminating intra group balances and intra group transactions resulting in unrealized profit or loss in accordance with the Indian Accounting Standard ("Ind AS") 110 "Consolidated Financial Statements" as referred to in the Indian Accounting Standards Rules, 2015 and as amended from time to time.
- (b) Investments in subsidiaries are eliminated and differences between the costs of investment over the net assets on the date of investment or on the date of the financial statements immediately preceding the date of investment in subsidiaries are recognised as Goodwill or Capital Reserve, as the case may be. Investment in associates and joint ventures are initially recognised at cost, which includes transaction costs. Subsequent to initial recognition, the Consolidated Financial Statements include the Group's share of profit or loss and other comprehensive income (OCI) of equity accounted investees, until the date on which significant influence or joint control ceases. When the Group's share of loss in an equity accounted investment equals or exceeds its interest in the entity, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity
- (c) Changes in ownership interests for transactions with non controlling interests that do not result in loss of control are treated as the transactions with the equity owners of the Group. For purchases from non controlling interests, the difference between fair value of any consideration paid and the relevant share acquired of the carrying value of net assets of the subsidiary is recorded in equity. Gains or losses on disposals to non-controlling interests are also recorded in equity. When the Group ceases to consolidate or equity account for an investment because of loss of control, joint control or significant influence, any retained interest in the entity is remeasured to its fair value with the change in carrying amount recognised in profit or loss. This fair value becomes initial carrying amount for the purpose of subsequent accounting for the retained interest as an associate, joint venture or financial asset.
- (d) Share of Non Controlling Interest in net profit or loss of consolidated subsidiaries for the year is identified and adjusted against income of the Group in order to arrive at the net income attributable to the Equity Shareholders of the Company.
- (e) Share of Non Controlling Interest in net assets of consolidated subsidiaries is identified and presented in the consolidated statement of profit or loss, consolidated statement of changes in equity and consolidated balance sheet respectively as a separate item from liabilities and the Shareholders' Equity.
- (f) The Consolidated Financial Statements are prepared using uniform Accounting Policies for like transactions and other events in similar circumstances and are presented in the same manner as far as possible, as the standalone financial statements of the Company.

1.3 Other Significant Accounting Policies

(a) Basis of Preparation of Consolidated Financial Statements

The consolidated financial statements are prepared under historical cost convention/ fair valuation under the Scheme approved by the Hon'ble High Court, in accordance with the generally accepted accounting principles (GAAP) in India and

Significant Accounting Policies to the Consolidated Financial Statements

in compliance with the Ind AS specified under Section 133 of the Companies Act, 2013 ("the Act") except matter specified in note 2.15, 2.35, 2.40 and 2.52, read with relevant rules of the Companies (Indian Accounting Standards) Rules, 2015, the Companies (Indian Accounting Standards) Amendment Rules, 2016 and other provisions of the Act, to the extent notified and applicable as well as applicable guidance notes and pronouncements of the Institute of Chartered Accountants of India (the ICAI).

All assets and liabilities have been classified as current or non current as per the Group's normal operating cycle and other criteria as set out under Ind AS and in the Schedule III to the Act. Based on the nature of the services and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as twelve months for the purpose of current or non-current classification of assets and liabilities.

(b) Functional Currency and Presentation Currency

These consolidated financial statements are presented in Indian Rupees ("Rupees" or "₹") which is functional currency of the Group. All amounts are rounded off to the nearest crore, unless stated otherwise.

(c) Use of Estimates

The preparation and presentation of consolidated financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities and disclosure of contingent liabilities on the date of the consolidated financial statements and the reported amount of revenues and expenses during the reporting period. Difference between actual results and estimates are recognised in the period in which the results are known/ materialised. Estimates and underlying assets are reviewed on periodical basis. Revisions to accounting estimates are recognised prospectively.

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. The Management also needs to exercise judgement in applying the accounting policies. This note provides an overview of the areas that involved a higher degree of judgments or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the consolidated financial statements.

(d) Property, Plant and Equipment

- (i) Property, Plant and Equipment (PPE) are stated at cost net of Modvat/ Cenvat / GST less accumulated depreciation, amortisation and impairment loss, if any. Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.
- (ii) Cost of an item of PPE comprises of its purchase price including import duties and non refundable purchase taxes after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and present value of estimated costs of dismantling and removing the item and restoring the site on which it is located.

The residual values, useful lives and methods of depreciation of PPE are reviewed at each reporting date and adjusted prospectively, if appropriate.

- (iii) As per Para 46A of Accounting Standard (AS) 11, 'The Effects of Changes in Foreign Exchange Rates', related to acquisition of depreciable capital assets pursuant to the notifications dated December 29, 2011 and August 9, 2012 issued by Ministry of Corporate Affairs (MCA), under the Companies (Accounting Standards) (Second Amendment) Rules 2011, the cost of depreciable capital assets includes foreign exchange differences arising on translation of long term foreign currency monetary items as at the balance sheet date in so far as they relate to the acquisition of such assets is capitalised and subsequently, on adoption of Indian Accounting Standard also, the same is allowed for the transactions recorded upto March 31, 2016.
- (iv) Depreciation is provided on Straight Line Method based on the useful life prescribed in Schedule II to the Act except in case of the following assets where useful life is different than those that prescribed in Schedule II, based on technical evaluation.
 - (1) Telecom Electronic Equipments – 20 years
 - (2) Telecom Towers – 35 years
 - (3) Ducts and OFC – 35 years
 - (4) Batteries – 9 years
 - (5) Furniture, Fixtures and Office Equipments – 5, 10 years

 - (7) Vehicles – 5 years
 - (8) Leasehold improvements – Shorter of the remaining lease term or useful life
 - (9) Cable Systems – Shorter of 15 years or remaining useful life

In case of Falcon project, the asset life of Sub Marine Cable Network and Terrestrial Network is estimated at 25 years and 15 to 25 years respectively.

Significant Accounting Policies to the Consolidated Financial Statements

- (v) Expenditure of capital nature incurred on assets taken on operating lease is depreciated over the remaining period of the lease term.
- (vi) Leasehold Land with lease term of more than 50 years is classified as finance lease and depreciated over the period of the lease term.
- (vii) Any gain or loss on disposal of an item of property, plant and equipment is recognised in the Statement of profit or loss.
- (viii) CPE's are treated as part of PPE, as the associated risk and rewards remain with the Group.
- (ix) Depreciation on all the assets capitalised pursuant to para 46A of AS 11 is provided over the remaining useful life of the depreciable capital asset.
- (x) Depreciation on additions is calculated pro rata basis from the following month of addition.
- (xi) Expenses incurred relating to project, prior to commencement of commercial operations, are considered as project development expenditure and shown under Capital Work in Progress

(e) Intangible Assets other than Goodwill

- (i) Intangible assets acquired are measured on initial recognition at cost. Cost includes all direct costs relating to acquisition of Intangible assets and borrowing cost relating to qualifying assets.
- (ii) Telecom Licenses are stated at cost as applicable less accumulated amortisation and impairment, if any.
- (iii) Indefeasible Right of Connectivity (IRC) are stated at cost less accumulated amortisation.
- (iv) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.
- (v) Intangible assets, namely entry fees/ fees for Telecom Licenses and Brand Licenses are amortised on the basis of Straight Line Method, over the balance period of Licenses. IRC and Software are amortized from the date of acquisition or commencement of commercial services, whichever is later.
- (vi) There is no intangible asset assessed with indefinite useful life.

The life of amortisation of the intangible assets are as follows.

- (1) Telecom Licenses – 12.50 to 20 years
 - (2) Brand License – 10 years
 - (3) DTH License – 10 years
 - (4) Indefeasible Right of Connectivity – In the year of purchase or, 15/ 20 years, as the case may be.
 - (5) Software – 5 years
 - (6) Trade Names and Trademarks – 5 to 10 years
 - (7) Intellectual Property – 7 years
 - (8) Building Access Rights – 5 years
- (vii) Amortisation methods, useful lives and residual values are reviewed periodically at each reporting date.
 - (viii) Any gain or loss on disposal of an item of intangible assets is recognised in consolidated statement of profit and loss

(f) Lease

i) Operating lease:

As a Lessee:

Where the lessor effectively retains substantially all risks and benefits of ownership of the leased assets, they are classified as operating lease. Operating lease payments are recognised as an expense in the Consolidated Statement of Profit and Loss on a straight line basis over the period of lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increase.

As a Lessor:

Rental income from operating lease is recognised on a straight line basis over the lease term unless payments to the Group are structured to increase in line with expected general inflation to compensate for the Group's expected inflationary cost increase; such increases are recognised in the year in which such benefits accrue. Assets given on operating lease are included in PPE/ Intangible Assets. Costs, including depreciation/ amortisation, are recognised as an expense in the Statement of Profit and Loss.

Significant Accounting Policies to the Consolidated Financial Statements

ii) Finance lease:

As a Lessee:

Assets held under finance leases are initially recognised as assets at the commencement of the lease at their fair value or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in the consolidated statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Group's general policy on borrowing costs. Such assets are depreciated/ amortised over the period of lease or estimated useful life of the assets whichever is less.

As a Lessor:

Amounts due from lessees under finance leases are recognised as receivables at the amount of the Group's net investment in the leases. Finance lease income is allocated to accounting period so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

(g) Non current assets held for sale and discontinued operations

Non-current assets (or disposal group) are classified as the assets held for sale when their carrying amount is to be recovered principally through a sale transaction. Non-current assets (or disposal group) classified as held for sale are measured at the lower of their carrying amount and/ or fair value less costs to sell. This condition is regarded as met only when the sale is highly probable and the asset (or disposal group) is available for immediate sale in its present condition, subject only to terms that are usual and customary for sale of such assets and sale is expected to be concluded within twelve months from the date of such classification

Assets and liabilities classified as held for sale are presented separately in the balance sheet.

A disposal group qualifies as discontinued operations if it is a component of the Group that either has been disposed off or is classified as held for sale, and; represents a separate a major line of business or geographical area of operations, or Is part of a single co-ordinated plan to dispose of a separate major line of business or geographical area of operations, or is a subsidiary acquired exclusively with a view to resale. Non-current assets are not depreciated or amortised while they are classified as held for sale.

When the group is committed to sale plan involving loss of control of a subsidiary, all of the assets and liabilities of that subsidiary are classified as held for sale when the criteria described are met, regardless of whether the group will retain a non controlling interest in its former subsidiary after the sale.

Loss is recognised for any initial or subsequent write down of such non current assets (or disposal group) to fair vale less costs to sell. A gain is recognised for any subsequent increase in fair value less costs to sell an asset (or disposal group) but not in excess of any cumulative loss previously recognised.

If the criteria for assets held for sale are no longer met, it ceases to be classified as held for sale and are measured at the lower of (i) its carrying amount before the asset was classified as held for sale, adjusted for any depreciation or any amortisation that would have been recognised had that asset not been classified as held for sale, and (ii) its recoverable amount at the date when the disposal group ceases to be classified as held for sale.

A discontinued operation is a component of the entity that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single co-ordinated plan to dispose of such a line of business or area of operations, or is a Subsidiary acquired exclusively with a view to resale. The results of discontinued operations or presented separately in the Statement of Profit and Loss.

(h) Impairment of Non Financial Assets

Goodwill and intangible assets that have indefinite useful life are tested annually for impairment or more frequently, if events or changes in circumstances indicate that they may be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An asset is treated as impaired when carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Consolidated Statement of Profit and Loss in the year in which an asset is identified as impaired. Impairment loss recognised in prior accounting period is increased/ reversed (for the assets other than Goodwill) where there is change in the estimate of recoverable value. Recoverable value is higher of net selling price and value in use.

(i) Inventories of Stores, Spares and Communication Devices

Inventories of stores, spares and communication devices are accounted for at cost and all other costs incurred in bringing the inventory to their present location and condition, determined on weighted average basis or net realisable value, whichever is less. Net realisable value is the estimated selling price in the ordinary course of business less estimated costs necessary to make the sale.

Significant Accounting Policies to the Consolidated Financial Statements

(j) Employee Benefits

Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include compensated absence such as paid annual leave and sickness leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by the employees is recognized as an expense during the period.

Long term employee benefits

(i) Defined contribution plan

The Group's contribution towards employees' Superannuation Plan is recognized as an expense during the period in which it accrues.

(ii) Defined benefit plans

Provident Fund

Provident Fund contributions are made to a Trust administered by the Trustees or other recognised fund. Interest payable to the Provident Fund members, shall not be at a rate lower than the statutory rate. Liability is recognized for any shortfall in the Income of the fund vis-à-vis liability of the interest as per statutory rates to the members. The Group's contribution towards employees' Provident fund is recognized as an expense during the period in which it accrues.

Gratuity Plan

The Group's gratuity benefit scheme is a defined benefit plan. The Group's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, mortality rate and the fair value of plan assets is deducted. Mortality rate is based on publicly available mortality table in India.

Present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method.

Obligation is measured at present value of the estimated future cash flows. Discount rates used for determining present value of obligation under the defined benefit plan, are based on market yield of Government Securities as at the balance sheet date that have terms approximating to the terms of the related obligation.

Remeasurements which comprise of actuarial gain and losses, the return of plan assets (excluding interest) and the effect of assets ceiling (if any, excluding interest) are recognised in Other Comprehensive Income.

Plan Assets of Defined Benefit Plans have been measured at fair value.

(iii) Other Long term employment benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date, determined based on actuarial valuation using Projected Unit Credit Method. Discount rates used for determining present value of the obligation under the defined benefit plan, are based on the market yield on Government Securities as at the balance sheet date. Remeasurements gains or losses are recognised in the Statement of Profit and Loss in the period in which they arise.

(k) Borrowing Cost

Borrowing costs attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets upto the commencement of commercial operations. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Other borrowing costs are recognised as an expense in the year in which they are incurred.

(l) Foreign Currency Transactions

- (i) Transactions denominated in foreign currencies are recorded at the exchange rates prevailing at the time of the transaction.
- (ii) Monetary items denominated in foreign currencies at the year end are restated at the year end rates.
- (iii) Non monetary foreign currency items are carried at cost (i.e. translated using the exchange rates at the time of initial transactions).
- (iv) Exchange difference on monetary items is recognised in the Consolidated Statement of Profit and Loss in the period in which it arises except for;

Significant Accounting Policies to the Consolidated Financial Statements

- (a) Exchange difference on foreign currency borrowings relating to depreciable capital asset is included in cost of assets.
- (b) Exchange difference on foreign currency transactions, on which receipt and/ or payments is not planned, initially recognised in Other Comprehensive Income and reclassified from Equity to profit and loss on repayment of the monetary items.
- (v) All long term foreign currency monetary items consisting of loans taken before March 31, 2016 and which relate to the acquisition of depreciable capital assets at the end of the period/ year are restated at the rate prevailing at the balance sheet date. Exchange difference including attributable to the interest arising as a result is added to or deducted from cost of the assets as per notification dated December 29, 2011 and August 9, 2012 issued by the Ministry of Company Affairs (MCA), Government of India and depreciated over the balance life of the capital asset. Exchange difference on other long term foreign currency loans is accumulated in Foreign Currency Monetary Item Translation Difference Account (FCMITDA)" which will be amortized over the balance period of monetary assets or liabilities.
- (vi) Accounting of transactions that include the receipt or payment of advance consideration in a foreign currency the date of transaction, for the purpose of determining the exchange rate, is the date of initial recognition of the nonmonetary prepayment asset or deferred income liability. If there are multiple payments or receipts in advance, a date of transaction is established for each payment or receipt.
- (vii) The results and financial position of foreign operations with functional currency different from the presentation currency, are translated into the presentation currency as follows:
 - (a) assets and liabilities for each consolidated statement of financial position presented are translated at the closing rate at the date of that consolidated statement of financial position;
 - (b) income and expenses for each consolidated statement of comprehensive income are translated at average exchange rates (unless average rate is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated at the rate on the dates of the transactions); and
 - (c) all resulting exchange differences are recognised in other comprehensive income.
- (vii) Goodwill and fair value adjustments arising on the acquisition of a foreign entity are treated as assets and liabilities of the foreign entity and translated into rupee, the functional currency of the Group, at the exchange rates at the reporting date. Exchange difference arising are recognised in other comprehensive income and accumulated in equity, except to the extent that the exchange differences is allocated to the non controlling interests.

(m) Revenue Recognition

- (i) Revenue is recognised to the extent it is probable that the economic benefits will flow to the Group and revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable.
- (ii) Revenue is recognised as and when services are provided on the basis of actual usage of the Group's network. Revenue on upfront charges for services with lifetime validity and fixed validity periods are recognised over the estimated useful life of the subscribers and specified fixed validity period, as appropriate. The estimated useful life is consistent with estimated churn of the subscribers.
- (iii) The Group sells Right of Use (ROUs) that provide to the customers with network capacity/ passive infrastructure, typically over a period of 5 to 20 years without transferring legal title or giving an option to purchase the network capacity/ passive infrastructure. Capacity services revenues are accounted as operating lease and recognised in the Group's income statement over the life of the contract. Bills raised on the customers/ payments received from the customers for long term contracts and for which revenue is not recognised are included in deferred revenue. Revenue on non cancellable ROUs are also recognised as licencing income over the period of contract. Revenue on non cancellable contracts for right to use of specified fibre pairs/ ducts for a period of 15 to 20 years or economic useful life is recognized as revenue on delivery of such assets to the customers. In revenue arrangements including more than one deliverable, the arrangements are divided into separate units of accounting. Deliverables are considered separate units of accounting if the following two conditions are met: (1) the deliverable has value to the customer on a standalone basis and (2) there is evidence of the fair value of the item. The arrangement considered is allocated to each separate unit of accounting based on its relative fair value.
- (iv) Standby maintenance charges are invoiced separately from capacity sales. Revenue relating to standby maintenance is recognised over the period in which service is provided. Any amount billed prior to providing of service is included in deferred revenue. Revenue from other service is recognized as and when service is rendered.
- (v) Network services include capacity lease services, IP transit, IPLC (private lines leased to customers), backup service for other network operators and all other services. The customer typically pays charges for network services periodically over the life of the contract, which may be up to three years. Network revenue is recognised in the Consolidated Statement of Profit and Loss over the term of the contract.

Significant Accounting Policies to the Consolidated Financial Statements

- (vi) Sale of handsets and accessories are recognised when goods are supplied and are recorded net of trade discounts, rebates, commissions to distributors and dealers and sales taxes. It does not include inter company transfers.
- (vii) Interest income on investment is recognised on time proportion basis. Interest income is accounted using the applicable Effective Interest Rate (EIR), which is the rate that exactly discounts estimated future cash receipts over the expected life of the financial assets to that asset's net carrying amount on initial recognition. Dividend is considered when right to receive is established. The Group recognises income from units in the Fixed Income Schemes of Mutual Funds, where income accrued is held till declaration or payment thereof for the benefit of the unit holders.
- (viii) Revenue is recognised net of taxes when the Base Transceiver Station (BTS) Tower is Ready For Installation of customer equipments and as per the terms of the agreements.
- (ix) Revenue from Contracts with Customers

The Group has applied the practical expedient Ind AS 115 "Revenue from Contracts with Customers" w.e.f. April 1, 2018, using the cumulative effect method and therefore comparative information has not been restated and continues to be reported under Ind AS 18. Revenue is recognised when control over goods or services is transferred to a customer. A customer obtains control when he has the ability to direct the use of and obtain the benefits from the good or service, there is transfer of title, supplier has right to payment etc. – with the transfer of risk and rewards now being one of the many factors to be considered within the overall concept of control.

The Group determines whether revenue should be recognised 'over time' or 'at a point in time'. As a result, it is required to determine whether control is transferred over time. If not, only then revenue be recognised at a point in time, or else over time. The Group also determines if there are multiple distinct promises in a contract or a single performance obligation (PO). These promises may be explicit, implicit or based on past customary business practices. The consideration gets allocated to multiple POs and revenue recognised when control over those distinct goods or services is transferred.

The entities may agree to provide goods or services for consideration that varies upon certain future events which may or may not occur. This is variable consideration, a wide term and includes all types of negative and positive adjustments to the revenue. Further, the entities will have to adjust the transaction price for the time value of money. Where the collections from customers are deferred the revenue will be lower than the contract price, and in case of advance collections, the effect will be opposite resulting in revenue exceeding the contract price with the difference accounted as a finance expense/gain.

(n) Taxes on Income and Deferred Tax

Income Tax comprises of current and deferred tax. It is recognised in the Consolidated Statement of Profit and Loss except to the extent that it relates to a business combination or to an item recognised directly in equity or other comprehensive income.

Provision for income tax is made on the basis of taxable income for the year at the current rates. Tax expense comprises of current tax and deferred tax at the applicable enacted or substantively enacted rates. Current tax represents amount of Income Tax payable/ recoverable in respect of taxable income/ loss for the reporting period. Deferred tax represents the effect of temporary difference between carrying amount of assets and liabilities in the consolidated financial statements and the corresponding tax base used in the computation of taxable income. Deferred tax liabilities are generally accounted for all taxable temporary differences. Deferred tax asset is recognised for all deductible temporary differences, carried forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which such deductible temporary differences can be utilised. Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current income tax assets against current income tax liabilities and when deferred income tax assets and liabilities relate to the income tax levied by the same taxation authority on either the same taxable entity or different taxable entities where there is an intention to settle the balances on a net or simultaneous basis. Deferred tax assets/ liabilities are not recognised for initial recognition of Goodwill or on an asset or liability in a transaction that is not a business combination and at the time of transaction affects neither the accounting profit nor taxable profit or loss. MAT credit is recognised as an asset, only if it is probable that the Group will pay normal income tax during the specified period.

(o) Government Grants

Subsidies granted by the Government for providing telecom services in rural areas are recognised as other operating income in accordance with relevant terms and conditions of the applicable scheme and agreement.

(p) Provisions including Asset Retirement Obligation (ARO) and Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Provisions are determined by discounting expected future cashflows at the pre tax rate that reflects current market assumptions of time value of money and risk specific to the liability. A disclosure for a contingent liability is made when there is a possible obligation or a present

Significant Accounting Policies to the Consolidated Financial Statements

obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Asset Retirement Obligation (ARO) relates to the removal of telecom towers, sub marine cable systems and equipments when they will be retired from its active use. Provision is recognised based on the best estimate, of the management, of the eventual costs (net of recovery), using discounted cash flow, that relates to such obligation and is adjusted to the cost of such assets. Estimated future costs of decommissioning are reviewed annually and adjusted as appropriate. Changes in the estimated future costs or in the discount rate applied are added to or deducted from the cost of the asset. Contingent Assets are neither recognised nor disclosed in the consolidated financial statements.

(q) Earning per Share

In determining Earning per Share, the Group considers net profit / (loss) after tax attributable to equity shareholders and includes post tax effect of any exceptional item. Number of shares used in computing basic earnings per share is the weighted average number of the shares, excluding the shares owned by the Trust, outstanding during the period. Dilutive earning per share is computed and disclosed after adjusting effect of all dilutive potential equity shares, if any except when results will be anti dilutive. Dilutive potential equity shares are deemed converted as at the beginning of the period, unless issued at a later date.

(r) Employee Stock Option Scheme

In respect of stock options granted pursuant to the Group's Employee Stock Options Scheme, fair value of the options is treated as discount and accounted as employee compensation cost over the vesting period. Employee compensation cost recognised earlier on grant of options is reversed in the period when the options are surrendered by any employee or lapsed as per the terms of the scheme.

(s) Treasury Shares

The Group has created an Employee Stock Option Scheme Trust (ESOS Trust) for providing share-based payment to its employees. The Group uses ESOS Trust as a vehicle for distributing shares to the employees under the employee remuneration schemes. The ESOS Trust buys shares of the Company from the market, for giving shares to the employees. The Group treats ESOS Trust as its extension and the shares held by ESOS Trust are treated as treasury equity.

Own equity instruments that are reacquired (treasury equity) are recognised at cost and deducted from equity. No gain or loss is recognised in Statement of Profit and Loss, on purchase, sale, issue or cancellation of the Group's own equity instruments. Any difference between carrying amount and consideration, if reissued, is recognised in equity.

(t) Measurement of Fair value of financial instruments

The Group's accounting policies and disclosures require measurement of fair values for the financial instruments. The Group has an established control framework with respect to measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses evidence obtained from third parties to support the conclusion that such valuations meet requirements of Ind AS, including level in fair value hierarchy in which such valuations should be classified. When measuring fair value of a financial asset or a financial liability, the Group uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs). If inputs used to measure fair value of an asset or a liability fall into different levels of fair value hierarchy, then fair value measurement is categorised in its entirety in the same level of fair value hierarchy as the lowest level input that is significant to the entire measurement. The Group recognises transfers between levels of fair value hierarchy at the end of the reporting period during which the change has occurred. (Refer to note 2.41.1) for disclosures pertaining to the measurement of fair values).

(u) Financial Instruments

A financial instrument is any contract that gives rise to the financial asset of one entity and the financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts.

Financial Assets

i Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through Consolidated Statement of Profit and Loss, transaction costs that are attributable to the acquisition of the financial asset.

Significant Accounting Policies to the Consolidated Financial Statements

ii Subsequent measurement

Subsequent measurement of the debt instruments depends on the Group's business model for managing asset and cash flow characteristics of the asset. There are three measurement categories into which the Group classifies its debt instruments.

Financial Assets measured at amortised cost:

A 'debt instrument' is measured at the amortised cost, if both the following conditions are met:

- a) Asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise to cash flows, on specified dates, that are solely payments of principal and interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. EIR amortisation is included in finance income in the Statement of Profit and Loss. Losses arising from impairment are recognised in the Consolidated Statement of Profit and Loss. This category generally applies to trade and other receivables.

Financial Assets measured at Fair Value through Other Comprehensive Income (FVTOCI):

A 'debt instrument' is classified as FVTOCI if both of the following criteria are met:

- a) Objective of the business model is achieved both, by collecting contractual cash flows and selling financial assets, and
- b) Contractual cash flows of the asset represent SPPI: Debt instruments included within FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in OCI. However, the Group recognizes interest income, impairment loss and reversal and foreign exchange gain or loss in the Consolidated Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to Consolidated Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using EIR method.

Financial Assets measured at fair value through profit or loss (FVTPL):

Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the Group may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as FVTPL. However, such election is allowed only if, doing so reduces or eliminates measurement or recognition inconsistency (referred to as 'accounting mismatch').

Equity investments :

All equity investments in scope of Ind AS 109 "Financial Instruments" are measured at fair value. Equity instruments which are held for trading are classified as FVTPL. For all other equity instruments, the Group decides to classify the same either as FVOCI or FVTPL. The Group makes such election on instrument by instrument basis. The classification is made on initial recognition, which is irrevocable. If the Group decides to classify an equity instrument as FVOCI, then all fair value changes on the instrument, excluding dividend, are recognized in the OCI. There is no recycling of the amounts from OCI to profit and loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity. Equity instruments included within FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss. Also, the Group has elected to apply the exemption available under Ind AS 101 "First-time Adoption of Indian Accounting Standards" to continue the carrying value for its investments in subsidiaries and associates as recognised in the financial Consolidated statements as at the date of transition to Ind AS, measured as per the previous GAAP.

Derecognition of Financial Assets

A financial asset is primarily derecognised when: (I) Rights to receive cash flows from the asset have expired, or (II) The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under 'pass-through' arrangement and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of Financial Assets

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. Impairment methodology applied depends on whether there has been a significant increase in the credit risk. As a practical expedient, the Group uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables, as permitted by Ind AS 109 "Financial Instruments". Provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward looking estimates are analysed.

Significant Accounting Policies to the Consolidated Financial Statements

Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value, in the case of loans, borrowings and payables, net of directly attributable transaction costs. Financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described herein:

Financial liabilities at Fair Value through Profit or Loss: Financial liabilities at Fair Value through Profit or Loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationship as defined by Ind AS 109. Gains or losses on liabilities held for trading are recognised in Consolidated Statement of Profit or Loss.

Financial liabilities measured at amortised cost: After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using Effective Interest Rate (EIR) method. Gains or losses are recognised in Consolidated Statement of Profit and Loss when the liabilities are derecognised as well as through EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. EIR amortisation is included as finance costs in the Consolidated Statement of Profit and Loss.

Derecognition of Financial Liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Consolidated Statement of Profit and Loss.

(v) Business Combinations and Goodwill

Business Combinations are accounted for using the acquisition method. Cost of an acquisition is measured as the aggregate of the consideration transferred, measured at acquisition date fair value and the amount of any non controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non controlling interests in the acquiree at fair value or at proportionate share of the acquiree's identifiable net assets. Acquisition related costs are expensed as incurred. At the acquisition date, the identifiable assets acquired and liabilities assumed are recognised at their acquisition date fair values. If the business combination is achieved in stages, any previously held equity interest is remeasured at its acquisition date fair value, resulting gain or loss is recognised in Consolidated Statement of Profit and Loss or Other Comprehensive Income, as appropriate.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for non controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of net assets acquired is in excess of the aggregate consideration the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Where settlement of any part of cash consideration is deferred, the amount payable in the future is discounted to its present value as at the date of exchange. Contingent consideration is classified either as equity or a financial liability. Amount classified as a financial liability is subsequently remeasured to fair value with change in fair value recognised in Statement in Profit and Loss.

Business Combinations that occurred before April 1, 2008, are not restated retrospectively in accordance with Ind AS 103 "Business Combinations". Carrying amounts of assets acquired and liabilities assumed as part of past business combinations as well as the amounts of goodwill that arose from such transactions as they were determined under the previous GAAP are considered as their deemed cost under Ind AS as at the date of transition. In respect of business combinations that occurred prior to April 1, 2008, goodwill is included on the basis of its deemed cost, which represents the amount recorded under previous GAAP.

(w) Critical estimates and judgements

The Group has based assumptions and estimates on parameters available when the consolidated financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

Significant Accounting Policies to the Consolidated Financial Statements

The areas involving critical estimates or judgements pertain to current tax expense and tax payable (Note 2.06), fair value of unlisted securities (Note 2.04), goodwill impairment (Note 2.02), estimated useful life of property, plant and equipment including intangible assets (Note 2.01 and 2.03), measurement of defined benefit obligation (Note 2.48), provision for asset retirement obligation (Note 2.21 and Note 2.26), recognition of deferred tax assets for carried forward tax losses (Note 2.06), impairment of trade receivables and other financial assets (Note 2.41) assets held for sale (Note 2.15), liabilities held for sale (Note 2.15). Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances.

- (i) Useful life of Property, Plant and Equipment including intangible assets: Residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate
- (ii) Taxes : The Group provides for tax considering the applicable tax regulations and based on probable estimates. Management periodically evaluates positions taken in the tax returns giving due considerations to tax laws and establishes provisions in the event if required as a result of differing interpretation or due to retrospective amendments, if any. The recognition of deferred tax assets is based on availability of sufficient taxable profits in the Group against which such assets can be utilized.
- (iii) Fair value measurement and valuation process: The Group measured financial assets and liabilities if any, at fair value for financial reporting purposes.
- (iv) Trade receivables and other financial assets: The Group follows a 'simplified approach' (i.e. based on lifetime Expected Credit Loss (ECL)) for recognition of impairment of loss allowance on Trade receivables (including lease receivables). For the purpose of measuring lifetime ECL allowance for trade receivables, the Group estimates irrecoverable amount based on the ageing of the receivable balances and historical experience. Further, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively. Individual trade receivables are written off when management deems them not to be collectable.
- (v) Defined benefit plans (gratuity benefits) : The Group's obligation on account of gratuity and compensated absences is determined based on actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual development in the future. These include determination of the discount rate, future salary increase and mortality rates. Due to the complexities involved in the valuation and its long-term nature, these liabilities are highly sensitive to changes in assumptions. All assumptions are reviewed at each reporting date. The parameter subject to frequent changes is the discount rate. In determining appropriate discount rate, the management considers interest rates of government bonds in currencies, consistent with the currencies of the postemployment benefit obligation.

The mortality rate is based on publicly available mortality tables in India. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increase and gratuity increase are based on expected future inflation rates.

- (vi) Non-financial assets are reviewed for impairment, whenever events or changes in circumstances indicate that the carrying amount of such assets may not be recoverable. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any.
- (vii) Determination of net realisable value for Assets held for Sale and related liabilities.
- (viii) Provisions and Contingent liabilities are reviewed at each balance sheet date and adjusted to reflect best estimate.
- (ix) The Group has provided liability against License & Spectrum Fee dues along with interest and penalty, for the demands raised by DoT considering Non-Telecom income till FY 2014-15 and for the balance years, for which demand have not been raised by DoT, the Group has computed estimated liability on Non-Telecom revenue from FY 2015-16 onwards along with interest and penalty thereof.

(x) Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprise of cash on hand, demand deposits with Banks, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Notes on Accounts to the Consolidated Financial Statements

Deferred Tax Assets are not provided on undistributed earnings of ₹ 1,195 crore as at March 31, 2021 (Previous year ₹ 1,194 crore), of the subsidiaries, where it is expected that earnings of the subsidiaries will not be distributed in the foreseeable future. Generally, the Company indefinitely reinvests all the accumulated undistributed earnings of subsidiaries and accordingly, has not recorded any deferred taxes in relation to such undistributed earnings of such entities. It is impracticable to determine the taxes payable when these earnings are remitted.

Significant management judgement has been considered in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. Recoverability of deferred tax assets is based on estimates of taxable income by each jurisdiction in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

Deferred Tax Assets have not been recognised in respect of losses of certain subsidiaries due to non existence of reasonable certainty in the near future, Year wise expiry of total Losses of ₹ 33,032 crore are as under:

Going Concern

Pursuant to an application filed by Ericsson India Pvt. Ltd before the National Company Law Tribunal, Mumbai Bench ("NCLT") in terms of Section 9 of the Insolvency and Bankruptcy Code, 2016 read with the rules and regulations framed thereunder ("Code"), the NCLT had admitted the application and ordered the commencement of corporate insolvency resolution process ("CIRP") of Reliance Communications Limited ("Corporate Debtor", "the Company") vide its order dated May 15, 2018. The NCLT had appointed Mr. Pardeep Kumar Sethi as the interim resolution professional for the Corporate Debtor vide its order dated May 18, 2018. However, the Hon'ble National Company Law Appellate Tribunal ("NCLAT") by an order dated May 30, 2018 had stayed the order passed by the Hon'ble NCLT for initiating the CIRP of the Corporate Debtor and allowed the management of the Corporate Debtor to function. In accordance with the order of the Hon'ble NCLAT, Mr. Pardeep Kumar Sethi handed over the control and management of the Corporate Debtor back to the erstwhile management of the Corporate Debtor on May 30, 2018. Subsequently, by order dated April 30, 2019, the Hon'ble NCLAT allowed stay on CIRP to be vacated. On the basis of the orders of the Hon'ble NCLAT, Mr. Pardeep Kumar Sethi, wrote to the management of the Corporate Debtor on May 02, 2019 requesting the charge, operations and management of the Corporate Debtor to be handed over back to IRP. Therefore, Mr. Pardeep Kumar Sethi had in his capacity as IRP taken control and custody of the management and operations of the Corporate Debtor from May 02, 2019. Subsequently, the committee of creditors of the Corporate Debtor pursuant to its meeting held on May 30, 2019 resolved, with requisite voting share, to replace the existing interim resolution professional, i.e. Mr. Pardeep Kumar Sethi with Mr. Anish Niranjana Nanavaty as the resolution professional for the Corporate Debtor in accordance with Section 22(2) of the Code. Subsequently, upon application by the CoC in terms of Section 22(3) of the Code, the NCLT appointed Mr. Anish Niranjana Nanavaty as the resolution professional for the Corporate Debtor ("RP") vide its

Notes on Accounts to the Consolidated Financial Statements

order dated June 21, 2019, which was published on June 28, 2019 on the website of the NCLT. Accordingly, the IRP handed over the matters pertaining to the affairs of the Corporate Debtor to the RP as on June 28, 2019 who assumed the powers of the board of directors of the Corporate Debtor and the responsibility of conducting the CIRP of the Corporate Debtor.

Further, pursuant to the meeting of the committee of creditors of the Corporate Debtor dated March 2, 2020, a resolution plan, submitted by a resolution applicant in respect of the Corporate Debtor, has been approved by the committee of creditors. The application under Section 31 of the Code filed by the RP for approval of resolution plan is currently pending adjudication before the NCLT.

During the previous year, Reliance Communications Infrastructure Limited (RCIL), a wholly owned subsidiary of the Corporate Debtor, had also been admitted by NCLT for resolution process under the Code and Mr. Anish Niranjana Nanavaty was appointed as the Resolution Professional of RCIL vide its order dated September 25, 2019.

During the year, Reliance Tech Services Limited (RTSL), a wholly owned subsidiary of the Corporate Debtor, has been admitted by NCLT on August 04, 2020 for corporate insolvency resolution process under the Code and Mr. Anjan Bhattacharya had been appointed as the Interim Resolution Professional (IRP) and subsequently as the Resolution Professional (RP) by the Hon'ble NCLT. The resolution professional of RTSL has filed an application with NCLT on May 04, 2021 for initiation of liquidation proceedings in respect of RTSL. The necessary effect in the financial statements of RTSL and the consequential impact in the consolidated financial statements will be given basis the decision of the NCLT on the application.

During the previous year, the CIRP in respect of the Corporate Debtor and its subsidiaries; Reliance Telecom Limited (RTL) and Reliance Infratel Limited (RITL) has been re-commenced, and interim resolution professionals had been appointed in respect of the aforesaid companies. Subsequently, appointment of Mr. Anish Niranjana Nanavaty as the Resolution Professional (RP) of the Corporate Debtor and its subsidiaries has been confirmed by the NCLT vide its order dated June 21, 2019 which was published on June 28, 2019 on the NCLT's website.

In the meantime, the NCLT, Mumbai Bench, vide order dated December 3, 2020, has approved the resolution plan submitted by Reliance Projects and Property Management Services Limited, in respect of RITL, a step-down subsidiary of the Corporate Debtor. Upon approval of the resolution plan of RITL, Mr. Anish Niranjana Nanavaty has ceased to be the resolution professional of RITL, and RITL is currently under the supervision of a Monitoring Committee constituted under the provisions of the approved resolution plan comprising of two nominees/representatives of approving financial creditors, two nominees of the Resolution Applicant (RA) and Mr. Anish Niranjana Nanavaty (as the Insolvency Professional). The approved resolution plan is yet to be implemented.

Certain applications had been filed by Doha Bank and other banks before the NCLT, Mumbai Bench challenging the constitution of the CoC of RITL basis certain corporate guarantees issued by RITL in respect of facilities availed by the Corporate Debtor, allegedly without consent of the applicant lenders. The NCLT vide order dated March 2, 2021 has partly allowed the appeal and directed "R2 to R7 are not recognised as Financial Creditors of the Corporate Debtor. R1 (RP) is directed to re-constitute the CoC..." An appeal has been filed by certain lenders against the order of the NCLT before NCLAT. On April 12, 2021, the NCLAT has stayed the operation of the impugned order until next date. The matter remains sub judice before the NCLAT.

An application had been filed by Doha Bank before the NCLT, Mumbai Bench challenging the decision of the RP of RITL of admission of claims of certain indirect lenders in the CIRP of RITL, on the basis of deed of hypothecation. The NCLT has, vide order dated March 2, 2021, dismissed the application. An appeal has been filed by Doha Bank against the order of the NCLT before the NCLAT, which is currently sub judice.

Pursuant to strategic transformation programme, as a part of asset monetization and resolution plan of the Corporate Debtor, the Corporate Debtor and its subsidiary companies; RTL and RITL, with the permission of and on the basis of suggestions of the lenders, had entered into definitive binding agreements with Reliance Jio Infocomm Limited (RJio) for monetization of certain specified assets on December 28, 2017 for sale of Wireless Spectrum, Towers, Fibre and Media Convergence Nodes (MCNs). During an earlier year, the said asset sale agreements were terminated by mutual consent on account of various factors and developments including inter alia non receipt of consents from lenders and permission/ approvals from Department of Telecommunication

On completion of the corporate insolvency resolution process, the Corporate Debtor will carry out a comprehensive review of all the assets including investments, balances lying in Goods and Service Tax, Liabilities and Impairment of Goodwill on Consolidation and accordingly provide for impairment of assets and write back of liabilities, if any.

Considering these developments including, in particular, the RP having taken over the management and control of the Corporate Debtor and its three subsidiaries (Group) inter alia with the objective of running them as going concerns, the consolidated financial statements continue to be prepared on going concern basis. It is clarified that RITL is currently under the supervision of a Monitoring Committee. However, since the Group continues to incur loss, current liabilities exceed current assets and Group has defaulted in repayment of borrowings, payment of regulatory and statutory dues, these events indicate that material uncertainty exists that may cast significant doubt on Group's ability to continue as a going concern.

In case of Four overseas subsidiaries and two domestic subsidiaries, it indicates the existence of material uncertainty due to loss during year ended March 31, 2021, total liabilities exceeding total assets and holding company Reliance Communications Limited is undergoing insolvency proceeding. The above has been qualified by respective Auditors in their Audit Reports of these subsidiaries. Further, in case of two other overseas subsidiaries the Auditors have given Qualification and Emphasis of Matter paragraph for Material Uncertainty on Going Concern in their respective audit reports.

Notes on Accounts to the Consolidated Financial Statements

The following overseas subsidiary companies have given note on the Going Concern which have been qualified by the respective auditors. The said notes as given in respective financial statements are reproduced below:

Reliance Communications Inc.: For the year ended March 31, 2021, the Company's total liabilities exceeds its total assets by \$ 42,38,510 and the ultimate parent company in India is undergoing insolvency proceedings. The material uncertainty exists which may cast doubt on Company's ability to continue as a going concern.

Reliance Communications Canada Inc: For the year ended March 31, 2021, the Company has incurred a net loss of US \$ 524 and as of date, the Company's total liabilities exceed its total assets by \$ 35,626 and the ultimate parent company in India is undergoing insolvency proceedings. The material uncertainty exists which may cast doubt on Company's ability to continue as a going concern.

Reliance Communications International Inc.: For the year ended March 31, 2021, the Company's total liabilities exceeds its total assets by \$ 7,944,261. However, the ultimate parent company in India is undergoing insolvency proceedings. Based on these events and conditions along with other matters, indicate that the material uncertainty exists which may cast significant doubt on Company's ability to continue as a going concern. The rationale for the management, to prepare the financial statements on a going concern basis is that profitable operations are continuing and its likely that a suitable investor will be found.

Reliance Communications UK Limited: For the year ended March 31, 2021, the ultimate parent company in India is undergoing insolvency proceedings. The material uncertainty exists which may cast doubt on Company's ability to continue as a going concern, the rationale for the management to prepare the financial statements on a going concern basis is that profitable operations are still continuing and it is likely that a suitable investor will be found.

Reliance Infocomm Inc: For the year ended March 31, 2021, the Company has incurred a net loss of US \$ 356,229 and as of date, the Company's total liabilities exceeds its total assets by \$ 3,210,285 and the ultimate parent company in India is undergoing insolvency proceedings. The material uncertainty exists which may cast doubt on Company's ability to continue as a going concern.

Bonn Investment Inc: For the year ended March 31, 2021, the Company has incurred a net loss of US \$ 305,171 and as of date, the Company's total liabilities exceeds its total assets by \$ 1,919,113 and the ultimate parent company in India is undergoing insolvency proceedings. The material uncertainty exists which may cast doubt on Company's ability to continue as a going concern.

Note : 2.36

The Indian Parliament has approved the Code on Social Security, 2020, which would impact the contributions by the Group towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Group will assess the impact once the subject rules under the Code are notified and will give appropriate impact in the consolidated financial statements when the Code becomes effective.

1. Pertaining to earlier years,

The Company, in the earlier years, underwent various restructuring Schemes through Court including restructuring of ownership of telecom business so as to align the interest of the shareholders. Accordingly, pursuant to the Schemes of Amalgamation and Arrangement ("the Schemes") under Sections 391 to 394 of the Companies Act, 1956 approved by Hon'ble High Court of respective judicature, the Company, during the respective years, recorded all necessary accounting effects, along with requisite disclosure in the notes to the accounts, in accordance with the provisions of the said Schemes. Reserves, pursuant to the said Schemes, include:

- (i) ₹ 8,047 crore being Securities Premium Account, which was part of the Securities Premium of erstwhile Reliance Infocomm Limited (RIC), the transferor company.
- (ii) ₹ 12,345 crore, being part of General Reserve, on fair valuation of assets and liabilities of the Company in accordance with the Scheme of Amalgamation, amalgamating Reliance Gateway Net Limited (RGNL) into the Company.
- (iii) During the earlier year, ₹ 7 crore being Goodwill arising on consolidation pursuant to the Scheme of Amalgamation between subsidiaries debited to General Reserve.
- (iv) During the earlier year, additional depreciation consequent upon fair valuation of assets carried out has been adjusted to General Reserve by subsidiaries.

Reliance Communications Limited

Notes on Accounts to the Consolidated Financial Statements

- (v) During the earlier year, ₹ 470 crore being excess of liabilities over assets has been adjusted from General Reserve pursuant to demerger of BPO division to RCIL.
- (vi) Pursuant to the said Scheme of Amalgamation (Refer Note (ii) above), on account of the fair valuation during the year ended on March 31, 2009, additions/ adjustments to the fixed assets included increase in Freehold Land by ₹ 225 crore, Buildings by ₹ 130 crore and Telecom Licenses by ₹ 14,145 crore.
- (vii) Pursuant to the demerger, the Company computed goodwill of ₹ 2,659 crore arising on consolidation using the step up method based on date of original investment by Reliance Industries Limited (RIL) prior to demerger instead of considering the date of demerger as the date of investment in absence of specific guidance in Accounting Standard (AS) 21 "Consolidated Financial Statements" in a demerged scenario.
- (viii) During the earlier year, pursuant to the Scheme of Demerger ("the Scheme") sanctioned by the Hon'ble High Court of Judicature at Bombay and at Jaipur, the Company has acquired Wireless undertaking of Systema Shyam Teleservices Limited (SSTL) with effect from October 31, 2017. Upon merger of Wireless undertaking of SSTL, ₹ 1,397 crore being excess of assets over liabilities taken over has been credited to Capital Reserve. The Company had also allotted 27,65,53,305 nos of Equity Shares of ₹ 5 each, on October 31, 2017, to shareholder of SSTL.

2.41.1 Financial Instruments

The fair value of financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to the short term maturities of these instruments

Financial Instruments with fixed and variable interest rates are evaluated by the company based on parameters such as interest rate and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables.

Fair value hierarchy

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 – Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The carrying value and fair value of financial instruments by categories as of March 31, 2021 were as follows:

2.41.2 Financial Risk Management Objectives and Policies

Activities of the Group expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Group's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

The Group's financial liabilities comprise of borrowings, trade payable and other liabilities to manage its operation and the financial assets include trade receivables, deposits, cash and bank balances, other receivables etc. arising from its operation.

Corporate Insolvency Resolution Process ("CIR Process") has been initiated in case of the Company and four of its subsidiaries under the Provisions of the Insolvency and Bankruptcy Code, 2016 (the Code). Pursuant to the order, the management of affairs of the Company and powers of board of directors of the Company and its four subsidiaries stand vested with the Resolution Professional ("RP") appointed by the NCLT. The framework and the strategies for effective management will be established post implementation of Resolution Plan. In case of RITL, NCLT has approved the resolution plan on December 03, 2020 and accordingly a Monitoring committee has been formed. Presently, the financial management activities are restricted to management of current assets and liabilities of the Group and the day to day cashflow and its associated risks are as under:

Market risk

The Group also operates internationally and hence, a portion of the business is transacted in several currencies. Consequently the Company is exposed to foreign exchange risk to the extent that there is mismatch between the currencies in which it sells and services, purchases from overseas suppliers and borrowings in various foreign currencies. Market Risk is the risk that changes in market prices such as foreign exchange rates, interest rates will affect income or value of its holding financial assets/ instruments. The exchange rate between rupee and foreign currencies has changed substantially in recent years and may fluctuate significantly in the future. As a result, operations of the Group are adversely affected as the rupee appreciates/ depreciates against US dollar. Euro. GB pound etc. Since the Group and four of its subsidiaries are under CIR Process, it is not required to meet any loan or interest obligation till the resolution plan is implemented. As the overall obligation and liabilities shall be determined during CIR Process, foreign currency loans are stated at exchange rate as at March 31, 2018.

Sensitivity Analysis

Not relevant till the time resolution plan is finalised. In case of RITL, not relevant till the implementation of approved resolution plan.

Interest Rate Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates, in cases where the borrowings are measured at fair value through profit or loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates. Since the Company and three of its subsidiaries are under CIR Process, it could not meet interest obligation during the year and shall be finalised when resolution plan is implemented. In case of RITL, not relevant till the implementation of approved resolution plan.

Reliance Communications Limited

Notes on Accounts to the Consolidated Financial Statements

Exposure to interest rate risk

Not relevant till the time resolution plan is finalised. In case of RITL, not relevant till the implementation of approved resolution plan.

Derivative financial instruments

The Group does not hold derivative financial instruments.

The Group offsets a financial asset and a financial liability when it currently has a legally enforceable right to set off the recognized amounts and the Group intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Credit risk

Credit risk refers to the risk of default on its obligation by the customer/ counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is carrying value of respective financial assets.

Trade receivables and unbilled revenue are typically unsecured and are derived from revenue earned from the customers. Credit risk has always been managed by each business segment through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Group grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Group uses expected credit loss (ECL) model to assess the impairment loss or gain. ECL methodology depends on whether there is any significant increase in credit risk. In case of significant increase in credit risk, life time ECL is used; otherwise twelve month ECL is used. The Group uses a provision matrix to compute the expected credit loss allowance for trade receivables and unbilled revenues. The provision matrix takes into account available external and internal credit risk factors such as default risk of industry, credit default swap quotes, credit ratings from international credit rating agencies and historical experience for the customers.

Credit risk on cash and cash equivalents is limited as the Group generally invests in deposits with banks and financial institutions with high credit ratings assigned by international and/ or domestic credit rating agencies. Investments primarily include investment in liquid mutual fund units, quoted bonds issued by the Government and Quasi Government organizations and certificates of deposits which are funds deposited at a bank for a specified time period.

Liquidity risk

The Company and four of its subsidiaries are under CIR Process. The Company depends upon timely receipt from sales and delay in sales realisation as well as vendor payments can severely impact the current level of operation. Liquidity crises had led to default in repayment of principal and interest to lenders. Since the Company and its subsidiaries are under CIR Process, it is not required to meet any loan or interest obligation till the resolution plan is implemented. In case of RITL, RITL is in the process of implementation of its approved resolution plan.

Liquidity risk is the financial risk that is encountered due to uncertainty resulting in difficulty in meeting its obligations. An entity is exposed to liquidity risk if markets on which it depends are subject to loss of liquidity for any reason; extraneous or intrinsic to its business operations, affecting its credit rating or unexpected cash outflows. A position can be hedged against market risk but still entails liquidity risk. Prudence requires liquidity risk to be managed in addition to market, credit and other risks as it has tendency to compound other risks. It entails management of assets, liabilities focused on a medium to long-term perspective and future net cash flows on a day by day basis in order to assess liquidity risk.

As the Company and four of its subsidiaries are under IBC, Liquidity Periodic budget and rolling forecasts shall be determined during CIR process.

Exceptional Items

2.43.1 Relating to Continuing Operations

- (a) During the previous year, pursuant to amendment of the Articles of Association in the Extra Ordinary General Meeting of Reliance Realty Limited (RRL), held on December 10, 2019, the control of RRL, a subsidiary of the Company, was conferred on the Company, with effect from December 10, 2019. Consequently RRL has been included for the preparation of consolidated financial statements of the Company as per Ind AS 110 "Consolidated Financial Statements" and Investments previously fair valued was recorded at cost. Goodwill of Rs. 1,320 crore has been recognised on consolidation of RRL in the consolidated financial statements (Refer note 2.35 on impairment). Impact on profitability for the year ended March 31, 2020 is Rs 8,964 crore loss represented as exceptional items as part of continuing operations.

During the earlier year, The Group, was in the process of finalising and implementing its asset monetization and debt resolution plan, comprising the Group's real estate development plan and restructuring of Debt. As required by the lenders and also to safeguard the development of real estate, the business taken up by Reliance Realty Limited (RRL), a subsidiary of the Company, it was necessary that control of RRL being conferred on ADA Group. Accordingly in order to align the above as legally advised, Memorandum and Articles of Association of RRL has been amended as per the provisions of the Companies Act, 2013 and other applicable provisions of law. Consequently, Investment in RRL by the Company, has been accounted at fair value, as per Ind AS 109 "Financial Instruments", and represented as Exceptional Items. Impact on profitability for the previous year ended March 31, 2020 (net of tax of ₹ 962 crore) was ₹ 3,230 crore.

- (b) During the previous year, GCX Limited, an overseas step down subsidiary of the Corporate Debtor, along with its subsidiaries/ affiliates (collectively, "GCX") had filed for voluntary pre-packaged restructuring under Chapter 11 of the US Bankruptcy Code before Delaware court, USA. Objections were filed on behalf of the Corporate Debtor which were not accepted by the court. The plan filed by GCX had been confirmed by the court on December 4, 2019.

The Plan, as confirmed, provides that the old equity interests in the Debtors would be extinguished and the new ownership would pass to the participating Note holders on the "Effective Date" of the Plan. It provided that certain transactions needed to occur and various regulatory approvals needed to be obtained before the Debtors would file a Notice of Effective Date (i.e., a notice declaring that, as of the stated date, the Plan had become effective). Impact on profitability was Rs. Nil and Rs. 1,250 crore for the year ended March 31, 2021 and year ended March 31, 2020 respectively and has been represented as part of Exceptional Items.

Pursuant to the order dated February 25, 2020, the court had granted a motion filed by GCX Limited along with the other debtors aimed at addressing the issues they have been having in completing the steps to make their plan effective inter alia seeking approval for process whereby a bifurcation had been created wherein debtors not requiring regulatory approvals could complete their processes and arrive at effective date, while others could wait for occurrence of their effective date upon fulfillment of regulatory approvals. Accordingly, on April 14, 2020, a notice has been issued intimating occurrence of "Effective Date" of certain "non-regulated debtors" while the "Effective Date of the Plan with respect to Debtors GCX Limited, FLAG Telecom Network USA Limited, Reliance Globalcom Limited, and Vanco US, LLC (collectively, the "Regulated Debtors") is expected to occur at a later date". The court confirmed the aforesaid and entered order on April 21, 2020.

A notice of occurrence of Effective Date for the Regulated Debtors dated December 31, 2020 has been issued by counsel to GCX (and served on Corporate Debtor). The said notice inter alia provides that the Effective Date of the Plan for the Regulated Debtors has occurred on December 31, 2020.

In light of the aforesaid development, the Plan having now being effective in respect of the Regulated Debtors and the Non-Regulated Debtors, the Corporate Debtor has been divested of its indirect equity interest in GCX and there is no impact on the consolidated financial statements of the Corporate Debtor.

2.43.2

Relating to Discontinued Operations

- (a) The Hon'ble Supreme Court of India, vide its order dated October 24, 2019 had dismissed the petition filed by the telecom operators and agreed with the interpretation of the Department of Telecommunications (DoT) to the definition of Adjusted Gross Revenue (AGR) under the license

On September 01, 2020, the Supreme Court pronounced the judgment in the AGR matter ("SC Judgement"). It has framed various questions in respect of companies under insolvency and in respect of such questions, the Court has held that the same should be decided first by the NCLT by a reasoned order within 2 months, and that it has not gone into the merits in this decision.

The RP of the Corporate Debtor and Reliance Telecom Limited (RTL) had filed intervention applications before the NCLAT in the appeal filed by the Department of Telecommunications against the resolution plan approval orders of the Aircel companies (wherein the NCLAT was adjudicating on the questions framed by the Hon'ble Supreme Court in the SC Judgement). The RP had also filed written legal submissions in this regard with the NCLAT. The Hon'ble NCLAT has pronounced its judgement dated April 13, 2021 setting out its findings on the questions framed in the SC Judgment. The RP has filed appeals in respect of the Corporate Debtor and RTL against the judgement of the NCLAT before the Supreme Court, which are currently sub judice. Further, in the SC Judgement, reiterating that AGR dues as per original decision should be paid, the Hon'ble Supreme Court had directed that DoT should complete the assessment in cases where demand had not been raised and raise demand if it has not been raised, to examine the correctness of self-assessment and raise demand, if necessary, after due verification. In case demand notice has not been issued, DoT should raise the demand within six weeks from date of judgement. The Corporate Debtor has not received any such demand in this regard till date.

The DoT had during the pendency of the various proceedings simultaneously directed Special Audit in relation to the computation of License fee, Spectrum fee, applicable interest and penalties thereon, which is under progress for the financial year 2015-16 onwards. In this regard, the Corporate Debtor had provided for estimated liability aggregating to ₹ 30,837 crore upto the previous year ended March 31, 2020 and has provided additional charge of ₹ 4,713 crore during the year ended March 31, 2021 and represented as exceptional items relating to discontinued operations which may undergo revision based on demands from DoT and/ or any developments in this matter.

Considering various factors including admission of the Corporate Debtor and its subsidiary RTL to resolution process under the Code and the moratorium applicable under Code, discharge of the aforesaid liability will be dealt with in accordance with the Code (subject to orders in the relevant judicial proceedings).

- (b) The assets pertaining to Wireless Spectrum, Towers, Fibre and Media Convergence Nodes (MCNs) continued to be classified as assets held for sale at the value ascertained at March 31, 2018, along with liabilities, and disclosed separately as discontinued operations in line with Ind AS 105 "Non-current Assets Held for Sale and Discontinued Operations".
- (c) During an earlier year, the Company had entered into a definitive binding agreement with Pantel Technologies Private Limited and Veecon Media and Television Limited (the Purchaser) for sale of its subsidiary company, Independent TV Limited (ITVL) (Formerly Reliance Big TV Limited) having DTH Business. As per the agreement, all collections from Debtors and all liabilities of the ITVL will be to the account of, and borne by, the purchaser. In view of the above and upon transfer of the entire operations of ITVL, during the earlier year, ITVL has been deconsolidated for the purpose of and as per requirement of Ind AS 110 "Consolidated Financial Statement".

included in the above disclosure.

During the previous year, the managerial remuneration paid to the Executive Director and CFO of the Company amounting to ₹ 0.49 crore exceeded the prescribed limits under Section 197 read with Schedule V to the Act by ₹ 0.27 crore. His appointment and remuneration has been approved by the Committee of Creditors. The excess amount of ₹ 0.27 crore was reflected as Advance receivable in the consolidated financial statements of the previous year is charged off during the current Financial year. The Company obtained necessary approval from the share holders at the Annual General Meeting held on September 26, 2020.

Note : 2.47

Employee Stock Option Scheme

The Group was operating two Employee Stock Option Plans; ESOS Plan 2008 and ESOS Plan 2009, which cover eligible employees of the Company and its Subsidiaries. ESOS Plan 2008 was operational till previous year whereas ESOS Plan 2009 was operational till January 16, 2019 in the earlier year. ESOS Plans are administered through an ESOS Trust. The Vesting of the options was on the expiry of one year from the date of Grant as per Plan under the respective ESOS(s). In respect of Options granted, the accounting value of Options (based on market price of the share on the date of the grant of the option) was accounted as deferred employee compensation, which was amortised on a straight line basis over the Vesting Period. Each Option entitles the holder thereof to apply for and be allotted/ transferred one Equity Share of the Company of ₹ 5 each upon payment of the Exercise Price during the Exercise Period. The maximum Exercise Period was 10 years from the date of Grant of Options.

The Group has established a Trust for the implementation and management of ESOS for the benefit of its present and future employees. Advance of ₹ 387 crore (Previous year ₹ 387 crore) has been granted to the Trust and the said amount has been utilised by the Trust for purchasing 2.13 crore (Previous year 2.13 crore) Equity Shares during the earlier years. The fall in the value of these underlying shares on account of market volatility and the loss, if any, can be determined upon sale of shares by Trust.

There is no options outstanding at the end of the year and no remaining contractual life available

Note : 2.48

Employee Benefits

The gratuity plan is governed by the Payment of Gratuity Act, 1972 (Gratuity Act). The Group is bound to pay the statutory minimum gratuity as prescribed under Gratuity Act. There are no minimum funding requirements for a gratuity plan in India. The Group's philosophy is to fund the benefits based on its own liquidity and tax position as well as level of underfunding of the plan vis-à-vis settlements. The management is responsible for the overall governance of the plan. The management has outsourced the investment management of the fund to insurance company which in turn manages these funds as per the mandate provided to them by the trustees and applicable insurance and other regulations.

The Group operates its gratuity and superannuation plans through separate trusts which is administered and managed by the Trustees. As on March 31, 2021 and March 31, 2020, the contributions towards the plans have been invested in Insurer Managed Funds.

The plan is in the nature of defined benefit plan which is sponsored by the Group and hence it underwrites all the risks pertaining to the plan. In particular, there is a risk for the Group that any significant change in salary growth or demographic experience or inadequate returns on underlying plan assets can result in an increase in cost of providing these benefits to employees in future.

The defined benefit plan exposes the Group to actuarial risk such as longevity risk, interest risk and market (Investment) risk. The following table set out the status of the Gratuity Plan as required under Ind AS 19 "Employee Benefits":

Fair value of plan assets	12	19	28	8	10
Excess of (obligation over plan assets) / plan assets over obligation	4	(2)	3	(33)	(47)

The expected contribution is based on the same assumptions used to measure the Group's gratuity obligations as of March 31, 2021.

ii. Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

	As at March 31, 2021	As at March 31, 2020

Provident Fund: During the earlier year, the Group has received a notice from the Regional Provident Fund Commissioner (RPFC) to surrender the Provident fund Trust due to losses in consecutive past four years. Accordingly, the Group has initiated the process to surrender the Trust and started making payment of monthly contribution directly to RPFC. During the year ended, the Group has contributed towards provident fund ₹ 7.64 crore (Previous year ₹ 1.47 crore) to the RPFC and Nil (Previous year ₹ 3.27 crore) towards the Trust established under the erstwhile Scheme. The Group is in the process to transfer the accumulated funds to RPFC after completion of inspection/ audit by RPFC hence any liability towards the short fall on sale of securities, if any, will be recognised at the time of transfer of funds.

Capital Management

Capital of the Group, for the purpose of capital management, includes issued equity capital, securities premium and all other equity reserves attributable to the equity holders of the Group. The Group's objective when managing the capital is to safeguard the Company's ability to continue as a going concern. The Company and its four subsidiaries is presently under CIRP process and thereby continue to operate as a going concern.

The funding requirement is met through a mixture of equity, internal accruals, long term borrowings and short term borrowings.

The Group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt.

Particulars	As at March 31, 2021	As at March 31, 2020
(a) Equity	(53,906)	(48,156)
(b) Debt	45,577	45,584
(c) Equity and Debt (a + b)	(8,329)	(2,572)
(d) Capital Gearing Ratio (b / c)	-547%	-1772%

Decrease in Capital gearing ratio reflects reduction in equity on account of net losses incurred by the Company due to Provision of Liability on account of License & Spectrum fee during the year.

Non Provision of Interest and Foreign Exchange Variation on Borrowings

Considering various factors including admission of the Company and its three subsidiaries; RTL, RITL and RCIL to CIRP under the Code, there are various claims submitted by the operational creditors, the financial creditors, employees and other creditors. The overall obligations and liabilities including obligation for interest on loans and the principal rupee amount in respect of loans including foreign currency denominated loans shall be determined during the CIRP and accounting impact/ disclosure if any will be given on completion of CIRP.

Reliance Communications Limited

Notes on Accounts to the Consolidated Financial Statements

Further, prior to May 15, 2018, the Company and its said subsidiaries were under Strategic Debt Restructuring (SDR) and asset monetization and debt resolution plan was being worked out. The Company and some of its subsidiaries have not provided Interest of ₹ 4,362 crore calculated based on basic rate of interest as per terms of loan for year ended March 31, 2021 and foreign exchange gain aggregating to ₹ 630 crore loss for the year ended March 31, 2021. Had the Company provided Interest and foreign exchange variation, the Loss would have been higher by ₹ 3,732 crore for year ended March 31, 2021 and the Net worth of the Group would have been lower by ₹ 19,071 crore as at March 31, 2021 and ₹ 15,339 crore as at March 31, 2020. During the previous years, Interest of ₹ 12,746 crore and foreign exchange loss aggregating to ₹ 2,593 crore were not provided.

Note : 2.53

Disclosure pursuant to Ind AS 115 "Revenue from Contracts with Customers".

Continuing Operations Revenue for the year from sale of services includes ₹ 760 crore pertains to revenue from contract with customers recognised over a period of time. The Group has not given any volume discounts, service level credits, etc during the year. The revenue is further disaggregated as Revenue pertains to India Operations ₹ 736 crore and Global Operation ₹ 24 crore.

Discontinued Operations Revenue for the year from sale of services includes ₹ 1,077 crore pertains to revenue from contract with customers recognised over a period of time. The Group has not given any volume discounts, service level credits, etc during the year. The revenue is no further disaggregated.

The Group has applied the practical expedient in Ind AS 115. Accordingly, the Group has not disclosed the aggregate transaction price allocated to pending performance obligations which are subject to variability due to several factors such as terminations, changes in scope of contracts, periodic revalidations of the estimates, economic factors (changes in currency rates, tax laws etc). No consideration from contracts with customers is excluded from the amount mentioned above.

The Group classifies the right to consideration in exchange for deliverables as either a receivable or as unbilled revenue if revenues is accrued. Receivable and unbilled revenue are a right to consideration that is unconditional upon passage of time. Receivable is presented net of impairment in the Balance Sheet. Unbilled revenue as at April 1, 2020, was ₹ 56 crore and it was billed during the year. Unbilled Revenue as at March 31, 2021 is ₹ 61 crore.

Unearned revenue with regards to continuing Operation and discontinued operations at March 31, 2021, was ₹ 64 crore and ₹ 1986 crore (net of unbilled revenue of ₹ 917 crore pending reconciliation with customer on account of various business parameters) respectively.

During the earlier year, the RRL has issued, on behalf of Holding Company, a Corporate Guarantee of ₹ 1,400 crore in favour of Department of Telecommunications.

Note : 2.58

Reliance Communications Infrastructure Limited (RCIL), a wholly owned subsidiary of the Corporate Debtor had written to Industrial and Commercial Bank of China, Mumbai branch ("ICBC") requesting for balance confirmation of Rs. 31.62 crore and transfer of the entire amount lying in fixed deposit account including all interest monies accruing thereon up to the date of remittance to the designated TRA account of RCIL. The Auditors and RCIL have not received confirmation from ICBC.

Note : 2.59

A Subsidiary of the Company is in the process of reconciliation of unbilled revenue with customers on account of various business parameters and any GST applicable thereon shall be paid upon completion of pending reconciliation and billing thereof.

Note : 2.60

During an earlier year, the RRL has entered into a Long Term Lease agreement with a Customer for two buildings named Corporate Head Quarters (CHQ) and Business Head Quarters situated within the complex of Dhirubhai Ambani Knowledge City (DAKC) for the period from July 2019 to March 2041. The said Lease Agreement has been discounted @10% per annum and received ₹ 461.74 crore. Further, Monthly Lease Rental receivables have been assigned against payment of installment due on discounting.

Equated Monthly Installment of ₹ 4.50 crore will be adjusted first towards the interest computed at the rate of 10% per annum on the principle amount outstanding and balance will be adjusted towards principle repayment upto March 2041.

Note : 2.61

The Corporate Debtor has been served with copies of writ petitions filed by Mr. Punit Garg and certain others, being directors of the Corporate Debtor and its subsidiaries before the Hon'ble High Court of Delhi, challenging the provisions of the RBI Master Directions on Frauds- Classification and Reporting by commercial banks and select FIs bearing No. RBI/ DBS/ 2016-17/ 28 DBS. CO. CFMC. BC. No. 1/ 23.04.001/ 2016-17 dated July 1, 2016 ("Circular") and the declaration by certain banks classifying the loan accounts of the Company, Reliance Infratel Limited ("RITL") and Reliance Telecom Limited ("RTL") being fraudulent in terms of the Circular.

The Corporate Debtor, RITL and RTL have been represented through their advocates and accepted notice in the petitions. The respective respondent-banks have been directed, on various dates of hearing, to maintain status quo until the next date of hearing by the High Court. The said petitions have been listed on various dates and are presently sub judice before the Hon'ble High Court of Delhi. Since the matter is pending before the Hon'ble High Court of Delhi, presently there is no impact of such declaration by the banks, in the consolidated financial statements.

Note : 2.62

During the year ended March 31, 2021 and subsequent to the year end, a bank has served notice intimating about the classification of the Corporate Debtor and certain directors as willful defaulters in terms of applicable RBI regulations. The Corporate Debtor has responded back to the bank highlighting that the proceedings and the classification of the Corporate Debtor as a willful defaulter is barred during the prevailing moratorium under section 14 of the Insolvency and Bankruptcy Code, 2016 (Code) and requested the bank to withdraw the notice of classification as a wilful defaulter. No further response has been received by the bank since then.

Further, during the year, a bank has issued show cause notice to the Corporate Debtor and certain subsidiaries and certain directors seeking reasons as to why the Corporate Debtor and its subsidiaries should not be classified as willful defaulter. The Corporate Debtor and its subsidiaries have responded to the show cause notice. The Corporate Debtor in its response has highlighted that the proceedings and the classification of the Corporate Debtor as a wilful defaulter is barred during the prevailing moratorium under section 14 of the Code and requested the bank to withdraw the notice. No further response has been received by the bank since then. Since the matter is pending before the banks, presently there is no impact of such notices issued by banks, in the consolidated financial statements.

Note on Covid -19 Impact

Vide notification dated March 24, 2020 issued by Ministry of Home Affairs, a nation-wide lockdown was announced to contain COVID-19 outbreak. Further, various state governments have issued orders from time to time extending lockdowns and other restrictions. COVID-19 has impacted businesses globally and in India. Telecommunication services, being essential services, had been exempted and permitted to continue operation during the period of lockdown. The Group has continued to provide services to its Enterprise customers without any interruptions and honour commitments, despite facing all odds during lockdown.

The Group has been monitoring the situation closely and has taken proactive measures to comply with various directions / regulations / guidelines issued by Government of India, various state governments and local bodies to ensure safety of workforce across all its offices.

Further, the resurgence had led to imposition of various restrictions and lockdowns in various states. Accordingly, there exists uncertainty over the impact of the pandemic on future business performance of the Group, and the extent of effect of the pandemic will depend,

Notes on Accounts to the Consolidated Financial Statements

among other things, on any action to contain its spread or mitigate its impact, whether government mandated or elected by the Group. However, in view of telecommunication services being considered as essential activity, the Group has continued to provide services to its Enterprise customers without any interruptions and honour commitments, despite facing all odds during lockdown and the Group has continued its assessment of likely adverse impact on economic environment in general and financial risks on account of COVID19.
